## Hizb ut Tahrir / Kenya Organized Picket on the 102nd Anniversary of the Fall of our Khilafah

As part of the 102nd anniversary of the abolishment of the Khilafah (Caliphate), Hizb ut Tahrir / Kenya conducted countrywide picketing after Jumua prayers on 17th February 2023 corresponding 26th Rajab 1444 AH.

This activity was to remind the Ummah of its deplorable situation that it has been facing since the abolishment of Khilafah in 28th Rajab 1342 Hijri corresponding to 3rd March 1924 CE. Since this sorrowful event, the Ummah has been dispersed by the Sykes-Picot colonial project in place of their unity, and their lands were replaced by colonialism. The blood of Muslims shed in Syria, Yemen, China and all our Islamic lands shows the extensive pain the Ummah is living. The recent earthquake in the land which the last Khalifah was expunged after the traitorous Treaty of Lausanne has exposed the irresponsible regimes in the Muslim world. Indeed the whole humanity today are faced with economic hardship, corrupt leadership and immoral acts as result of the destruction of the Khilafah.

With a population of nearly 2 billion, the Muslims are similar to the foam on the sea because of the absence of Khilafah as its guardian and shield! The Muslim Ummah has lost its dignity, honor and protector. It has lost its first Qibla in the Blessed Land of Israa wal Mi'raj. And it is only the Khilafah Rashidah that will restore it and all other occupied Muslim lands.

We pray to Allah (swt) to hasten the establishment of the Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood. And Allah is Predominant over His affair, but most people do not know.

Speech of the Ameer of Hizb ut Tahrir,  
Eminent Scholar Ata Bin Khalil Abu Al-Rashtah,  
for the Occasion of the 102nd Hijri Anniversary  
of the Destruction of the Khilafah (Caliphate)

Praise be to Allah, and blessings and prayers be upon the Messenger of Allah, his family, his Companions (ra), and those who followed him,

To the Islamic Ummah, in general... and to the Dawah carriers for the reestablishment of the Khilafah Rashidah (Rightly Guided Caliphate), in particular...

Assalamu Alaikum wa Rahmatullahi wa Barakatahu,

On this day, the 28th of Rajab in the year 1342 AH, corresponding to 3rd March in the year 1924 CE, that is, 102 Hijri years ago, the colonialist kuffar, led by Britain at the time, in collaboration with the Arab and Turkish traitors, were able to abolish the Khilafah state. Mustafa Kemal committed the crime of open kufr, by abolishing the Khilafah in Istanbul, whilst besieging the Khaleefah (Caliph), exiling him in the early hours of that day. So it was. This painful affliction occurred, with the destruction of the Khilafah, within the Muslim Lands... It was an obligation upon the Ummah to fight the one who commits open kufr with the sword, as narrated in the agreed upon hadith, of the Messenger (saw), on the authority of Ubadah ibn al-Samit (ra),

«وَأَنْ لَا تُنَازِعَ الْأَمْرَ أَهْلَهُ إِلَّا أَنْ تَرَوْا كُفْرًا بَوَاحاً عِنْدَكُمْ مِنَ اللَّهِ فِيهِ بُرْهَانٌ»

**“And that we do not dispute about authority with those in power, unless you see an open kufr, regarding which you have a clear evidence before Allah.”** [Bukhari and Muslim] However, the Ummah did nothing to tremble that criminal and his aides, such that he and his collaborators would be turned into losers. Rather, the response was weak and did not amount to anything near that!

It was then that the history of the Ummah darkened. Previously, the Khilafah was the Ummah's state, standing upon truth and justice yet now the Ummah has over fifty fragments as states, with severe harm from their rulers. Even the earthquake of Syria and Turkey, in the middle of this Hijri month of Rajab, could not remove their division, restoring unity as one state. Instead, they persisted as torn fragments, before and after the earthquake, whilst they did not take heed! Allah (swt) said,

[أَوَلَا يَرَوْنَ أَنَّهُمْ يُفْتَنُونَ فِي كُلِّ عَامٍ مَرَّةً أَوْ مَرَّتَيْنِ ثُمَّ لَا يَتُوبُونَ وَلَا هُمْ يَذَّكَّرُونَ]

**“Do they not see that they are tried once or twice every year? Yet they neither repent nor do they take heed.”** [TMQ Surah At-Tawab 9:126].

