

The Turkish Regime and the Hamas Leadership Do Not Care for the Shariah Rulings, Wasting the Blood of Millions of Martyrs

(Translated)

News:

Turkish Foreign Minister, Mevlüt Çavuşoğlu, said on Thursday 23 June that Turkey and 'Israel' have begun work to restore diplomatic relations between them, at the level of ambassadors, at a time when the two countries seek to end decades of strained relations. Yair Lapid visits Ankara after the warming of relations for months, and Mevlüt Çavuşoğlu said that he and Lapid are in close contact regarding the threats against the 'Israeli' citizens in Turkey. Lapid thanked Turkey for helping to thwart an Iranian plot to target 'Israelis' in Istanbul. He said that efforts are still underway. Lapid said, "In the past few weeks, the lives of Israeli citizens have been saved thanks to the security and diplomatic cooperation between Israel and Turkey" (Reuters).

In related news, Hamas decided to resume its relations with the Syrian regime, ten years after its leadership boycotted Damascus because of its opposition to the regime's president, Bashar al-Assad's campaign against an uprising against the government. According to Reuters news agency, quoting two sources in the movement and an official in the movement, who requested anonymity, stated that "the two sides held meetings at high leadership levels to achieve this," and two officials in the movement said that Hamas "made a unanimous decision to restore the relations with Syria." (Reuters).

Comment:

The head of kufr, America, the master of the regime in Syria and the parent of the Jewish entity in the blessed land of Palestine, despaired in finding an alternative to the Syrian regime, headed by the criminal Bashar al-Assad, with whom the people of Syria would be satisfied. This was after their popular revolution was launched to overthrow the Nusayri secular regime. It was undertaken by the good people of Ash-Sham to establish the ruling by Islam in the land of the Umayyads. So, America began ordering its followers and agents in the region to normalize their relations with the Nusayri regime. The rulers of the region raced to meet the criminal Bashar, secretly and publicly, which means that the return of the Nusayri regime to the Arab League and the presence of the head of the regime at the next Arab League meeting, is almost inevitable.

As stated in the media, and in this context, the leaders of the Islamic Resistance Movement, Hamas, unanimously agreed to normalize with this regime, in order to satisfy America and in compliance with the orders of the killer of the Islamic Brotherhood, Sisi. Sisi's intelligence apparatus received the file of normalizing the relations of the Jewish state, with the resistance factions in Gaza. With this step, the leaders of the movement have followed what the leaders of the Palestinian Liberation Organization and the rulers of Arabs and Muslims followed previously. This is despite the Shariah rulings that forbid loyalty to the kuffar and their criminal aides. It is laying waste to the shedding the blood of more than a million martyrs, who fell victim to this criminal occupying entity. Allah (swt) said, ﴿لَا يَتَّخِذِ الْمُؤْمِنُونَ الْكَافِرِينَ أَوْلِيَاءَ مِنْ دُونِ الْمُؤْمِنِينَ وَمَنْ يَفْعَلْ ذَلِكَ فَلَيْسَ مِنَ اللَّهِ فِي شَيْءٍ﴾ "Believers do

not take disbelievers as guardians instead of the believers. Whoever does so will have nothing to hope for from Allah ﷻ.” [TMQ Surah Aali Imran 3:28].

When America, and with it the state of the Jews, despaired of the Islamic Ummah accepting to normalize relations with the Jewish entity, America ordered the rulers of Arabs and Muslims to ignore public opinion and trample on the Islamic feelings of the Islamic Ummah, against the usurping entity of the Jews. They strove for the gradual normalization of relations with the Jewish entity, blind to the occupation of the land of the Blessed Palestine by the Jews, their abuse of its good people, day and night, and their desecration of the third of the Sacred Masajid. They enacted that as a law in their states and they are still blind to the tyranny of the Jews, which extends until people, stones and trees were not spared from them... Nevertheless, these rulers, led by Turkey’s Erdogan regime, were not ashamed of consolidating relations with the state of the Jews, and even complicity to protect the souls of the corrupters on the earth. So the words of the Messenger of Allah (saw) were borne true in their case, **«إِنَّ مِمَّا أَدْرَكَ النَّاسُ مِنْ كَلَامِ النَّبِيِّ إِذَا لَمْ تَسْتَحْيِ فَاصْنَعْ مَا شِئْتِ»** **“Indeed, from the words of Prophethood that people understand is, ‘If you have no shame, do as you wish.’” [Bukhari]**

As for what drives Arab and Muslim rulers, headed by Erdogan, to normalize with the state of the Jews, and drives Hamas leaders to normalize with America’s agent Bashar al-Assad, in complete disregard of Shariah rulings and public opinion in the Muslim World, is their fear of America, over their fear of Allah (swt) and His punishment, as well as their fear of losing their despicable, self-interests. What prompted America to take these steps is its realization of its inability to uproot the Islamic Iman from the souls of the Ummah, and the concepts that emerged from it of loyalty to Allah (swt) and His Messenger (saw) and denouncing every kafir and agent. The Ummah is not satisfied except with justice and truth, without blemish.

Thus, America struck with its agents against the opinion of Muslims. It advanced on the path of implementing its plans. that would enable the agent regimes and the state of the Jews, to form an alliance. The state of Jews has become a candidate to lead such an alliance made up of these regimes against any sincere movement that would lead the Ummah to liberation from slavery and the establishment of the Islamic Khilafah Rashidah (rightly guided Caliphate) State whose establishment the Messenger of Allah (saw) foretold. However, America, and its subordinates and agents have been disappointed. Moreover, their quest will be thwarted as the portent of the Hereafter will come to be, which mandates the victory of Muslims over the entity of the Jews, along with the followers and subordinates of leaders and agent rulers. And that tomorrow is close to the beholder. The Messenger of Allah (saw) said, **«لَا تَقُومُ السَّاعَةُ حَتَّى تَقَاتِلُوا الْيَهُودَ حَتَّى يَقُولَ الْحَجَرُ وَرَاءَهُ الْيَهُودِيُّ يَا مُسْلِمُ، هَذَا يَهُودِيٌّ وَرَائِي فَأَقْتُلْهُ»** **“The Hour will not come until you fight the Jews, until the stone behind him will say, ‘O Muslim, there is a Jew behind me, so kill him’” [Bukhari and Muslim].**
