

The Noble Quran is a Linguistic Miracle, Confirming the Message of the Prophet Muhammad (saw)

Introduction: The Inimitable Linguistic Miracle of the Noble Quran

Article

The Noble Quran has the characteristic of i'jaaz (miracle). The root in Arabic relates to 'ajaza (incapability) meaning human beings are incapable of imitating or reproducing the like of it. It is the confirming evidence granted to the Final Messenger and Prophet (saw), as an authentication of his Message. When applied to the Quran, the word i'jaz refers to the divinely unique and humanly inimitable quality of the composition of the Quran. This challenge was presented to the greatest of Arab poets, who were known for their eloquence and mastery of the Arabic language. The challenge remains open until the end of time.

It is the Sunnah of Allah (swt) that Miracles Establish the Truth of the Messages

It is the Sunnah of Allah (swt) to establish the truth of the Message (Risaalah) conveyed by His Messengers (as). The truth of the Messages is established by miracles, which are appropriate for the societies in which Revelation is sent. In his book, The Miracle of the Quran (إعجاز القرآن), Imam Al-Baqillani (العجال المواء وأيد عيسى عليه السلام وكان عصره عصر سحر بفلق (المواء وأيد عيسى عليه السلام وكان عهده عهد طب بإبراء الاكمه البحر، وانقلاب العصاحية تسعى، وانبجاس الحجر الصلا بعيون الماء الرواء وأيد عيسى عليه السلام وكان عهده عهد طب بإبراء الاكمه البحر، وانقلاب العصاحية تسعى، وانبجاس الحجر الصلا بعيون الماء الرواء وأيد عيسى عليه السلام وكان عهده واحياء الموتى بإذنه (علام على الطين، وإحياء الموتى بإذنه المعنى الطين، وإحياء الموتى المعنى الطين، وإحياء الموتى المعنى المعنى المعنى العصاد المعنى المعنى العصاد العصاد المعنى المعنى العصاد المعنى المعنى العصاد المعنى المعن

So we see that in the age of mastery in illusion, Allah (swt) supported Musa (as) with miracles, that even the leading illusionists could not match. Thus, the most skilled in illusion fell into prostration, proclaiming belief in the Deen of Musa (as). Similarly, in the age of mastery in medicine, Esa (as) was supported with miracles regarding death, disease and medicine. It was a challenge that the expert physicians of Bani Israel could not match and so the masses had confirmation of his (as) Message.

The Linguistic Miracle of the Noble Quran Established the Message of the Prophet Muhammad (saw)

As for the Final Prophet (as), the Messenger of Allah (saw), our Master Muhammad (saw), he was sent to a people who had mastery in the Arabic language. In addition to other miracles that are mentioned in the Noble Quran and the authenticated ahadith, the Messenger (saw) was sent with the Miracle of the Noble Quran, which was inimitable by man. Unlike the other miracles, the Noble Quran alone was the challenge (تحدي) that was laid down to authenticate the Message of the Prophet Muhammad (saw).

Moreover, the Noble Quran is a Miracle that is inimitable by human beings for all of time, as it is preserved for humanity until the Day of Judgment. Imam Al-Baqillani states, ولما أرسل رسوله ولما أرسل رسوله إلى الناس أجمعين، وجعله خاتم النبيين - أيده بمعجزات حسية كمعجزات من سبقه من المرسلين، وخصه محمدا، صلى الله عليه وسلم، إلى الناس أجمعين، وجعله خاتم النبيين - أيده بمعجزات على أن يأتو ا بمثله لم يستطيعوا ولم يقاربوا، ولو كان بمعجزة عقلية خالدة، وهي إنزال القرآن الكريم، الذي لو اجتمعت الانس والجن على أن يأتوا بمثله لم يستطيعوا ولم يقاربوا، ولو كان بمعجزة عقلية خالدة، وهي إنزال القرآن الكريم، الذي لو اجتمعت الانس والجن على أن يأتوا بمثله لم يستطيعوا ولم يقاربوا، ولو كان بمعجزة عقلية خالدة، وهي إنزال القرآن الكريم، الذي لو اجتمعت الانس والجن على أن يأتوا بمثله لم يستطيعوا ولم يقاربوا، ولو كان بمعضهم لبعض ظهيرا. making him the Final Prophet of all the Prophets (as), He (swt) supported him (saw) with tangible miracles, like the miracles of those who preceded him (saw) from among the Messengers (saw). However, He (swt) distinguished him (saw) with a never-ending intellectual miracle, which is the Revelation of the Noble Quran, which if even all of mankind and jinn gathered to come up with the like of it, they could not. They would not come even close, even if they were to support each other."

The linguistic miracle of the Noble Quran was appropriate for the society in which it was revealed. Imam Al-Baqillani elaborated the prowess of the Arabs in linguistic skills, accompanied by incapability when faced with the challenge of the Noble Quran, stating, وكان ذلك في زمان سما فيه شأن والإبانة عن مشاعر البيان، وجلت مكانته في صدور أهله، وعرفوا باللسن والفصاحة، وقوة العارضة في الاعراب عن خوالج النفوس، والابانة عن مشاعر

القلوب. وظل رسول الله صلوات الله عليه، يتحداهم بما كانوا يعتقدون في أنفسهم القدرة عليه، والتمكن منه، ولم يزل يقرعهم ويعجزهم، "This was in a time when the matter of expression was elevated and its status resounded in the hearts of its people. They were known for their language and eloquence, as well as the strength of expression of the sentiments of the souls and evocation of the feelings within hearts. The Messenger of Allah (saw) continuously challenged the Arabs, within what they believed themselves to be capable in, and were in command of. And he (saw) continued to confound them, rendering them incapable and exposing their deficiency, until they were humiliated and brought low." Indeed, the Arabs were so consumed with mastery of the Arabic language, that they mastered little of anything else.

