

The Jewish State is Being Forced to Return to the House of Obedience to America

(Translated)

News:

“Yair Netanyahu, the son of the “Israeli” Prime Minister, Benjamin Netanyahu, accused the US administration of funding the protests in “Israel” to topple his father's government, so as to reach an agreement with Iran. Mark Reed Levin, a presenter on the American Fox News channel, revealed that the US State Department is involved in financing demonstrations in “Israel,” in an attempt to overthrow the Netanyahu government, with the aim of reaching an agreement with the authorities in Iran. It is noteworthy that, in recent weeks, Yair Netanyahu has spoken in a stern tone against the demonstrators, opposed to his father's government, likening them to the Nazi Stoßtruppen storm troops. The state of the Jews is witnessing a state of division due to the government's efforts to implement a plan that it claims aims to restore balance between the legislative, executive and judicial powers, while the opposition describes the plan as a coup. It accuses the plan of heralding the beginning of the end for Israeli democracy.” ([Translated from Arabic Source](#))

Comment:

In scenes similar to the scenes of the demonstrations of the Arab Spring, the Jewish entity is witnessing widespread protests. The protests included the closure of main roads and the penetration of barriers around the home of the Prime Minister, Benjamin Netanyahu, in occupied Jerusalem. After his decision to dismiss the Minister of Defense, the army raised the state of alert, after losing control within the entity. Thousands of protesters took to the streets yesterday, Sunday 26 March, in Tel Aviv, Jerusalem, Haifa, and other cities, immediately after the announcement of the dismissal of the Minister of Defense, Yoav Gallant. This is after he called on the government to freeze its plan to amend the judicial system, which caused a great division among the Jews. In the government's response, the Knesset's Constitution, Law and Justice Committee canceled the night's deliberations to vote on the judicial amendments. Officials in the Likud party, Netanyahu's party, were quoted as saying that the prime minister may suspend the adoption of the law amending the judicial system.

Misguiding people have always chanted that the Jewish entity is a politically independent entity and that it is a decision-maker, whose dictates America is subject to! These events prove the falsity of their claim. They confirm that the Jewish entity is nothing but a military base that America planted in the heart of the Islamic world, to undermine the Islamic Ummah, as a launch pad to confront any threat to its interests in the region. When some Jews, such as Netanyahu and the extreme right in the entity, thought that they could rebel against the guardian of their favor and the rope of the people that protects them from doom, America wanted to teach them a lesson, awaken them from their delusion, and confirm that the lifeline is firmly in her hand. So that America, as usual, remains far from suspicion, it made balanced statements that appear rational and wise, but in reality they are commands and directives. On 26 March 2023, America's National Security Council Spokesperson, [Adrienne Watson](#), declared “We are deeply concerned by today's developments out of Israel” and added that “We continue to strongly urge Israeli leaders to find a compromise as soon as possible.”

Allah (swt) described the state of the Jews with the most accurate description when He (swt) said, **﴿ضُرِبَتْ عَلَيْهِمُ الذَّلِيلَةُ أَيْنَ مَا تَقِفُوا إِلَّا يَحْبِلُ مِنَ اللَّهِ وَحَبْلٌ مِنَ النَّاسِ وَيَأْخُذُوا بِغَضَبٍ مِنَ اللَّهِ وَضُرِبَتْ عَلَيْهِمُ الْمَسْكَنَةُ ذَلِكَ بِأَنَّهُمْ كَانُوا يَكْفُرُونَ بِآيَاتِ اللَّهِ وَيَقْتُلُونَ الْأَنْبِيَاءَ بِغَيْرِ حَقِّ ذَلِكَ بِمَا عَصَوْا وَكَانُوا يَعْتَدُونَ﴾** **“They will be stricken with disgrace wherever they go, unless they are protected by a covenant with Allah or a treaty with the people. They have invited the displeasure of Allah and have been branded with misery for rejecting Allah's revelations and murdering prophets unjustly. This is for their disobedience and violations.”** [TMQ Surah Aali Imran 3:112]. The Jewish entity cannot be independent of the colonialist powers that created it, from the beginning. It is dependent on the rope of the people. So America will force it to return to the house of its obedience, to complete the dirty role for which it was founded. This matter remains proof to the Islamic Ummah and its armies, whose leaders assert the strength and independence of this monstrous state, that the Jewish entity is a fragile entity, that depends on Western forces for survival. It only needs a handful of sincere men from the military forces to wipe the Jewish entity off the face of the earth, in a day, or part of a day.