Nevertheless, the calamity of this earthquake revealed that Islam is constant in the depths of Muslims. When they were rescuing their brothers from under the rubble, the Muslims chanted takbeer. The takbeer did not cease upon their tongues, particularly when they were saving an infant, whose mother had given birth to her, and then died under the rubble... or the one who is covered by rubble, whilst his hand is seen holding prayer beads, with which he was glorifying Allah (swt)... or while they were trying to get a woman out from under the demolished building, the woman asked for her head to be covered, before being taken out, so that her hair will not be exposed... or when the one

Cont... page 4

who called out from under the rubble to get him out, first asked for water for wudu (ablution) before Salah, so that he does not miss the time of prayer... then the one they are trying to save from the midst of the rubble, and they find him reciting from Surat Al-Baqarah within the Quran... or that girl who they are trying to get out, who expresses her sadness because she could not pray that day... And during all of that, the takbeer resounded, Allahu Akbar... These are the Muslims. May Allah (swt) have mercy on every Muslim who died during the earthquake. May they be among the martyrs of the Hereafter, by the Permission of Allah (swt). May Allah (swt) heal the wounded, with a cure that leaves no disease behind... May Allah (swt) help every Muslim who survived. May Allah (swt) grant for him a good life, that he spends in obedience to Allah (swt) and His Messenger (saw)...

These are the Muslims, whilst those are the rulers in Muslim Lands. They are indeed poles apart. This gaping disparity occurred during these 102 Hijri years, since the momentous calamity of the abolition of the Khilafah! Then, exploiting the demise of the Khilafah, the colonialist kuffar inflicted another agonizing affliction. They gave the Jews a state in the Blessed Land, the destination of the Israa (night journey), and the origin of the Miraaj (ascent) of the Messenger of Allah (saw). They then provided them with the means for survival. The foremost of those means is to protect its security through the agent rulers that surround it. So they were defeated at the hands of the Jews, in every war that broke out, until they granted the Jewish state an image, other than the characteristic with which Allah (swt) described them:

[وَضُرِبَتْ عَلَيْهِمُ الذِّلَّةُ وَالْمَسْكَنَةُ]

“They will be stricken with disgrace” [TMQ Surah Aali Imran 3: 112]. And the rulers were not satisfied with that alone. Instead, they exerted all efforts to transform the issue from the removal of the Jewish entity, to negotiation with it, with the plea that it would withdraw from just some of what it occupied in 1967!

Moreover, the state of the Jews was, and still is committing the most heinous crimes in Palestine. The massacre in Jenin, on 26 January 2023, bears witness to that. The army of the Jewish entity, with large and heavily armed forces, stormed the Jenin camp, and carried out a massacre in which nine martyrs were martyred. During that time, carried out the most extreme crimes by killing, demolishing the walls over the wounded, and trampling over with bulldozers. Then it continued in its aggression against Nablus, raiding Aqabat Jaber Camp, killing and wounding, resulting in martyrs and wounded... and all of this occurred without the rulers in Muslim Lands mobilizing to rescue them. Instead, the most exemplary of them was the one who offered his mediation between the criminal and the victim upon whom the crime was committed. May Allah destroy them; how are they deluded? And how do they do more than that while they are rushing to commit the crime of normalization with the Jews? After the rulers of Egypt led this march of humiliation and disgrace, the PLO and then the rulers of Jordan, the UAE, Bahrain and Morocco respectively, all followed suite. And here Sudan follows them in the crime as the President of Sudan, Al-Burhan, met Jewish Foreign Minister Eli Cohen in Khartoum on 2 February 2023 to discuss the normalization of relations! None of them cares for the humiliation that surrounds them.

[سَيُصِيبُ الَّذِينَ أَجْرَمُوا صَغَارٌ عِنْدَ اللَّهِ وَعَذَابٌ شَدِيدٌ بِمَا كَانُوا يَمْكُرُونَ]

“The wicked will soon be overwhelmed by humiliation from Allah, and a severe punishment for their evil plots.” [TMQ Surah Al-Anaam 6:124].

