Pakistan Participation in US Air Show with Jewish entity- Another Act of Treachery by the Raheel-Nawaz regime.

Dawn reported on 5 September 2016 that "The US Air Force News Service (AFNS) reported that the training allowed the Pakistan and US air forces to continue building and strengthening their relationship. It provided them the chance to improve integration, further training and enhance the readiness of air operations. The Israeli and UAE air forces also participated in the exercises... Integration has been a major focus for Red Flag 16-4 and the Pakistan Air Force has played a key role in helping achieve that goal, the AFNS report added." ([Dawn](#))

The animosity of America and the Jewish entity against Islam and Muslims is clear and obvious. Participation in military exercises with enemy formations only provides them assistance in their preparation of war against Islam and Muslims, as it familiarizes them with our fighting styles and capabilities. We ask, against whom are America and the Jewish entity at war with? Against whom is America sending military expeditions and overseeing them? In Afghanistan, Iraq, Palestine, Syria, Somalia, Yemen, creating carnage throughout the Muslim world, America has imposed a war against Muslims and Islam, with Washington's support of the Jewish entity adding to its crimes. So, we must ask is participating in military exercises along with America and the Jewish entity for the sake of liberating Muslims from their oppression or taking their side in oppressing Muslims?

The armed forces and the Muslims of Pakistan must be aware that the traitors in the political and military leadership, led by Nawaz Sharif and Raheel Sharif, are not standing with the Ummah, rather they are standing with her enemies. Obeying them and supporting them in their treacheries against Islam and Muslims is a grave sin. Therefore, it is not allowed for the sincere amongst the armed forces to be mere passive observers as open treacheries are committed one after the other. Instead, they must move to end these treacheries and this will only happen when this grant Nussrah to 000 000 for the re-establishment of Khilafah (Caliphate) on the Method of Prophethood. Only by doing so, will they be able to be free of the sin of these traitors in the Hereafter. Allah (swt) says,

﴿يَأَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فَإِنَّهُ مِنْهُمْ إِنَّ اللَّهَ لَا يَهْدِي الْقَوْمَ الظَّالِمِينَ﴾

“O you who believe! Take not the Jews and the Christians as Auliya' (friends), they are but Auliya' to one another. And if any amongst you takes them as Auliya', then surely he is one of them. Verily, Allah guides not those people who are the Zalimun(oppressors).” [Al-Maida: 51]

How Can One Who Truly Cares for the Hukm of Allah (swt) and Seerah of RasulAllah (saaw) Fight the Call for the Khilafah?

In his Defence Day address, General Raheel Sharif on 6 September said, **بمراہر قدم اللہ** "In the battle for our survival, we will take every step according to the Hukm of Allah and the Seerah of the Noble Prophet (saaw)." He also stated "There are elements which are trying to create misunderstandings" and "It is also necessary for the elimination of terror to strengthen our laws" (Dawn). General Raheel Sharif's address is his attempt to defend the regime's National Action Plan (NAP) which has been seen as a US plan to suppress Islam. This is why he was careful to assure the people that his every step is according to Islam. At the same time he condemned those who account him as creating misunderstandings, even though the truly strong ruler is never threatened by advice, but benefits of it. He then called for further strengthening of draconian laws under cover of the NAP, such as the now expired but up for renewal Protection of Pakistan Act (PoPA) through which he has overseen the arrest of thousands of Islam loving Ulema, callers to Islam and politicians, including the advocates of the Khilafah.

The Raheel-Nawaz regime implements the National Action Plan, even though it is built on lies. Certainly, our Islam is not behind the killing of civilians, for Islam staunchly protects the civilian non-combatants from the scourge of war. Even during wars when meeting the enemy, the Messenger of Allah (saw) used to advise the Islamic Army,

«وَلَا تَقْتُلُوا امْرَأَةً، وَلَا وَلِيدًا، وَلَا شَيْخًا كَبِيرًا.» **“Do not kill a woman, or an infant, or an old man.”** As for the Khulafa'a Rashidoon, Abu Bakr, may Allah be pleased with him, advised his army commander, **وَأَنْتُمْ سَتَجِدُونَ أَقْوَامًا قَدْ حَبَسُوا أَنْفُسَهُمْ فِي هَذِهِ الصَّوَامِعِ فَاتْرُكُوهُمْ وَمَا حَبَسُوا لَهُ أَنْفُسَهُمْ... وَلَا تَقْتُلُوا كَبِيرًا** **“You will find people who locked themselves up in temples, spare them and leave them for what they locked themselves up for... and do not kill the old, nor a woman, nor an infant, and do not destroy buildings.”** And Omar, may Allah be pleased with him, advised his army commander, **لَا تَعْلُوا، وَلَا تَعْدُوا، وَلَا تَمْتَلُوا، وَلَا تَقْتُلُوا** **“Do not transgress, do not betray, do not mutilate, and do not kill a woman, or a child, or an elderly.”** Moreover, such mercy on the battlefield is not found in the United States, the master of the Raheel-Nawaz regime, which accuses us in our Deen, for the US has always committed crimes against humanity, from which even the wild animals in the jungle would shy from.

