

Alcohol Selling is Protected by Muslim Rulers, But Muslim Lives are Not

News:

Abu Dhabi has opened its first Alcohol production facility in the UAE. Permits have been issued for this trade. The UAE suspended the 30% taxation on alcohol products. Licensing rules for outlets have also been eased. The justification for this, is to boost the tourism industry and create financial diversity and cultural inclusion.

Comment:

While the Muslims suffer for want of basic food and medicine, the billionaire leaders of the Ummah are concerning themselves with the entertainment options of the non-Muslims, whilst promoting the haram for the Muslim in the region.

These acts of betrayal must be exposed loud and clear as the Ummah globally experience growing attacks. The USA and UK have launched new bombing campaigns in Yemen that have been able to disrupt the shipping routes of the Jewish entity. It is the brave actions of individual Muslims that have taken a stand and not the comprehensive army under the Khilafah (Caliphate).

We do not accept the random use of our resources and armies left to be idle, Allah (swt) forbids our brothers and sisters to be abandoned to the enemies. ﴿وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أَهْلُهَا﴾ **"And what reason have you not to fight in the way of Allah and for the oppressed among men and women and children who say: Our Lord ! take us forth from the town whereof the people are oppressors and grant us from Thee a friend and grant us from Thee a helper."** [An-Nisaa: 75].

The Hadith of the Prophet (saw) explained that we are one body and if one part hurts the rest of the body shakes with fever. However, only the heat of the hellfire will meet the rulers who neglect the words of Quran and Sunnah. We must rise to the call of working for true solutions so that this Ummah does not have these humiliating acts done in open public for the tyrants to laugh at the Deen of Islam and celebrate victory over our lands and minds.