It is indeed strange that with every escalation, or every crime committed, by the Jewish entity, its leaders are, the day before or on the day, in the arms of the Arab rulers, or on a visit to them. Before the crime upon Jenin, Netanyahu was a guest in the palace of the Jordanian regime! During the crime upon Jenin, the Palestine Authority was coordinating security with Jews, by its own admission because it claimed that it would stop the security coordination, after the crime. So, it was! However, what is most surprising, and strange, is that when one of the heroes of Palestine defended his land and its people, killing seven Jews in the Al-Quds operation, after the massacre in Jenin, the rulers in the Muslim countries rushed to condemn! The foreign ministries of Turkey, the UAE, Jordan and Egypt, all condemned the Al-Quds operation in press statements!

Now, it is not only Palestine that was stabbed in the back by these rulers but they also conceded or surrendered, other pure regions of the land of Islam. Kashmir was forcibly annexed by the Hindu mushrikeen, to their state, whilst the rulers of Pakistan remain silent... the Rohingya Muslims are being slaughtered in Myanmar (Burma), whilst the rulers of Bangladesh are as if they are sleeping, without seeing... then there is East Turkistan, in which China is committing massacres, whilst the current states in the Muslim Lands are maintain a silence like the silence of the graves. Whenever they do speak out, regarding the massacring, they claim that it is an internal matter for China!

[كَبُرَتْ كَلِمَةً تَخْرُجُ مِنْ أَفْوَاهِهِمْ إِنْ يَقُولُونَ إِلَّا كَذِبًا]

“What a terrible claim that comes out of their mouths! They say nothing but lies.” [TMQ Surah Al-Kahf 18:5].

Cont... page 5

Then the colonialist kuffar were not satisfied with the disgrace that they inflicted on the Ummah. Instead they violated its belief. So the lowly extremist burned a copy of the Noble Qur'an in front of the Turkish embassy building, in Stockholm, on Saturday 21 January 2023, after the Swedish authorities allowed that... Then their crimes continued to the burning of the Noble Qur'an in The Hague and then in Copenhagen on Friday, 27 January 2023. Subsequently, we watched as Al-Azhar, through its Al-Azhar Observer for Combating Extremism, issued a strongly worded statement condemning and demanding to stand in the face of attempts to violate religious sanctities. There is no doubt that the 'Ulema of Al-Azhar know that the response to the burning of the Noble Qur'an is not mere verbal condemnation, rather the armies must be mobilized in support of the Book of Allah (swt) and His Deen. Burning the Noble Qur'an is a declaration of war against the Islamic Ummah and its belief. Therefore, the response is a war that makes a fear-inducing example of them, to deter others. Allah (swt) said,

[فَإِمَّا تَنْفِقْنَهُمْ فِي الْحَرْبِ فَشَرِّدْ بِهِمْ مَنْ خَلْفَهُمْ لَعَلَّهُمْ يَدْكُرُونَ]

**“If you ever encounter them in battle, make a fearsome example of them, so perhaps those who would follow them may be deterred.”** [TMQ Surah Al-Anfaal 8: 57].

**O Muslims:** Aggression against Muslims is not confronted with embellished words for the sake of appearances, empty speech that neither benefits nor satisfies the need. Instead the aggression is repelled by the edge of the sword, with blows that make the enemy forget the whispers of Satan. This is what the Muslims were upon when they had a Khilafah, and the course of events during their rule speaks volumes of that. This is a proven fact that no one with vision and insight can deny. Its examples exist in the history of Muslims which have been transmitted in “The Beginning and the End” by Ibn Katheer, “The Conquest of the Lands” by Al-Baladhuri, “The History” by Ibn Khaldun and “The History of Islam” by Al-Dhahabi, amongst other sources. I now quote to you, from them,

“Then came the year 87 after Hijrah... within it Qutayba ibn Muslim opened Poykent, which is one of the districts of Bukhara... and it was not midday until Allah (swt) granted victory to them... The one who attacked the Muslims was a one-eyed man, from among them. When he was captured, he said, “I ransom myself with five thousand Chinese garments, whose worth is thousands of thousands.” So the commanders advised Qutayba to accept that from him. Qutayba said, **“No, by Allah, you will never strike fear in a Muslim again.” Then he ordered regarding him and his neck was struck...**”

“Then came the year 90 after Hijrah... within it Raja Dahir, the ruler of Sindh, attacked a ship carrying Muslim women, and took them captive. So the Khaleefah sent a message to his waali (governor) to take revenge on that oppressor. Thus Muhammad bin Al-Qasim led an army and saved the Muslim women, took revenge on that tyrant ruler and conquered the land of Sindh.”

