

Musharraf will Answer for his Treason in the Court of Allah (swt).

Would the current rulers take heed?

On 5th of February 2023, after a prolonged illness, Musharraf passed away at a private hospital in Dubai. General Pervez Musharraf assumed authority after a coup on Nawaz Sharif's government in 1999. General Musharraf's rule can be labelled as the worst era of submission to the US. It was General Musharraf who opened the flood gates for formal presence of US military in the region. Musharraf surrendered the 'Strategic Depth' of Pakistan in a single phone call without any protest. Furthermore, Musharraf provided air routes, five military airports, NATO supply line to the US military. Musharraf then bulldozed the nation by initiating a war on terror within Pakistan that consumed the Pakistan military and intelligence and created a substantial divided between the military and civilians, that led to a 20-year bloodbath in the region that continues till date.

Musharraf's hands are soaked with the blood of hundreds of thousands of Muslims. Musharraf massacred the students of Jamia Hafsa and Lal Masjid, and allowed the US military to carry out drone attacks on civilians from the bases and air routes provided. The infamous Black Water and Raymond Davis network setup camp during his era that led bombing campaigns throughout the country. Musharraf also boasted about selling Muslim brothers and sisters for dollars to America, including Dr. Aafia Siddiqui who still languishes in US prisons.

The list of crimes of Musharraf is a long one. He allowed the Indian military to erect fence along the LoC and he crushed and banned the resistance fighters of Kashmir, thus gifting Occupied Kashmir to India as a result. Musharraf set the foundations of a new chapter of treachery, to which his successors have added and continue to do so. Musharraf was the ruler of a capable military with a nuclear arsenal and yet he used the force on his own people in order to submit himself to securing the interests of US. These are clear violations of the laws of Allah (swt) and open declaration of treachery against Him. The Messenger of Allah (saw) said, « لِكُلِّ غَادِرٍ لُؤَاءٌ » «On the Day of Resurrection every treacherous one will have a standard which will be raised for him according to the amount of his treachery, and no one is more treacherous than the ruler of a community.» [Muslim]

We sincerely advise the current rulers, before Allah (swt) tightens His grip around your necks, stop being a blockade in the path of implementation of the system that was revealed by Allah (swt) and repent for your submission to Western capitalist ideology. The warning of Allah (swt) is clear, ﴿إِنَّ بَطْشَ رَبِّكَ لَشَدِيدٌ﴾ “Indeed, the ‘crushing’ grip of your Lord is severe.” [TMQ Surah Al-Buruj 85:12]