It is the Wisdom (Hikmah) of Allah (swt) that the Final Prophet (saw) was granted a miracle. that remained amongst humanity, after his (saw) return to Allah (swt). Elaborating on the uniqueness of the Miracle of the Quran, Ibn Khaldoon (ابن خلاون) stated in his Muqaddimah (مقدمة), فأعلم أن أعظم المعجز ات وأشرفها وأوضحها دلالة القرآن الكريم المنزل على نبينا محمد فإن الخوارق في الغالب تقع مغايرة للوحي الذي يتلقاه النبي ويأتي بالمعجزة شاهدة بصدقه والقرآن هو بنفسه الوحي المدعى وهو الخارق المعجز فشاهده في عينه ولا يفتقر إلى دليل مغاير له كسائر المعجزات مع الوحي فهو أوضح دلالة لاتحاد الدليل والمدلول فيه وهذا معنى قوله ما من نبي من الأنبياء إلا وأتى من الآيات ما مثله أمن عليه البشر وإنما كان الذي أوتيته وحيا أوحي إلي فأنا أرجو أن أكون أكثرهم تابعا يوم القيامة يشير إلى أن المعجزة متى كانت بهذه المثابة في الوضوح وقوة الدلَّالة وهو كونها نفس لوَّحي كان الصدق لها أكثر لوضوحها فكثر المصدق المؤمن وهو التابع ولأمه "Know that the evidence of the noble Quran, which was revealed to our Prophet Muhammad (saw), is the greatest, noblest and clearest miracle. Miracles are as a rule brought by a Prophet separately from the Revelation he receives. The Miracle comes as an evidence for his truthfulness. This is obvious. The Quran, on the other hand, is in itself the claimed Revelation, whilst it is also in itself the wondrous Miracle. It is its own evidence. It requires no external evidence, as do the other Miracles, brought in connection with Revelations. It is the clearest evidence there can be, because it unifies within itself both the evidence and what is to be evidenced. This is the meaning of the saying of Muhammad (saw). «مَا مِن نبيّ من الأنبياء إلا أَعْطِيَ من Every" الآياتِ ما مثلُهُ آمَنَ عليه البشر، وَإِنَّمَا كانَ الذي أُوتيتُهُ وَحْيا أَوْحَاهُ الله إليَّ ، فأرجو أن أكونَ أكثرَهُم تابعا يومَ القيامةِ» Prophet was given unmatched signs to provide reassurance for mankind. What I have been given is also a Revelation that was revealed to me. Therefore, I hope to have the greatest number of followers on the day of resurrection." [Bukhari] He (saw) refers to the fact that a Miracle which is identical to the Revelation, is of such clarity and force of evidence. that it will be found truthful, because of its clarity, by the greatest number of people. Therefore, many are those who consider the Prophet truthful and believe. They are the "followers," the Ummah of Islam."

The Challenge of the Noble Quran for the Experts in Arabic Linguistics

Allah (swt) challenged the Arabs with the production of the like of the Quran and then added to their despair by reducing it to ten surahs and then a single surah, of which the shortest is just three sentences. The famous scholar as-Suyooti in his book, Proficiency in the Knowledge of Quran (الإتقان في علوم القرآن) Volume 3, Chapter 64, summarizes the history of the challenge as وَلَمَّا جَاءَ بِهِ النَّبِيُّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ إِلَيْهِمْ وَكَانُوا أَفْصَحَ الْفُصَحَاءِ ومصا قع الْخُطَبَاءِ وَتَحَدَّاهُمْ عَلَى أَنْ يَأْتُوا بِمِثْلِهِ وَالْمُهَلَّهُمْ وَكَانُوا أَفْصَحَ الْفُصَحَاءِ ومصا قع الْخُطَبَاءِ وَتَحَدَّاهُمْ عَلَى أَنْ يَأْتُوا بِمِثْلِهِ وَأَمْهَلَهُمْ وَكَانُوا صَادِقِينَ } ثُمَّ تَحَدَّاهُمْ بِعَشْر سُوْرٍ مِنْهُ فِي قَوْلُهِ تَعَالَى {لَمْ يَقُولُونَ اللَّهِ إِنْ كُنْتُمْ صَادِقِينَ فَاللَّمْ يَشْدِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْزَلَ بِعِلْمِ اللَّهِ إِنْ كُنْتُمْ صَادِقِينَ فَاللَّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْزَلَ بِعِلْمِ اللَّهِ } إِنْ كُنْتُمْ صَادِقِينَ فَاللَّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْزِلَ بِعِلْمِ اللَّهِ } إِنْ كُنْتُمْ صَادِقِينَ فَاللَّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْزِلَ بِعِلْمِ اللَّهِ } أَثُمَا اللَّهِ إِنْ كُنْتُمْ صَادِقِينَ فَاللَّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْزِلَ بِعِلْمِ اللَّهِ } إِنْ كُنْتُمْ صَادِقِينَ فَاللَّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْ كُنْتُمْ عَلَى اللَّهُ إِنْ كُنْتُمْ صَادِقِينَ فَالِّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْمَا إِنْ يَلْتُولُونَ اللَّهِ إِنْ كُنْتُمْ صَادِقِينَ فَالِّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنْوا بِعَلْمُ اللّهِ إِنْ كُنْتُمْ عِلَا لَكُمْ فَاعْلُهُمْ اللّهِ إِنْ كُنْتُنْ أَلَّهُ إِنْ كُنْتُمْ عِسْلُو سُونَ اللَّهُ إِنْ كُنْتُوا بَعْلَى اللَّهُ إِنْ أَنْ اللَّهِ إِنْ كُنْتُمْ عَلَيْنَ اللَّهُ عَلَى اللَّهُ اللَّهُ إِنْ اللَّهُ إِنْ اللَّهُ إِنْ اللَّهُ إِلَى اللَّهُ إِنْهُ اللَّهِ إِنْ اللَّهُ إِنْ اللَّهُ إِنْهُ اللَّهُ إِلَى اللَّهُ إِنْ اللَّهُ إِلَى اللَّهِ إِنْ عَلْمُوا الْمُعْلِيقُونَ اللَّهُ إِنْ اللَّهُ إِنْ اللَّهُ إِلَالْهُ إِلَى اللَّهِ إِلْمُ اللَّهِ إِلَى اللَّهُ إِلَالِهُ إِلَالِهُ إِلَيْتُولُوا اللَّهُ إِلَالَهُ إِلَالَهُ إِلَالِهُ إِلَيْمُ اللّهِ اللَّهُ اللَّهُ إِلَى اللّهُ اللّهِ اللّهِ إِلَالْمُولُوا اللّهُ اللّهُ اللّهِ اللّهِ اللّهُ إِلَيْلُولُ اللّهِ إِلْمُ اللّهُ الل تَحَدَّاهُمْ بِسُورَةٍ فِي قَوْلِهِ: ۚ {أَمْ يَقُولُونَ افْتَرَاهُ قُلُ فَاْتُوا بِسُورَةٍ مِثْلِهِ } الْآيَةُ ثُمَّ كَرَّرَ فِي قَوْلِهِ: ۚ {وَإِنْ كَنْتُمْ فِي رَيْبٍ مِمَّا نَزَّلْنَا عَلَيَ عَبْدِنَا فَأَتُوا بِسُورَةٍ مِثْلِهِ ﴾ الْآيَةُ ثُمَّ كَرَّرَ فِي قَوْلِهِ: ۚ {وَإِنْ كَنْتُمْ فِي رَيْبٍ مِمَّا نَزَلْنَا عَلَيْهِمْ بِاظْهَارِ الْعَجْزِ بِسُورَةٍ مِنْ مِثْلِهِ ﴾ الْآيَةُ فَلَمَّا عَجَزُوا عَنْ مُعَارَضَتِهِ وَالْإِثْيَانِ بِسُورَةٍ مِنْ مِثْلِهِ ﴾ الْآيَةُ فَلَمَّا عَجَزُوا عَنْ مُعَارَضَتِهِ وَالْإِثْيَانِ بِسُورَةٍ مِنْ مِثْلِهِ كَاللَّهُ وَالْمِثْنَاقُوا بِمُؤْلِقُهُ مِنْ مِثْلِهِ وَلُو كَانَ بَعْضُهُمْ لِبَعْضٍ ظَهِيراً ﴾ ... وَإِعْجَازِ الْقُرْآنِ فَقَالَ: {قُلْ لَئِنِ اجْتَمَعَتِ الْإِنْسُ وَالْجِنُّ عَلَى أَنْ يَأْتُوا بِمِثْلِ هَذَا الْقُرْآنِ لَا يَأْتُونَ بِمِثْلِهِ وَلُو كَانَ بَعْضُهُمْ لِبَعْضٍ ظَهِيراً ﴾ when the Prophet (saw) brought the challenge to them, they were the most eloquent rhetoricians so he challenged them to produce the like of the Quran. Many years passed and they were unable to do so. Allah (swt) says, ﴿ فَلْيَأْتُوا بِحَدِيثٍ مِثْلِهِ إِنْ كَانُوا صَادِقِينَ ﴾ "Let them then produce a recitation similar to it if indeed they are truthful." [TMQ Surah At-Tur 52:34]. Then, they were هَأَمْ يَقُولُونَ اقْتَرَاهُ قُلْ قَأْتُوا بِعَثْسُ سُوَرِ , challenged to produce ten chapters like it, where Allah (swt) says Say, bring" مِثْلِهِ مُفْتَرَيَاتِ وَادْعُوا مَنِ اسْتَطَعْتُمْ مِنْ دُونِ اللَّهِ إِنْ كُنْتُمْ صَادِقِينَ فَالَّمْ يَسْتَجِيبُوا لَكُمْ فَاعْلَمُوا أَنَّمَا أُنْزِلَ بِعِلْمِ اللَّهِ ﴿ then ten chapters like it and call upon whomever you can besides Allah (swt) if you are truthful." [TMQ Surah Hud 11:13]. Then, they were challenged to produce a single surah, where Allah (swt) says, ﴿أَمْ يَقُولُونَ افْتَرَاهُ قُلْ فَأَتُوا بِسُورَةٍ مِثْلِهِ﴾ (Or do they say he [i.e., the Prophet] has forged it? Say, bring a chapter like it and call upon whomever you can besides God, if you are truthful..." [TMQ Surah Yunus 10:38]. When they [Arabs] were unable to produce a single