“Then came the year 223 after Hijrah, and the Byzantine King went out to the Muslim Lands, killing and capturing the people of Zabtara. A woman called out, “O Mu'tasim, where are you.” This call reached the Khaleefah al-Mu'tasim, who answered, “At your service.” He personally led an army and avenged the woman. He asked which of the lands of the Byzantines was the greatest. He was told that it was Amorium, which was “near Ankara.” So he conquered it.”

“Then came the year 582 after Hijrah... within it Arnat (Raynald), the occupier of Al-Karak, treacherously blockaded the road, for a large caravan of Hujjaj (pilgrims), that came from Egypt whom he killed and captured. Thus Sultan Salah ud-Din prepared for war. He requested soldiers from the country. He vowed that if he was victorious over Arnat, he would kill him. So Allah made him victorious in the year 583 after Hijrah, in the Battle of Hattin, in the middle of Rabi' Al-Akhar. **Then Salah Al-Din killed Arnat, by his own hand, as a punishment for his treachery and blockading the roads.** It was then that the liberation of Al-Aqsa took place, on the 27th of Rajab, 583 after Hijrah.”

“Then in 1307 after Hijrah, in 1890 CE, the author of a script, which slandered the Messenger of Allah (saw), tried to show it as a play, in one of the theaters in Paris. When the Khaleefah Abdul Hamid learned of this, he summoned the French ambassador in Istanbul and deliberately met him in military uniform. Then he threatened him that if it was shown, the Ottoman State would announce the severing of relations with France, in a state of war. He addressed him in a harsh tone, saying, **“I am the Khaleefah of the Muslims... I will turn the world on your heads, if you do not stop this play.”** France responded by preventing the play from being shown...”

The colonialist kuffar were aware, at the time, that any violation of the sanctities of Islam, and Muslims, would be met with the cutting of tongues and the breaking of limbs... Today, the Noble Quran, the Messenger (saw) and the Muslim Lands are attacked, whilst the aggression is not avenged! This is only because there is no Imam, a Khaleefah Rashid (Rightly Guided Caliph), who protects the Ummah from the evil of enemies. It is narrated in the authentic agreed upon hadith, that he (saw) said,

**Cont... page 6**

«إِنَّمَا الْإِمَامُ جُنَّةٌ، يُفَاتَلُ مِنْ وَرَائِهِ، وَيُنْقَى بِهِ»

**“The Imam alone is a shield, behind whom fighting is engaged in, and by whom protection is sought.”**  
[Bukhari and Muslim]

In conclusion, I repeat my appeal to you, O people of power and protection... You are the only ones who can heal the Ummah's heart from its enemies, the enemies of your Deen. You are the only ones who can end the humiliation that has reached the Muslims in their lands... So arise to perform your duty, may Allah (swt) bless you. Arise to grant our Nussrah (Support), Nussrah for Hizb ut Tahrir to establish the Khilafah Rashidah (Rightly Guided Caliphate). It is not the only way for victory in terms of the current reality. Instead, it is because it is a great obligation of the first degree. Firstly, whosoever does not work while he is able to establish the Khilafah, and establish the Khaleefah who deserves the Bayah (pledge), then his sin is as great as if he had died a death of pre-Islam (Jahilliyah), evidencing the severity of the sin as he (saw) said,

«وَمَنْ مَاتَ وَلَيْسَ فِي عُنُقِهِ بَيْعَةٌ، مَاتَ مِيتَةً جَاهِلِيَّةً»

**“And whoever dies without having a pledge of allegiance on his neck, he dies a death of Jahilliyah (pre-Islam).”** [Muslim]. Secondly, Muslims undertook the pledge Bayah to the Khaleefah, before they undertook preparation of the Messenger of Allah (saw) for his burial and carrying out the obligation of his burial. All of that is due to the importance of the Khalifah. Thirdly, Umar (ra) on the day of his death, set a time limit, of three days and no more, for electing a Khaleefah from among the six who were given the glad tidings of Paradise. If no agreement was reached regarding the Khaleefah, within that period, then the dissenter was to be killed. This was within a gathering of the Companions (ra) about whom no evil was reported. Thus, it was a unanimous Consensus of the Companions (ra). However, as for us, “many multiples of three days” have passed over us! Indeed, the establishment of the Khilafah is a great matter.

