

Banu Saud Rulers, the First and Last of the Conspirators!

(Translated)

News:

In an article by the [New York Times](#), entitled, “Biden Administration Engages in Long-Shot Attempt for Saudi-‘Israel’ Deal” it is reported that, “The president and his aides are pressing an aggressive diplomatic effort as Riyadh makes significant demands in exchange for normalization, including a nuclear deal and a robust U.S. security pact.”

The article added, “For his part, Prince Mohammed is seeking a strengthened security relationship with the United States, access to more American weapons and U.S. consent for the kingdom to enrich uranium as part of a civilian nuclear program — something that Washington has long resisted.”

It also reported, that Martin Indyk, a former U.S. ambassador to the Jewish entity said, “Biden has decided to go for it, and everyone in the administration now understands that the president wants this... When you’re talking about Middle East peace, it takes three to tango.”

Comment:

The Bani Saud and the al-Sheikh family in the Hijaz first allied with the snake Britain to overthrow the Khilafah (Caliphate) State and impose the domination of British colonialism in the Arabian Peninsula, ash-Sham and Iraq. They then conspired, leading all the Arab rulers, to create and consolidate a Jewish occupying entity, on the Blessed Land of Palestine.

Their betrayal did not end there. They worked with the rest of the Arab rulers, colonialist agents, to create the Palestine Liberation Organization. The PLO formally signed the Oslo Accords of 1993, in the name of the people of Palestine, granting the Jews authority over the Blessed Land. During this treacherous march, the rulers of the Arabs, including the rulers of the so-called Arab Ring (دول الطوق العربي) countries, took it upon themselves to protect the fragile and foreign Jewish entity from the Ummah, including any movement seeking sincerely to liberate the land, both from inside and outside Palestine.

The Arab rulers rushed to normalize relations with the Jewish entity, at the behest and direction of America and Britain. None of them held back from normalizing, except for outward appearances. The Al-Saud state is the wide gateway to the Muslim World, through which the Jews can access the rest of the countries of the Muslim World, so that they could normalize with the Muslim World, and incite corruption within it.

Through this normalization, America wanted to impose on the Jews the final solution represented by the plan it calls the “two-state solution.” It seeks to exploit the

issue of normalization with Saudi Arabia as a bargaining chip with the Jewish entity, and its arrogant government, which sees itself as the spoiled son of the gang leader.

The “exorbitant” demands of the reckless bin Salman are not exorbitant demands, in fact. Instead, they are not considered demands at all. They are nothing but throwing dust in the eyes, whilst paving the way for the declaration of treason of normalization, with the Jews.

So what security is Bin Salman talking about? What threat? From whom? Are not all the advanced weapons of his kingdom from America any way, if they have been truly delivered and are now in actual full possession?! What is the need of his deformed, corrupt government, established on the pure land of Hijaz, for uranium and its enrichment?! Do you see him wanting to build nuclear weapons? Against whom will these weapons be used? Against the delusional Iranian enemy, with whom he recently rebuilt relations? Or against the Jewish state with which he wants to declare normalization, and for which he will abandon every Muslim in the land of Hijaz, as he abandoned the people of Palestine?

It has been said, *إن التذابي على الأذكياء ضربٌ من الغباء* that “Playing smart with the intelligent is a form of stupidity.” This is the case of Ibn Salman.

The escalation of events in the Blessed Land of Palestine, and the increase in the crimes of the Jews and their spilling of pure blood, should provide motivation for the Muslim armies in the Hijaz, Pakistan, Egypt, Bangladesh, Turkey and others. It should be motivation for them to overthrow these treacherous conspiratorial rulers, whilst re-establishing the Khilafah State on the Method of the Prophethood on their ruins. Indeed, the Khilafah is the state that will raise armies to liberate the Blessed Land from the defilement of the Jews.

It will do so in response to the command of Allah (swt) *﴿انْفِرُوا خِفَافًا وَثِقَالًا وَجَاهِدُوا بِأَمْوَالِكُمْ﴾* **“O believers! March forth whether it is easy or difficult for you, and strive with your wealth and your lives in the cause of Allah. That is best for you, if only you knew.”** [TMQ Surah At-Tawba 9:41].

It will do so, in verification of the saying of the Prophet (saw), *«تُقَاتِلُكُمُ الْيَهُودُ فَتَسْلُطُونَ﴾* **“The Jews will fight with you, and you will be given victory over them so that a stone will say, ‘O Muslim! There is a Jew behind me; kill him!’”** [Bukhari] The opportunity must for the rulers of Bani Saud, along with the rest of the conspirators, to exploit the events taking place in the Blessed Land to announce their normalization with the Jews, under the pretext of stopping bloodshed, must be thwarted.
