

By Joining the Arab-Islamic-American Summit, Hasina proved herself to be an Active Partner in Western Conspiracy to prevent the upcoming Rightly Guided Khilafah

News:

Bangladesh Prime Minister Sheikh Hasina joined the Arab-Islamic-American (AIA) Summit kicked off at the King Abdul Aziz International Conference Centre in the Saudi capital Riyadh on Sunday, 21 May, 2017 with the participation of more than 50 leaders of Muslim countries along with US President Donald Trump, the first of its kind in history, to discuss ways to combat “terrorism and extremism”. They announced that the main objective of the summit is to establish new partnership to face the challenges of global “terrorism and militancy”, expand values of tolerance and coexistence and strengthen efforts for ensuring peace and stability.

Comment:

Coalition of Muslim nations is nothing new. There have been coalitions of treacherous countries since the birth of the Muslim states. Historically, Britain and France designed all these coalitions and now America has assumed the same role for the realization of her own interests. Coalitions of this kind had never been effective nor provided a comprehensive solution to the problems and issues Muslims were facing.

The question that has arisen in the mind of general Muslims is why Saudi Arabia and America needed to organize such alliance of Muslim nations. America being the leader of secular-capitalist states perceives Islam as the only threat to her hegemony and she has declared war on Islam under the pretext of ‘war on Terror.’ America has left the Muslim world in tatters by waging wars in Iraq, Afghanistan and leaving Syria in chaos by sustaining Bashar al-Assad as President just to halt the Islamic ideological revival. America is now exhausted both financially and militarily to carry on with this ever ending war. Also her intellectual leadership, i.e. the democratic concept of freedom and equality, upon the Muslims has gone bankrupt as they are directly suffering from the misery brought into their lands by US intervention in the name of liberating people.

Having witnessed the overall collapse of American supremacy, the colonial president Trump set his election campaign as “America First”, which essentially has the following ramifications: to find out an effective way to maintain the unauthorized, deceitful global dominance of US and to bring her loyal servants of the Muslim lands in the front line to fight the global rise of Islam as a system. Thus, America now aims to have Muslim armies fight US’s war on her behalf. The strategy is to engage Muslim armies against the Muslims to exterminate Islamic movements under the pretext of fighting IS.

America chose her most subservient slave Saudi Arabia to organize this alliance since Muslims around the world have spiritual and emotional attachment to the holy

places like Makkah and Madinah. But the ugly face of Saudi Arabia is now being exposed to general Muslims. Muslims haven't witnessed Saudi Arabia mobilize her army for the liberation of Palestine, Masjid al-Aqsa, occupied Kashmir and rescuing oppressed Muslims in Myanmar, Iraq, Afghanistan and Syria. Muslims now think that Saudi Arabia is not the Custodian of the Two Holy Mosques. It is like the rest of the Muslim rulers, the Protector of America in the Middle East.

By attending this colonial summit, Sheikh Hasina also proved that she has no *'al wala wal bara'* i.e. loyalty to Allah (swt) and disavowal to His (swt) enemies. It exposed her treachery and her hatred for the Muslims like rest of the other hypocrite rulers of the Muslim world. She wants to annex Bangladesh with America's "war on terror" by joining hands with her colonial master. Interestingly, Hasina applies the same tactic of manipulating people's Islamic feelings and emotions. Earlier, foreign minister of Hasina government remarked in a press briefing that "if needed, Bangladesh will send its troops to Saudi Arabia to protect the two holy mosques in that country." People of Bangladesh know this is nothing more than a sound bite. We have never seen Hasina to move her troops to rescue the oppressed children and women in next door Myanmar or Kashmir. Rather, the whole world witnessed how cruel her regime was to turn back the Rohingya Muslims to the deadly torture and oppression in Myanmar, how treacherously she made military cooperation deals with butcher Indian regime and how harshly she persecuted Islamic activists to be in power.

Hasina might not have any regard for what the Prophet (saw) said but Muslims will never forget the saying of the Messenger of Allah (saw) while he was performing tawaf around the Holy Kaa'ba saying to it: **«مَا أَطْيَبَ رِيحِكَ، مَا أَعْظَمَكَ وَالَّذِي نَفْسُ مُحَمَّدٍ بِيَدِهِ، لِحُرْمَةِ الْمُؤْمِنِ أَعْظَمَ عِنْدَ اللَّهِ حُرْمَةً مِنْكَ»** **“How pure and good you are! How pure and good your fragrance is! How great and exalted you are! And how great and exalted your sanctity is! But by Him in Whose hand is Muhammad's soul, the sanctity of a believer's blood and property in the sight of Allah is greater than your sanctity!”** (Ibn Majah)

Hasina like the other hypocrite Muslim rulers failed to read the pulse of this Ummah - Muslims are desperate to unify under the banner of 'La ilaha illa Allah' and under the leadership of rightly guided Khaleefah and certainly not interested in the alliance under the leadership of USA that has murdered millions of innocent men, women and children in the Muslim world. Only the upcoming 'Second Khilafah Rashidah' (Righteous Caliphate) can protect the life, property and honour of Muslims and it will mobilize the unified Muslim armies to liberate Palestine, Masjid al-Aqsa as well as to rescue oppressed Muslims around the world.