surah like the Quran, despite there being the most eloquent rhetoricians found amongst them, their inability to meet the challenge made clear the inimitability of the Quran. Allah (swt) said, وَقُلُ الْقُرْآنِ لَا يَأْتُونَ بِمِثْلِهِ وَلَوْ كَانَ بَعْضُهُمْ لِبَعْضٍ ظَهِيراً ﴿ Say: if all of humankind and the jinn gathered together to produce the like of the Quran, they could not produce it—even if they helped one another..." [TMQ Surah Al-Isra'a 17:88].

The Failure of the Experts in Arabic Linguistics in the Time of the Prophet Muhammad (saw)

Despite the presence of a multitude of linguistic experts, in both poetry and prose, the challenge of the Quran could not be met. Imam Al-Baqillani states, وحير العرب لما سمعوه، وحير العرب لما سمعوه، وحير العرب لما المعود، ولاء وحيل التعليم وعقولهم بسحر بيانه، وروعة معانيه، ودقة ائتلاف الفاظه ومبانيه، فمنهم من آمن به ومنهم مكفر، وافترقت كلمة الكافرين على وصفه، وتباينت في نعته، فقال بعضهم، هو شعر، وقال فريق: إنه سحر، وزعمت طائفة أنه أساطير الاولين اكتتبها محمد، فهي تملى عليه وصفه، وتباينت في نعته، فقال بعضهم، هو شعر، وقال فريق: إنه سحر، وزعمت طائفة أنه أساطير الاولين اكتتبها محمد، فهي تملى عليه علم المورن. ومناه وقال فريق: إنه سحر، وقال فريق: إنه سحر، وقال فريق: إنه سحر، وقال فريق: إنه سحر، وقال فريق: الله الله المولين اكتتبها محمد، فهي تملى عليه عليه قوم أخرون. ومناه واعانه عليه قوم أخرون. وأصيلا، وذهب قوم أنه إفك افتراه وأعانه عليه قوم أخرون. والمولين المولين اكتتبها محمد، فهي تملى عليه ومناه أله المولين المولي

When the Arabs would listen to the Noble Quran, they were overwhelmed by the supreme majesty of its eloquence. Even the master of Arabic linguistics, al-Walid ibn al-Mughira, who had heard the Prophet (saw) reciting the Quran, said, والله ما منكم رجل أعرف بالأشعار مني ولا أعلم برجزه وقصيده والله ما منكم رجل أعرف بالأشعار مني ولا أعلم برجزه وقصيده وإنه ليعلو وانه لمورق أعلاه مغدق أسفله، وإنه ليعلو مني والله ما يشبه الذي يقوله شيئاً من هذا، والله إن لقوله الذي يقوله لحلاوة وإن عليه لطلاوة، وانه لمورق أعلاه مغدق أسفله، وإنه ليعلى عليه ولا يعلى عليه "By Allah! There is not a man amongst you who is more well-versed in poetry than me, or has more knowledge of its poetic meter (رَجَز) rajaz) or qasid (عَصِيد) poem with tripartite structure) than me! I swear by Allah! There is nothing that resembles what he says in the least. By Allah in the speech that he utters there is a sweetness and in it there is elegance. At its highest, it is fresh green and verdant, whilst at its lowest, it is copious and abundant. Verily it is the highest and nothing is higher than it." This admission is despite the fact that al-Walid persisted with his kufr through arrogance.

