

**“This (Qur'an) is a Message for mankind (and a clear proof against them), in order that they may be warned thereby” [Ibrahim: 52]**

(Translated)

Five years have passed since the beginning of Ash-Sham's blessed revolution. It carried with it wounds and stabbing as well as showing hope and good tidings, the metal *Ummah* that had been lost for a long time appeared in it. In Ash-Sham we found an *Ummah* that does not rest, it gives and sacrifices for the triumph of this *Deen*, an *Ummah* that does not accept failing and that does not keep silent about an offence. This *Ummah* needs to know that its resource lies in a great work, if it carries it out it will be worthy of this description of *khair*, and if it leaves it, it will only be caught up by woe and ruin; Allah (swt) says in His Book:

**“You [true believers in Islamic Monotheism, and real followers of Prophet Muhammad saw and his *Sunnah* (legal ways, etc.)] are the best of peoples ever raised up for mankind; you enjoin *Al-Ma'ruf* (i.e. Islamic Monotheism and all that Islam has ordained) and forbid *Al-Munkar* (polytheism, disbelief and all that Islam has forbidden), and you believe in Allah” [Aal-Imran:110]**, this *Ummah* has come out to the revolution to enjoin the truth of ruling with what Allah swt has sent down and to remove the largest atrocity – which is the ruling with other than what Allah swt has sent down.

Despite this some are still ignorant about its truth, and they cover up its sunshine with the screen of subordination and subservience. So they look towards the Charter of the United Nations and the International Law for the ending of its own and the *Ummah's* problems, thereby they have blinded their sight and do not see the West correctly and hasten to them and proceed to their solutions and conferences overlooking the truth about the struggle for *Al-Sham's* land between the unbelieving West's plan (a secular state) which will secure *kufr's* hegemony and its interests and that will re-produce the ruling of the butcher, give him legitimacy again and secure the safety and the military. Also overlooking the *Ummah's* plan that emanates from its *Aqeedah* (Khilafah on the method of the Prophet saw), the plan that satisfies our Lord, realizes our reward, ends our suffering, heals our chests and that will make us the best *Ummah* sent to mankind. Still overlooking that the political solution imposed by the conspiring states, headed by the United States and Russia and its instruments on Ash-Sham's revolution, is a new deceit to eradicate it and its plans thereby securing its own plan's success, the Almighty says:

**“And they will never cease fighting you until they turn you back from your religion (Islamic Monotheism) if they can” [Al-Baqarah: 217]**. They have adorned the political solution and the negotiations with an International support, saying that it is an ending of the human suffering. Its truth is like the one who adorns a mirage so that we think its water and it is sold, as a poison so that we might think it is a medicine!

A quick view towards the negotiating delegation, which they claim represents the opposition and that participates in the crime of the negotiations, will reveal that they serve the large and supporting states that chose them while they claim that they support Ash-Sham's revolution. Does Riyad Hijab, the Prime Minister of the previous criminal regime, represent *Al-Sham's* revolution?!! And does Riad Nassan Agha, Minister of Culture in the criminal regime from yesterday, represent it?!! Or does Basma Qathmani, the caller to a culture apart from the Holy Quran and to brotherhood between Jews the usurpers of the *Al-Aqsa* and the Muslims, represent the sincere mujahedeen and our patient family!! And the addition of the

member of the delegation, Muhammad Aloush with his bearded look, would not change the truth of the conspiracy even if he was the head of the delegation! As well as the coalition's existence has not been changed by Sheikh Muath Al-Khatib, who used to be a president for the coalition and who promised a sun that would shine from Moscow but his promise became an exposure of his case!

We have to realise that these weak people who have accepted to follow the path of the American political solution, have neglected their *Deen* and the persevering of our revolution - the blessed revolution of Ash-Sham. This revolution that defined its persevering when it broke forth from the mosques of Allah (swt) and shouted, "It is for Allah, It is for Allah" and "Our master forever, is our leader Muhammad". This persevering stayed as peacefulness to Ash-Sham's people, it is not a persevering that permits negotiations, rather it forbids to take it up...its a persevering that will overthrow the regime with all its parts, symbols and apparatus and to establish a system in its place that will never measure up with its constitution or its apparatus... An Islamic System "Khilafah Rashidah on the methodology of the Prophet (saw)", that will glorify Islam and the Muslims, humiliate *kufr* and the *kuffar*, release the *Ummah* from the following of the West and His Almighty's Speech will be realized:

**"And never will Allah grant to the disbelievers a way (to triumph) over the believers"** [Al-Nisaa: 141].

The misguidance stands that are announced by, what is called, the opposition's negotiation delegation as their announcement that Bashar does not have a role in the political process. Their persistence on a transitional governing body and their request to delay the negotiations as a protest to the regimes breach of the truce, will not fool the sincere sons of the *Ummah*, will not make the political solution a requirement for the people of Ash-Sham and these artificial statements made by the negotiation delegation will not earn any legitimacy as a representative of the people, because we realise that the negotiation delegation works against and not for the revolution!