Yet, using the National Action Plan, the regime's thugs have been unleashed upon the sincere and aware Muslims, defaming, harassing and arresting Ulema, Islamic activists and other callers to Islam. The regime has threatened journalists to curb Islamic expression in the media and even intimidated the judiciary to stop it providing relief for Islamic politicians. And the regime has reserved some of its harshest brutality for the Shabab of Hizb ut Tahrir, advocates for the Khilafah (Caliphate) on the Method of the Prophethood. The thugs of the regime violate the homes of the Shabab, not caring for the sanctity of their womenfolk, and waving weapons before terrified children. They seize the Shabab and even their relatives, including the wife with the physically handicapped child. They severely torture the Shabab depriving them of sleep, beating them with bars and even subjecting them to electrical shocks. They throw the Shabab into dungeons, without trial or relief, including the doctor, the engineer, the teacher, the heart-disease patient and the one with diseased, bleeding bowels. The crimes against the Hizb have become so numerous that they have become public knowledge and have now even spilled into the media, despite the regime enforcing a media blackout against the Hizb.

Escaping the US Carrot and Stick Trap is Mandatory for Pakistan

On 6 September 2016, the US State Department clarified that it was by no means considering the option of putting sanctions on Pakistan, however, it wanted Pakistan to go after all the terrorist groups that are operating or seeking safe haven on its soil. According to the transcript of press briefing released by US State Department, Deputy Spokesman Mark Toner said United States was holding "conversations with the highest level of the Government of Pakistan". When Toner was asked whether the US was considering putting some sanctions on Pakistan or not, Toner replied, "No. We are working with Pakistan". Asked about US efforts to bring the perpetrators of the Mumbai attack to justice, the spokesman said the US wanted to see accountability and justice in the case as American citizens also lost their lives in those terrible attacks. "We've long encouraged and pushed for greater counter-terrorism cooperation, and that includes the sharing of intelligence between India and Pakistan in that regard. That continues, those efforts continue," the spokesman said.

For decades the rulers of Pakistan have the carrot of US aid and the stick of US sanctions to justify their obedience to and submission before the US. This is regardless of the rulers being from the military leadership or from the political leadership. They are all aware that the Muslims are angered by the state of subservience and so undertake repeated gestures to suggest that they are serious in breaking free. Over the decades, some say they are drawing closer to China or some other power, even though this drawing closer is itself Washington approved. So despite several changes in faces, Pakistan remains tied by neck chains to the US, which yanks them whenever and however it pleases.

The way to break free from the US is to end the current neo-colonialist system in Pakistan, a system built on dependency upon the colonialist powers with rulers who have effectively become slaves through their deferring all major decisions to foreign powers. Pakistan has more than enough wealth to become financially independent as its evident from its abundant mineral and energy resources, which are hurriedly being privatized so that this immense wealth is no longer at the disposal of rulers to look after the affairs of the people. It is also evident from the immense personal wealth of the traitors in the military and political leadership and their close entourage of supporters, which is hurriedly siphoned out of reach, in foreign bank accounts and companies. What is missing is the system and leadership to do that which can only occur through the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood. Only then will Pakistan escape its fragile situation through alliance with the US. Allah (swt) has declared alliance with Kuffar as Haram and likened it to a fragile spider web, when He said,

﴿مَثَلُ الَّذِينَ اتَّخَذُوا مِنَ اللَّهِ أَوْلِيَاءَ كَمَثَلِ الْعَنْكَبُوتِ اتَّخَذَتْ بَيْتًا وَإِنَّ أَوْهَنَ الْبُيُوتِ لَبَيْتُ الْعَنْكَبُوتِ لَوْ كَانُوا يَعْلَمُونَ﴾

"The parable of those who take protectors other than Allah is that of the spider, who builds (to itself) a house; but truly the flimsiest of houses is the spider's house, if they but knew." [Surah al-Ankaboot 29:41]