It is to be considered that the foremost of Arabic linguists in human history, existed in the time of the Prophet Muhammad (saw). No-one has ever produced even one surah like that of the Quran and the most knowledgeable did not even attempt to do so.

The Inimitable Style of the Miraculous Quran

In his book, The Miracle of the Quran (إعجاز القرآن), Imam Al-Baqillani (الباقلاني) stated, تأليف القرآن) stated, إعجاز القرآن) the composition (ta'leef) of the Noble Quran was unprecedented (badee'), its characterization (waSaf) was supernatural (ghareeb) and its literary form (nazm) was extraordinary (ajeeb).

الفطابي) said in "The Clarification of the Miracle of the Quran (الخطابي)," that, القرآن إنما صار معجزًا لأنه جاءَ بأفصح الألفاظ في أحسن نظوم التأليف مضمنًا أصح المعاني)," that, القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن نظوم التأليف مضمنًا أصح المعاني (القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ وي أحسن نظوم التأليف مضمنًا أصح المعاني), "that, القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن نظوم التأليف مضمنًا أصح المعاني)," that, القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن نظوم التأليف مضمنًا أصح المعاني (القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن المعاني (القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن المعاني (القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن المعاني (القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن المعاني (القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن القرآن إنما صار معجزًا لأنه جاء بأفصح الألفاظ في أحسن القرآن إلفاظ في أحسن القرآن إلفاظ في أصل القرآن إلفاظ في ألفاظ في أصل القرآن إلفاظ في أصل القرآن إلفاظ في ألفاظ في أ

In his book, *Proficiency in the Knowledge of Quran* (الإِتقان في علوم القرآن), Imam as-Sayyuti describes how the Quran's, الإِتقان في علوم القرآن "style "وَبَلَاغَةِ أُسْلُوبٍ تَبْهَلُ الْعُقُولَ وَتَسْلُبُ الْقُلُوبَ وَإِعْجَالُ نَظْمٍ لَا يَقْدِلُ عَلَيْهِ إِلَّا عَلَّامُ الْغُيُوبِ "style (usloob) of expression astounded intellect and overwhelmed hearts, whilst the miracle of the literary form (nazm) that no one is capable except the Knower of the Unseen."

The words (alfaaz أسلوب), style (usloob أسلوب) and intents (maramin مرام) of the ayaat completely captivates the emotions of man. The Miracle of the Quran is clearest in its eloquence (faSaaHah فَصَاحَةٌ) and expression (balaaghah (أبلاغَةُ)

It is said of eloquence (faSaaHah), سلامة الألفاظ من اللَّحْن والإبهام وسوءِ التَّأليف "the words are free from grammatical mistake, ambiguity and poor composition."

الله said of the knowledge of expression (balaaghah), عِلْمُ الْمَعانِي والبَيانِ والبَديعِ "Knowledge of expression: knowledge of meanings, elucidation and rhetoric." Knowledge of meanings (m'aanee) encompasses meanings contained within words, enabling the selection of the linguistic structure, that most appropriately depicts the meaning of the concept. Knowledge of elucidation (bayyan) deals with principles related to the different intents of sentences, matching the wording with the listener, appropriate to his circumstances. Knowledge of rhetoric (badee') deals with the aesthetic amplification of speech, through both meaning and wording, to strengthen its impact through vividness.

Style is when the meaning is arranged in coordinated words. Style is the way to depict the meanings graphically, in linguistic expressions. The style of the Quran has clarity (wuduh وضوح), intensity (quwwah فوة) and vividness (jamal جمال) that is inimitable by humankind. Its literary form (nazm) does not follow the standard method of the Arabs and is inimitable. In its nazm, the Quran does not adhere to anything from the types of poetry and prose that the Arabs had established.

The Clarity (WuduH وضوح) in the Miraculous Style of the Quran

The clarity of the style comes from the prominent manifestation of the intended meaning, using its most appropriate expression. Allah (swt) said, هُوَقَالَ اللَّذِينَ كَفَرُوا لَا تَسْمَعُوا لِهَذَا الْقُرْآَنِ وَالْغَوْا فِيهِ لَعَكُمُ "And those who disbelieve say: "Do not even listen to his Quran, drowning it out, so that you may prevail." [TMQ Surah Fussilat 41: 26]. In his tafsir of this ayah, Ibn Kathir stated, وكانوا إذا تلي عليهم القرآن أكثروا اللغط والكلام في غيره، حتى لا يسمعوه And when the Quran was recited to them, they used to increase yelling and speech about other things, so that they would not hear."

الْمُكَاءُ وَالتَّصْفِيرِ، وَتَخُلِيطٌ مِنَ , drowning it out," Imam Mujahid commentated, ﴿ وَالْغُواْ فِيهِ ﴾ "drowning it out," Imam Mujahid commentated ﴿ وَالْغُواْ فِيهِ ﴾ "whistling, hooting and heckling the Messenger of Allah (saw) when he recited Quran, which is what the Quraysh did." Ibn Abbas (ra) made commentary that it is عيبوه "blotting it out."

Indeed, the Arabs in their mastery were stricken by the clarity of the Quran, compelled to avert their very hearing, lest they were overcome.

الشرفه من كتاب Al-Baqillani comments regarding the striking clarity of the Noble Quran, يتضمن صدق متحمله، ورسالة تشتمل على قول مؤديها. بين فيه سبحانه أن حجته كافية هادية، لا يحتاج مع وضوحها إلى بينة تعدوها، أو يتضمن صدق متحمله، ورسالة تشتمل على قول مؤديها. بين فيه سبحانه أن حجته كافية هادية، لا يحتاج مع وضوحها إلى بينة تعدوها، أو "What is the most honorable of a Book that includes the truthfulness of its bearer, and a Message that includes the words of the Guide. He, Glory be to Him, clarified His argument sufficiently for guidance. In light of its clarity (wuduH), it does not need further clarifying evidence or elaborating argument. Deviation from it is like abandoning necessities and is uncertainty over the obvious."

The Intensity (Quwwah) in the Miraculous Style of the Quran

Arabic is not only a grammatically intricate and precise language, it is a phonetic language, where words convey their meaning precisely through the way they sound, as well as their meaning.

The intensity (quwwah) of the style of the Noble Quran is by the inimitable choice of words which are compatible with the meaning they give.