### **O Muslims in Ash-Sham the origin of Dar Al-Islam:**

What you have given is indeed great and what you exerted is big and it deserves a great price and no price is more comparable than a Khilafah Rashidah on the method of the Prophethood, and you must know that standing in the middle of the revolution is a killing of it so how when you know that the negotiation is a return to what was before the revolution?! It is necessary to continue this revolution, preserving its perseverance and to take to account those who tempted to tamper with it or to compromise the blood of its sons – and none of you should say, "I am not certain". **It was narrated that Abu Bakr Al-Siddiq (ra) said: 'O believe! Take care of your own selves. If you follow the (right) guidance [and enjoin what is right (Islamic Monotheism and all that Islam orders to do) and forbid what is wrong (polytheism, disbelief and all that Islam has forbidden)] no hurt can come to you from those who are in error'** [al-Ma'idah 5:105]. I heard the Messenger of Allah (saw) say: «إِنَّ النَّاسَ إِذَا رَأَوْا الظَّالِمَ فَلَمْ يَأْخُذُوا عَلَى يَدَيْهِ أَوْشَكَ أَنْ يَعْمَهُمُ اللَّهُ بِعِقَابِهِ» "If the people see an evildoer and do not stop him, soon Allah will send His punishment upon them all." (Ahmad, and in a similar version from Ibn Hibban in his Sahih). Nowadays the unjust have several faces and different names but they are indeed the same, the unjust is the one who betrays the sacrifices and accepts that he and his family are humbled and insulted. The duty today is to guard this revolution from being kidnapped by the weak and the cowards:

«فَإِنْ تَرَكُوهُمْ وَأَمْرَهُمْ، هَلَكُوا جَمِيعًا، وَإِنْ أَخَذُوا عَلَى أَيْدِيهِمْ، نَجَّوْا جَمِيعًا»

**"If they leave them and their concern, they will all perish, and if they took in their hand they would all be rescued"** (Ahmad). To fall short of this duty will require the punishment of Allah (swt) and His Discontent in this life and the Hereafter, the Almighty said:

لُعِنَ الَّذِينَ كَفَرُوا مِنْ بَنِي إِسْرَائِيلَ عَلَى لِسَانِ دَاوُودَ وَعِيسَى ابْنِ مَرْيَمَ ذَلِكَ بِمَا عَصَوْا وَكَانُوا يَعْتَدُونَ \* كَانُوا لَا يَتَنَاهَوْنَ عَنْ مُنْكَرٍ

“Those among the Children of Israel who disbelieved were cursed by the tongue of Dawud (David) and 'Iesa (Jesus), son of Maryam (Mary). That was because they disobeyed (Allah and the Messengers) and were ever transgressing beyond bounds \* They used not to forbid one another from the *Munkar* (wrong, evil-doing, sins, polytheism, disbelief, etc.) which they committed. Vile indeed was what they used to do” [Al-Maidah: 78-79].

We in Hizb ut Tahrir Wilayah Syria think highly of you, therefore take hold of your role and fulfil your duty, strengthen the ones that have leaned away or deviated from the path of the revolution and say it without fearing anyone's blame other than Allah's "Our revolution is not for sale", "Our revolution has its steadfast men", "Our revolution does not accept less than a Khilafah Rashidah on the method of Prophethood". We remind you of Allah's verses so that you might follow and work by them and do not forget nor neglect them, Almighty said:

“The believers, men and women, are *Auliya'* (helpers, supporters, friends, protectors) of one another, they enjoin (on the people) *Al-Ma'ruf* (i.e. Islamic Monotheism and all that Islam orders one to do), and forbid (people) from *Al-Munkar* (i.e. polytheism and disbelief of all kinds, and all that Islam has forbidden)” [Al-Taubah: 71].

And Almighty said:

“So when they forgot the reminding that had been given to them, We rescued those who forbade evil, but We seized those who did wrong with a severe torment because they used to rebel (disobey Allah).” [Al-A'raf: 165]

### O Muslims in Al-Sham the origin of Dar Ash-Islam:

We are your brothers from Hizb ut Tahrir Wilayah Syria, we realize the truth of the struggle being between two projects without a third one, and that the pavilion of *Imaan* has to become more clear in its signs and to stand out from the pavilion of hypocrisy – and Ash-Sham's revolution is, by the grace of Allah, the spotlight. We have pledged to Allah Almighty to be truthful guards of Islam, we crystalize its ideas, disclose the plans of the ones that plot against it and we speak the truth without fearing other's blame but that of Allah. We cooperate with the sincere of this *Ummah* in accordance with the method of the Prophet saw for the establishment of the Khilafah Rashidah on the method of the Prophethood, a Khilafah for all Muslims and not a Khilafah of a party, group or fraction. It will gather the efforts and unite them for the sake of realizing our glory, victory and salvation in *Dunya* and *Akhira*.

“And on that Day, the believers (i.e. Muslims) will rejoice (at the victory given by Allah to the Romans against the Persians) \* With the help of Allah, He helps whom He wills, and He is the All-Mighty, the Most Merciful.” [Al-Rum: 4-5]

Come and work with us for the sake of the victory of the plan for the Khilafah Rashidah (Caliphate) on the method of the Prophethood – we invite you, from amongst the sincere.