Raheel-Nawaz Regime Exploits Occupied Kashmir Issue for US Objectives

The Dawn Newspaper reported on 8 September that the chairman of the National Assembly Standing Committee on Foreign Affairs, Sardar Awais Ahmad Khan Leghari, has briefed the international community in Geneva on human rights violations in India-held Jammu and Kashmir. The impact of pellet-gun injuries leading to "dead eyes" phenomenon on peaceful protesters was highlighted, a statement from Pakistan's permanent mission to the UN at Geneva said. Mr Leghari emphasised the importance of the implementation of UN Security

Council's resolutions that recognise Jammu and Kashmir as disputed territory and call for a free and fair plebiscite for the realisation of the right to self-determination of Kashmiris. The despicable use of force by Indian security services to suppress the defiant Muslims of Kashmir is a constant cause of pain for the Muslim Ummah. However, what adds salt to this deep wound in the body of the Ummah, is the attitude of the rulers of Pakistan. Due to their subservience of Washington, which they maintain is an alliance of equals, they have always exploited the issue of Kashmir and the Islamic sentiments of the Muslims to fulfill US objectives. The purpose of the Kashmir uprising in the late 1980s was to internationalize the issue and weaken the Indian economy and so the rulers of Pakistan exploited the love of Jihad within the Muslims and establishment many militant organizations. By doing so, America was able to intervene in India's domestic affairs via the UN and IMF. The aim of the recent uprisings is to rekindle the normalization process between India and Pakistan and lay the groundwork for an American inspired settlement of Kashmir post US-presidential elections, based on the Andorra model, which will divide Kashmir, grant India unwarranted control over Muslims and end any hopes of its liberation. America covets peaceful relations between New Delhi and Islamabad, so that India under US tutelage can effectively counter America's latest former adversaries, China and the Islamic rival. This is why Pakistan's rulers are now shedding crocodile tears over the savage atrocities committed against the Muslims of Kashmir, whilst at the same time suppressing the Islam loving politicians on the one hand and the mujahideen on the other through the National Action Plan.

It is our Deen, Islam, and our Deen alone, that is the way for peace and security not just in Kashmir, but the whole of the Indian Subcontinent and Muslims alone are its rightful rulers. From the time of Muhammad bin Qassim (Raheemahullah) and for a thousand years afterwards, Islamic rule brought peace and prosperity to the Indian Subcontinent. It was Islam that raised the Indian Subcontinent as the economic envy of the world, compelling the British Empire to strengthen its economically failing dominion by invading the region and claiming India as a Jewel in its fading and tarnished Crown. It was Islam that established unparalleled harmony and citizenship between the many and varied people of this region for centuries. The fact that Hindus remain as a majority after a thousand years of Islam in the Indian Subcontinent, shows that Islamic rule was a stark contrast to its Kufr contemporary rule, such as the barbaric Christian rule in Spain or the tyrannical Halakus of Asia which viscerously slaughtered those who held other religious beliefs. It is little wonder that Hindus sided with the Muslims against the British in 1857, for they knew they were better off under Islamic rule, rather than the capitalist British rule.

It is upon the officers of Pakistan's armed forces to fulfill their responsibility to halt the Raheel-Nawaz regime's selling out of Kashmir by extending the Nussrah to 000 000, thus uprooting them and establishing the Khilafah, which will gather together the resources of this Ummah and bring the entire Indian Subcontinent under the shade and justice of Islam. RasulAllah (saaw) said,

« عَصَابَتَانِ مِنْ أُمَّتِي أَحْرَزَهُمَا اللَّهُ مِنَ النَّارِ عَصَابَةٌ تَغْزُو الْهِنْدَ وَعَصَابَةٌ تَكُونُ مَعَ عِيسَى ابْنِ مَرْيَمَ عَلَيْهِمَا السَّلَامُ »

“Two groups of my Ummah Allah has protected from the Hellfire: a group that will conquer India and a group that will be with ‘Isa ibnu Maryam.” [Ahmad, An-Nisa’i] Abu Hurayra (ra) narrated, وَعَدَنَا رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ غَزْوَةَ الْهِنْدِ فَإِنْ أَدْرَكْتَهَا أَنْفَقُ فِيهَا نَفْسِي وَمَالِي فَإِنْ أَقْتُلُ “The Messenger (saw) promised us the conquest of India. If I was to come across that I will spend my soul and my wealth. If I am killed then I am among the best of martyrs, and if I return then I am Abu Hurayra the freed (from sin).” [Ahmad, An-Nisa’i, Al-Hakim]