The delicate (raqeeq رَقِيق) meaning is expressed, by the delicate-sounding word. Allah (swt) said, ﴿ وَيُسْفُونَ فِيهَا كَأْسًا كَانَ مِزَاجُهَا زَنْجَبِيلًا (17) عَيْنًا فِيهَا تُسْمَىٰ سَلْسَبِيلًا ﴿ And they will be given to drink there a cup (of wine) mixed with Zanjabil (ginger, etc.), and a spring there, called Salsabil." [TMQ Surah Al-Insaan 76: 17-18].

The meaning of abundance (jazal جَزُل) is expressed with the abundant to the ear. Allah (swt) said, إِنَّ جَهَنَّمَ كَاتَتْ مِرْصَادًا (21) لِلطَّاغِينَ مَآبًا (22) لَاَبِثِينَ فِيهَا أَحْفَابًا "Truly, Hell is a place of ambush, a dwelling place for the transgressors. They will abide therein for ages." [TMQ Surah An-Naba 78: 21-23].

The reprehensible (mustankar مُسْتَنْكَر) meaning is expressed with the word that is reprehensible to the hearing. Allah (swt) said, ﴿ إِنَّ أَنْكَرَ الْأَصُوَاتِ لَصَوْتُ الْحَمِيرِ "Verily, the harshest of all voices is the voice (braying) of the ass." [TMQ Surah Lugmaan 31: 19]

The Vividness (Jamal) in the Style of the Quran

As for the vividness (jamal) of the uslub (style), it is in the choice of the purest and most appropriate expressions, for the meanings they convey, along with other words and meanings that complement these meanings, whether in the same sentence or accompanying sentences, conveying the most evocative depictions and compelling visualizations.

Allah (swt) said, الْأَمَلُ اللهُ الْأَمَلُ اللهُ الله (2) الله (2) الله (2) الله (4) "Perhaps (often) will those who disbelieve wish that they were Muslims. (2) Leave them to eat and enjoy, and let them be preoccupied with (false) hope. They will come to know." [TMQ Surah Al-Hijr 5: 2-3].

والمنادى على نفسه بتميزه، , Imam Al-Baqillani said of jamal regarding the speech of the Quran, والمنادى على نفسه بتميزه، واعتراضه في حسنه ومائه "proclaiming its distinctiveness by itself, its uniqueness in its brilliance and its vividness (jamal), and its display of its perfection and fluency." Imam Al-Baqillani added, فكل كلمة لو أفردت كانت في الجمال غاية "Every word, even if it were singled out, is in vividness (jamal) of the ultimate degree."

التصور الفني في إلى التعبير: {وَلُو تَرَى إِذِ الْمُجْرِمُونَ نَاكِسُو رُءُوسِهِمْ عِنْدَ رَبِّهِمْ}. هذا التعبير الذي Syed Qutb said, القرآن فانظر إلى تعبير جميل كهذا التعبير: {وَلُو تَرَى إِذِ الْمُجْرِمُونَ نَاكِسُو رُءُوسِهِمْ عِنْدَ رَبِّهِمْ}. هذا التعبير الذي التعبير الشدة وضوحها، وانظر إلى تعبير جميل كهذا التعبير: {وَلُو تَرَى إِذِ الْمُجْرِمُونَ نَاكِسُو رووسهم" وعند من؟ "عند ربهم" فيخيل للسامع أنها حاضرة لا متخيلة. هذه الصورة للهول لا تساوي من باحث وتسجيل هيئتها "ناكسو رووسهم" وعند من؟ "عند ربهم" فيخيل للسامع أنها حاضرة لا متخيلة. هذه الصورة للهول لا تساوي من باحث وقل شرّى إِذِ الْمُجْرِمُونَ نَاكِسُو رُءُوسِهِمْ so just consider the vivid expression, as in this expression (in disgrace) before their are like of the wicked hanging their heads (in disgrace) before their عِنْدَ رَبِّهِمْ If only you could see the wicked hanging their heads (in disgrace) before their عِنْدَ رَبِّهِمْ If only you could see the wicked hanging their heads (in disgrace) before their Lord." It depicts these criminals as looming figures, that overwhelm the imagination. The eyes can almost see the form, because of the strength in clarity (wudooh), as well as the registration of their form as عَنْدُ رَبِّهِمْ "hanging their heads." And before whom? عَنْدَ رَبِّهِمْ "before their Lord." So the listener conceives that it is in the current time, and not imaginary. This image of abject horror has no equivalent for the researcher in elucidation (balaaghah ".)."

The Literary Form of the Noble Quran

The Noble Quran confounded the experts in Arabic linguistics over its genre (tiraaz إَشِر) of expression, unlike the known forms of poetry (شِعْر) and prose (اَنْشُ). It has confounded all of humankind until today. In his book, *Proficiency in the Knowledge of Quran* (الإِثقان في علوم القرآن), Imam as-Sayyuti spoke of, الْإِثقان في علوم القرآن عَلَيْهِ إِلَّا عَلَّامُ الْغُيُّوبِ "the miracle of the literary form (nazm) that no one is capable of, except the Knower of the Unseen."

In its literary form (nazm), the Noble Quran does not follow the standard method of symmetrical-rhythmic poetry (as-shi'r al-mawzun al-muqaffa (الشِعْر المَوْزُون المُقَفَّى).

As for the forms of prose, the Noble Quran is not within the method of free, unrhymed prose (an-nathr al-mursal النَثْر المُرْسَل). The Quran is not within the human method of an-nathr al-muzdawij (duplicated resemblance to rhymed and free prose النَثْر المُرْدَوج المعلى (النَثْر المُرْدَوج المعلى). The muzdawij is a method described as, هذا الأسلوب على تقسيم العبارات، وبراعة الموازنة بين الجمل؛ إذ تتعادل فيه الألفاظ، وتزدوج الجمل (This method is based on the division of phrases, the skill of balancing sentences. The words are in equilibrium and the sentences are duplicated in a regular arrangement, in accordance to brevity (eejaaz إليجاز (إيجاز), equalization (musawaah مُسَاوَاة and redundancy (iTnaab إلطناب), whatever the case may be." And the Quran is not imitable in the method of rhymed prose (an-nathr al-masjooh).

The Noble Quran is a unique composition, which the Arabs had never come across before and could not match. The fact that the Noble Quran is of a special genre and a unique structure is clear in every respect, whilst it clarifies, evokes and depicts in a manner that cannot be matched by humankind.

