Hizb ut Tahrir and the people of the Quds gather at the Al-Aqsa Mosque chanting.

The Khilafah will bring back for the Ummah, its honour and for AlQuds, its status.

All praise is to Allah and may peace and blessing be upon His Messenger and his family, companions and those who followed.

O people:

Wouldn't the return of your strong and noble Ummah make you proud after it has been through a long period of humility and weakness?

Nothing can bring the return of the Ummah's honour apart from the Khilafah.

Do you not miss seeing the Quds as an abode for the Muslims, and Aqsa liberated and a place which all Muslims travel to, instead of it being a mere place of prayer for a few Muslims from the people of Palestine, and a sanctuary for normalization?

Indeed the status of Quds can't be restored and Aqsa can't be liberated expect through the Khilafah.

O Muslims:

97 years have passed since the loss of the Khilafah and the loss of the Ummah's honour and the status of Quds!

97 years have passed since the loss of the Khilafah and the Ummah has suffered from calamities and countless numbers of killings, injuries, disasters and displaced.

97 years have passed since the loss of the Khilafah and the evil rulers have prohibited the implementation of the rule of Allah, while being loyal to the Kuffar while they suppress the Ummah and waste its wealth.

97 years ago since loss of the Khilafah and there isn't an inch of the Muslim lands, but some occupier or usurper or vile thief or someone who benefits from the cheap rule, who sells his religion for the world, while being disloyal to Allah and His Messenger and the believers!

97 years have passed since the Khilafah's absence and Islam has been the targeted; the Kuffar and their loyal rulers want to change it under the guise of reform, extremism and moderation, and to fight what they call as terrorism. They fabricate various political and military pretexts to achieve their terrorist aims. They killed millions, destroyed entire cities and wiped out entire villages which were protected and peaceful!

97 years ago have passed since the destruction of the Khilafah and the efforts of Muslims have remained scattered, and Muslims are tormented in Syria, Palestine, Burma and other Muslim countries seek refuge and there is no rescuer!

Dear people:

Wouldn't it please you to see Palestine and Bilaad ash-Sham as a place for the Abode of Islam, with the whole world being governed from here with guidance and decent care, instead of remaining including the rest of Muslim lands looted by the capitalists? (Indeed!)

* Indeed that will not happen expect under the shade of the Khilafah!

Do you like to be ruled by a man who responds to the appeal of the oppressed and strips his sword of its sheath and declares jihad to support them and liberate the countries and the slaves, and defeats the aggressors and chases them to their homes if they have a home which remains?

*Indeed that cannot happen except at the hands of the Khalifah.

From here, from the courtyards of the captive Al-Aqsa Mosque, and from the place of ascendance (Israa) of our beloved Messenger Prophet Muhammad, peace and blessings be upon him, we address the Ummah and its armies, and its people of power, to come to the support of Islam and Muslims.

Rush to the liberation of the captive Al Aqsa Mosque! Rush to gather the disheveled strands of the Muslims! Rush to the support of the weak in Syria, Palestine, Yemen, Burma and the rest of the Muslim countries.

O armies of Muslims, the army of Turkey and the armies of Jordan, Egypt, Saudi Arabia and Pakistan ... When will you roar in the courtyards of the Al-Aqsa Mosque, and declare the Takbir?!

O armies of the Ummah and its good officers:

Here, you witness what happens in Palestine and its Blessed Mosque, so who is for the people of Palestine and its Blessed Mosque other than you, the good ones?!

Who will restore the position of Quds, and the honour of the Ummah, other than you, O officers and armies?! Who will help ash-Sham and Ghouta from the criminal Bashar, and the wicked Putin and the murderer Trump?!

You are the descendants of Sa'ad ibn Mu'adh, Sa'ad ibn Ubadah, As'ad ibn Zurara and Usayd ibn Hudayr, so be the Ansar of Islam today as your ancestors were the Ansar of Islam yesterday.

Overthrow, the rulers of the calamities, and establish the state of Islam.

Loudly declare in the squares of the world that there is no god but Allah, Muhammad is the Messenger of Allah.

March in masses with your Takbeer, Tahlil towards Masjid Al-Aqsa and Palestine.

Disassociate from you the cloud of fear and humiliation and hold on to the rope of Allah All Powerful Mighty.

Then the angels and all Muslims will pray for you until the Day of Judgment.

By Allah! This is the glory of this world and the Hereafter, and the honor of life and death.

We in Hizb ut Tahrir invite you to support Islam and Muslims and to work with us to establish the Khilafah that will restore the Ummah's dignity and Al-Quds to its position, to please Allah and His Messenger. So respond to the command of Allah in His Great Book: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ﴾ **“Believers! Respond to Allah, and respond to the Messenger when he calls you to that which gives you life. Know well that Allah stands between a man and his heart, and it is to Him that all of you shall be mustered.”** (8:24)

O Allah, in whose hands are the hearts of the believers, Make us reach the Ummah of Islam and make their hearts turn to support your religion and liberate the Mi'raaj of your messenger.

O Allah, Destroy America and its followers and the enemies of Islam ... O Allah, divide their gatherings and cast horror in their hearts and tighten their circle on them and make them and their homes war spoils for the Muslims.

O Allah, purify Al-Aqsa Mosque from the abomination of the usurpers and honor us with the Bayaah to the Commander of the Believers. And gather the Muslims victorious

Peace and Blessing be upon the Prophet Muhammed, his family and his companions. Praise be to Allah, Lord of the Worlds.

And Peace be upon you and Allah's mercy and His blessings.