A Unique Form of Prose that is Similar to Poetry But is Not Poetry

The Noble Quran does contain prose (nathr نثر) that has similarity to poetry (sh'ir شعر). However, it is not poetry and remains a unique form of prose. The Noble Quran says, ﴿وَيُخْرِهِمْ (Allah) will disgrace them and give you victory over them

and heal the breasts of a believing people." [TMQ Surah At-Tawba 9: 14]. The Noble Quran says, إِنْ تَتَالُوا الْبِرَّ حَتَّى تُتُلُوا الْبِرَّ حَتَّى تُتُلُوا الْبِرَّ حَتَّى تُتُلُوا الْبِرَ حَتَى تَتُلُوا الْبِرَ حَتَّى تَتُلُوا الْبِرَ حَتَّى تَتُلُوا الْبِرَ حَتَّى تَتُلُوا الْبِرَ حَتَى تَتُلُوا الْبِرَ حَتَى الله words of prose contained in the two ayaat can be presented in the form of couplets, as in poetry. From the first ayah, the words can be presented as, وينصركم عليهم، ويشف صدور قوم مؤمنين. From the second ayah, the words can be presented as, الن تنالوا البر حتى، تنفقوا مما تحبون. Instead they are in fact a type of prose (نَثُر) which is unique and inimitable.

Then, there is also the following type of Quranic prose, which is far from poetry, in every respect, رَا اللَّهُ الللَّهُ اللَّهُ الللللَّهُ اللَّهُ اللللَّ الللَّهُ اللَّهُ اللَّهُ اللَّهُ الللللِّهُ الللللِّهُ الللللِّ

Lengthening and Shortening of the Fikrah and Nafas in the Literary Form of the Noble Quran

The Noble Quran has written passage (fikrah فِقُونَ) which is sentence and clause formation. The lengthening or shortening of the passage is varied in the written form. Accompanying the written form is the discipline of breathing cessation (nafas نَفُس), during the recitation, in which the Qari recites, within a single breath.

Within the Noble Quran there is a form of prose in which the both the passage (وَقُرَا أَلْسَلْتُنَا مِنْ رَسُولٍ إِلَّا لِيُطْاعَ بِإِذْنِ اللَّهِ وَلَوْ أَنَّهُمْ إِذْ ظَلَمُوا أَنْفُسَهُمْ جَاءُوكَ فَاسْتَغْفَرُوا اللَّهَ وَاسْتَغْفَرُ وَاللَّهَ وَاللَّهَ وَاللَّهُ وَلَوْ أَنَّهُمْ إِذْ ظَلَمُوا أَنْفُسَهُمْ جَاءُوكَ فَاسْتَغْفَرُوا اللَّهَ وَاسْتَغْفَرُ وَاللَّهَ وَاللَّهُ وَالل

The Rhymed Prose in the Literary Form of the Noble Quran

The Noble Quran is rhetorically inimitable in what resembles rhymed prose (an-nathr al-masjooh وَالنَّشُ الْمَسْجُوعُ (2)). So it says, (5) وَالرَّبِكُ فَطَهِرُ (4) وَالرُّجْزَ فَاهْجُرُ (5) وَلَا تُعْنُن سَنْتَكُثْرُ (6) وَالرَبِكَ فَاصْبِرْ (7) وَرَبَّكَ فَاصْبِرْ (8) وَلَا تَعْنُن سَنْتَكُثْرُ (6) وَالرَبِكَ فَاصْبِرْ (9) وَالرَبِكَ فَاصْبِرْ (1) وَالرَبِكِ فَاصِيرِ (1) وَالرَبِكِ فَاصْبِرْ (1) وَالرَبِكِ فَاصِيرِ إلَّهِ الرَبِعِيرِ (1) وَالرَبِكِ فَاصِيرِ إلْكُولِ أَلْوَالْمِلْمِ الْعَلَيْدِ الْعِلْمِ الْعَلَيْدِ الْعِلْمِ الرَبِعِلَى الْعَلَمِ الرَبِعِلَى الْعَلَمُ الْعَلَمُ الْعَلَمُ المَالِي الرَبْعِلَ الرَبِعِلَى الرابِعِلَى المَالِي المِنْتِلِي المَالِي المَالِي الرابِعِلَى الرابِعِلَى المَالِي المَالِي المَ

The Noble Quran is inimitable in what resembles an-nathr al-muzdawij (duplicated resemblance to rhymed and free prose النَشُ اللهُوْدَوِج (1) حَتَّىٰ زُرْتُمُ (1) حَتَّىٰ زُرْتُمُ (1) حَتَّىٰ زُرْتُمُ (1) عَلَّا اللهُ اللهُوْدَ اللهُوْدَ (1) عَلَّا اللهُ اللهُوْدَ (1) عَلَّا اللهُ اللهُوْدَ (1) عَلَّا اللهُ اللهُوْدَ (1) عَلَّا اللهُ اللهُ

Within what resembles human izdiwaj, the Quran flawlessly elongates the linguistic construction, astounding the listener, (19) مِنْ أَعْلَمُ خُلْقَهُ (18) مِنْ أَعْلَمُ خُلْقَهُ (18) مِنْ أَعْلَمُهُ (18) مِنْ أَعْلَمُ (18) مِنْ أَعْلَمُ (18) مِنْ أَعْلَمُ (18) مِنْ أَعْلَمُ (20) مُثَمَّ الْمُسَانُ مَا أَمْرَهُ (20) فُلْتِسَانُ مِنْ أَعْلَمُهِ (21) ثُمُّ الْسَيْلِ يَسَرَهُ (20) فُلْتِسَانُ إِلَىٰ طَعَامِهِ (20) ثُمُّ السَّيِلِ يَسَرَهُ (20) ثُمُّ الْسَيْلِ يَسَرَهُ (20) ثُمُّ الْسَيْلُ يَسَرَهُ (20) ثُمُّ أَمَاتَهُ فَأَقْبَرَهُ (26) ثَمُّ الْشَاءُ أَنْشَرَهُ (22) وَعَنبًا وَقَصْمُا (28) وَرَيْتُونُكُ وَنَعْرُهُ (29) وَحَدَائِقَ غُلْبُ (30) ثُمُّ اللهُ اللهُ وَاللهُ وَاللّهُ وَاللّهُ وَاللّهُ وَاللّهُ وَاللّهُ وَاللّهُ وَاللّهُ وَاللهُ وَاللّهُ وَاللهُ وَاللّهُ وَاللّهُ وَاللّهُ وَاللّهُ وَلِلللهُ وَلَا اللّهُ وَاللّهُ وَا

Uniquely, the Noble Quran proceeds in a certain form of rhyming and then will fluently become another type of rhymed prose. So whilst proceeding in the rhyme of the following noble "Then, when the Trumpet is" ﴿ فَإِذَا نُقِرَ فِي النَّاقُورَ (8) فَذَلِكَ يَوْمَئِذِ يَوْمٌ عَسِيرٌ (9) عَلَى الْكَافُرِينَ غَيْرُ يَسِيرِ sounded; Truly, that Day will be a hard day. Far from easy for the disbelievers." [TMQ Al-Muddathir 74: 8-10], the Quran then abandons the previous rhyming, for a new rhyming, in the ﴿ ذُرْنِي وَمَنْ خَلَقْتُ وَحِيدًا (11) وَجَعَلْتُ لَهُ مَالًا مَّمْدُودًا (12) وَبَنِينَ verse immediately after it. The Quran states, Leave Me" شُهُودًا (13) وَمَهَّدتُ لَهُ تَمْهِيدًا (14) ثُمَّ يَطْمَعُ أَنْ أَزِيدَ (15) كَلَّا ۖ إِنَّهُ كَانَ لِآيَاتَنَا عَنيدًا (16) سَأُرْهِقُهُ صَعُودًا Alone (to deal) with whom I created Alone! And then granted him resources in abundance. And children to be by his side! And made life smooth and comfortable for him! After all that he desires - that I should give more; Nay! Verily, he has been stubborn and opposing Our Ayaat (signs/proofs). I shall oblige him to face a severe torment!" [TMQ Al-Muddathir 74: 11-17]. Then the Quran moves from this type of rhyming to yet another type, in the verse that ﴿إِنَّهُ فَكَرَ وَقَدَّرَ (18) فَقُتِلَ كَيْفُ قَدَّرَ (19) ثُمَّ قُتِلَ كَيْفٌ قَدَّرَ (20) ثُمَّ نَظُرُ (21) ثُمَّ نَظُرُ (21) ثُمَّ نَظُرُ اللهِ immediately follows it. So it says, "Verily, he thought and plotted; So let him be cursed, how he plotted! وَبَسَرَ (22) ثُمَّ أَدْبَرَ وَاسْتَكْبَرَ Then he thought; Then he frowned and he looked in a bad tempered way; Then he turned back and he was proud." [TMQ Al-Muddathir 74: 18-23]

Indeed, the Noble Quran astonished the foremost Arabic linguists throughout the ages. It resembles the linguistic forms of humans, but it is inimitable in those very forms, frustrating all those who tried, whilst the most capable did not even dare to try.

The Combination between the Expression and the Literary Form in the Noble Quran

Indeed, the style of the Quran has clarity (wuduh), intensity (quwwah) and vividness (jamal) that man cannot match. In addition, it has a literary form whose shortening, elongation and rhythm is inimitable by all of humankind. The Noble Quran combines the meanings, elucidation and rhetoric, with the literary form in an astounding combination.

When the meaning is delicate (raqeeq رَفِيق), the Noble Quran uses delicate sounding words, within softly flowing (salis سَلِس) sentences. The Noble Quran says, إِنَّ لِلْمُتَقِينَ مَفَارًا (31) حَذَائِقَ وَأَغْنَابًا (33) (32) "Verily, for the pious, there will be a success (31) Gardens and vineyards (32) And maidens of equal age (33) And a full cup (of wine) (34)." [TMQ Surah an Naba' 78:31-34]

When the meaning is abundant (خَرْل), the Noble Quran uses grandiose (fakhm ﴿ فَحْمُ عَانَتُ مِرْصَادًا (21) لِلطَّاغِينَ (21) (21) (21) ﴿ إِنَّ جَهَنَّمَ كَانَتُ مِرْصَادًا (21) لِلطَّاغِينَ (23) جَزَاءً وِفَاقًا (24) ﴿ اللَّهُ عَانَتُ مِرْصَادًا (25) لَا يَدُوقُونَ فِيهَا بَرْدًا وَلَا شَرَابًا (24) إِلَّا حَمِيمًا وَغَسَاقًا (25) جَزَاءً وِفَاقًا place of ambush, a dwelling place for the Taghun (Those who transgress the limits set by Allah). They will abide therein for age, nothing cool shall they taste therein, nor any drink.

Except boiling water, and dirty wound discharges. An exact recompense (according to their evil crimes)." [TMQ Surah An-Naba' 78: 21-26].

The meaning is accompanied with forms of expression that amplify the meanings, within a literary form whose rhythm moves the soul. That is why the Noble Quran evokes such powerful emotions in the listener. As for the one who is aware of the meaning, the Quran amplifies the meanings with the the eloquence of its elucidation and rhetoric. It incites a deep sense of awe, such that some of the foremost Arab linguists almost prostrated before it, despite obstinate persistence in their disbelief.

The Precise Attention to Letters (حُرُوف) and their Manner of Phonetic Articulation (Makhaarij مَخارِج), within Words and Sentences

When placing letters together, the Noble Quran gives inimitable precise attention to the sounds (sounds أَصُوات) that come out from their manner of articulation (مَخارج).

Makharij are the articulation points for the pronunciation of letters. They are defined according to the movement of the mouth or throat (oropharynx) that originate the sound of the letter. Mukharij identify the correct positioning of the organs of speech, so that the letter becomes distinct from others. The correct use of makharij is essential to tajweed of the Noble Quran.

In the Noble Quran, letters that have closeness in articulation (tuqaarib الْقَالُ are placed close to each other, in a word or in a sentence. So in the noble ayah, ﴿ وَ كَصَيِّبٍ مِنَ السَّمَاءِ فِيهِ "Or like a rainstorm from the sky." [TMQ Surah al-Baqarah 2:19]. The Quran does not say, كَالبَاعِقُ (kal ba'iq a-mudfiq) "like incessant rain." Instead it says, المُتْدَقِقُ (kasayyib) "like a rainstorm." The Noble Quran says, عَالِيَهُمْ ثِيّابُ سُنُدُسٍ خُصْرٌ وَإِسْتَئِرَقُ وَإِسْتَئِرَقُ (وَإِسْتَئِرَقُ اللهُ عَالِيهُمْ ثَيِّابُ سُنُدُسٍ خُصْرٌ وَإِسْتَئِرَقُ (wpon them will be garments of green fine silk." [TMQ Surah Al-Insaan 76:21]. It uses المُعْخَع instead of المُعْخَع equivalent, but does not maintain closeness in articulation.

When there is distance between the points of articulation (tubaa'ud ثَبَاعُد), they are separated by a letter which eliminates any clumsiness in the transition. When it is necessary to use letters with distance in articulation, that are the most appropriate for the meaning that is to be conveyed, the Noble Quran does so, with precision. So the Quran says, ﴿ يَٰكُ إِذًا فِسْمَةُ ضِيزَى "If so, it is an unjust division." (TMQ Surah an Najam 53:22), the Quran uses ضِيزَى "deeza" rather than its synonyms خَالِيَهُ (zaalima) and جَائِرُ (jaa'irah).

Along with the precision regarding articulation, the Noble Quran makes a particular letter pleasant (muhabbab مُخَبُّن) in articulation and light (khafeef غُفِيفُ) upon the ears, when repeated, like the harmonic refrains in a reading of poetry. The letter which is in a harmonic refrain is clearly found in verses, with frequency.

[اللّهُ لاَ هُوَ الْحَيُّ الْقَيُّومُ ۚ لاَ تَأْخُذُهُ سِنَةٌ وَلاَ نَوْمٌ ۚ لَهُ مَا فِي السّمَاوَاتِ وَمَا فِي الْأَرْضِ ۗ مَن ذَا الَّذِي يَشْفَعُ عِندَهُ إِلّا بِاثْنِه ۚ يَغْلَمُ مَا بَيْنَ أَيْدِيهِمْ اللّهُ اللّهُ وَلا يَثُودُهُ عِندَهُ إِلّا بِاثْنِه ۚ يَغْلَمُ مَا بَيْنَ أَيْدِيهِمْ وَلا يَثُودُهُ عِندَهُ إِلّا بِمَا شَاءَ ۚ وَسِعَ كُرْسِيّةُ السّمَاوَاتِ وَالْأَرْضَ ۖ وَلا يَثُودُهُ حِفْظُهُمَا ۚ وَهُوَ الْعَلِيُ الْعَظِيمُ الْعَلِيمُ الْمُظَلِّمُ مَا فَي السّمَاوَاتِ وَالْأَرْضَ ۖ وَلا يَثُودُهُ حِفْظُهُما ۚ وَهُوَ الْعَلِي الْعَظِيمُ الْعَظِيمُ الْعَلَيْمُ الْعَلَيْ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْ الْعَلَيْمُ اللّهُ السّمَاوَاتِ وَالْأَرْضَ ۖ وَلا يَثُودُهُ حِفْظُهُما ۚ وَهُوَ الْعَلِي الْعَلَيْمُ مَا بَيْنَ أَيْدِيهِمْ وَلا يَعْرَفُونَ الْعَلَيْ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ اللّهُ السّمَاوَاتِ وَالْأَرْضَ ۖ وَلا يَثُودُهُ مِفْظُهُما وَهُو الْعَلِي السّمَاوَاتِ وَالْأَرْضَ ۖ وَلا يَثُودُهُ الْعَلَيْ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْ الْعَلَيْمُ الْعَلَيْمُ اللّهُ الْعَلَيْمُ اللّهُ وَلا يَتُودُهُ وَلا يَعْفِي الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ اللّهُ الْعَلَيْمُ الْعَلَيْمُ اللّهُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمِ الْعَلَيْمُ الْعَلَامُ اللّهُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ اللّهُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ اللّهُ الْعَلَيْمُ اللّهُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلِي الْعُلِي الْعَلَيْمُ الْعَلَيْمُ الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلِي الْعَلَيْمُ الْعَلِي الْعَلَيْمُ

The letter J "lam" is repeated in the Verse of the Throne twenty-three times, in a pleasant harmonic refrain, compelling the listener to hear more.

The Challenge for Today

The Noble Quran is indeed a unique genre (tiraaz طِرَان), inimitable by humankind. It is a miracle, revealed as a challenge to establish the Message of Prophet Muhammad (saw).

The composition of the Quran was overwhelming for the Arabs for twenty-three years. Incapable of meeting the challenge, they resorted to slander, threat, war and exile. Imam Al-Baqillani said, وقال غير هؤلاء وهؤلاء: لو نشاء لقلنا مثل هذا. ولكنهم لم يقولوا هم ولا غير هم لان تأليف القرآن البديع، ووصفه

الغريب، ونظمه العجيب، قد أخذ عليهم منافذ البيان كلها وقطع أطماعهم في معارضته، فظلوا مقموعين مدحورين ثلاثة وعشرين عاما، يتجرعون مرارة الاخفاق، ويهطعون لقوارع التبكيت، وينغضون رؤوسهم تحت مقارع التحدى والتعيير، مع أنفتهم وعزتهم، واستكمال عدتهم وكثرة خطبائهم وشعرائهم، وشيوع البلاغة فيهم، والتهاب قلوبهم بنار عداوته، وترادف الحوافز إلى مناهضته، وعرفانهم أن معارضته بسورة واحدة أو آيات يسيرة أنقض لقوله، وأفعل في إطفاء أمره، وأنجع في تحطيم دعوته، وتفريق الناس عنه - من مناجزته، Yet others said if only we could" ونصبهم الحرب له، وإخطارهم بأرواحهم وأموالهم، وخروجهم عن أوطانهم وديارهم express something similar to it. However, they did not say that, nor did others, because of the wonderful composition of the Quran, its extraordinary characteristic and its astonishing arrangement. It seized upon them with all forms of expression and stifled their ambition to oppose it. For twenty-three years, they remained quelled and defeated, drenched in abject failure, with their heads bowed down before the onslaught of challenge and confrontation. This was all despite their nobility and pride, not lacking in numbers, the large number of their preachers and poets, the prevalence of eloquence among them, the burning of their hearts within the fire of enmity and the confluence of motives to oppose him (saw). This was all with their knowledge that opposing him (saw) with a single surah or a few verses would refute his (saw) saying. Such an opposition would be more effective in extinguishing his affair, destroying his Da'wah and separating the people from him than defiance of him, waging war upon him (saw), threatening lives and wealth and expulsion from homes and exiling from lands."

Moreover, the challenge of the Noble Quran is not specific to those whom it addressed directly in the time of Muhammad (saw), at the time of Revelation. It is a perennial challenge laid down until the Day of Judgement. This is due to the principle, الْعِبْرَةُ بِعُمُومِ اللَّفْظِ لَا بِخُصُوصِ السَّبَبِ "The expression is in accordance with the generality of the text and not the specificity of the cause (of Revelation)." The Noble Quran previously confounded the Arab elite, despite their hostility. Today, it confounds hostile Western governments. Just like the Arabs of the Days of Ignorance, the Western governments resort to slander, threat and war to suppress the Message, unable to meet the challenge that establishes its Truth (Hag).