**O Soldiers of Allah:** We realize that angels will not come down from the sky to establish a Khilafah for us. Rather, Allah (swt) will only send down angels to help us, if we work diligently to establish the Khilafah. It is a promise confirmed in the Book of Allah,

[وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ]

**“Allah has promised those of you who believe, and do good deeds, that He will certainly grant them succession in authority in the land, as He did for those before them.”** [TMQ Surah An-Nur 24:55]. It is a glad tidging of glory, after this oppressive rule, in the hadith of the Messenger of Allah (swt),

«ثُمَّ تَكُونُ مُلْكاً جَبْرِيَّةً فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا ثُمَّ تَكُونُ خِلَافَةً عَلَىٰ مِنْهَاجِ النَّبِيِّ»

“...And then there will be an oppressive rule as long as Allah wished it to be and then He will end it when He wishes to end it and then there will be a Khilafah (Caliphate) on the Method of Prophethood.” Then he (saw) was silent. [Extracted by Ahmad]. We also realize that the enemies of Islam consider the re-establishment of the Khilafah impossible. They repeat the saying of their supporters, from amongst those who mock,

[غَرَّ هَوْلَاءُ دِينَهُمْ]

**“their Deen has deceived them.”** [TMQ Surah Al-Anfal 8:49]. However, just as that saying was a curse on those who said it previously, for Allah granted glory to His Deen and gave victory to His people, it is a curse on those who say it today, for Allah, All Mighty, Most Wise, is with His sincere servants who work diligently, without departing from their hearts and limbs, the Speech of Allah (swt),

[إِنَّ اللَّهَ بِأَلْعِ أَمْرِهِ قَدْ جَعَلَ اللَّهُ لِكُلِّ شَيْءٍ قَدْرًا]

**“Certainly, Allah achieves His Affair. Allah has made a determination for everything.”** [TMQ Surah At-Talaq 65:3]. With each passing day, they are getting closer to this Qadr “determination,” by the Permission of Allah (swt).

[وَيَقُولُونَ مَتَىٰ هُوَ قُلْ عَسَىٰ أَنْ يَكُونَ قَرِيبًا]

**“They ask, “When will that be?” Say, “Perhaps it is soon!””** [TMQ Surah Al-Israa 17:51].

# Natural Disasters get worse in the absence of the Khilafah

## News:

A CNN news report 5 days after the Turkish earthquake warned of a worsening disaster outside of the initial collapse of infrastructure in the regions bordering Syria. The cold weather and rain with limited food, medical and water supplies entering the region means many will die needlessly. Shelter is a key factor affecting the rates of survivors at risk of hypothermia in the freezing winter conditions. **Syrians are particularly at risk as the UN has upheld a VETO on aid entering the affected areas.** Russia and China have used their positions to block 3 of the 4 entry points into the Syrian border drastically hampering the assistance that can be given to the thousands of women and children who have become homeless and have already stringent resources available to them.

## Comment:

The idea that a non-Islamic entity is in charge of whether Muslims receive life changing assistance or none is a forbidden state of affairs and is not accepted by Allah (swt).

The number of survivors is already miraculous with much more dead than those that made it out of collapsed buildings. To think that after all they have endured they would actually die due to something that was completely preventable is a horror greater than the earthquake itself.

Speaking at a press conference in Geneva, WHO incident response manager Robert Holden warned there were "...a lot of people" surviving "out in the open, in worsening and horrific conditions. We've got major disruptions to basic water supplies, we've got major disruption to fuel, electricity supplies, communication

supplies, the basics of life. We are in real danger of seeing a secondary disaster which may cause harm to more people than the initial disaster if we don't move with the same pace and intensity as we are doing on the search and rescue side."

The scale of the challenge is amplified by the fact that affected areas in both Turkey and Syria are facing colder than normal temperatures. For example, the Syrian city of Aleppo is forecast to have lows of  $-3^{\circ}\text{C}$  to  $-2^{\circ}\text{C}$  ( $27^{\circ}\text{F}$  to  $28^{\circ}\text{F}$ ) through this weekend, whereas February lows are normally warmer.

4 days after the earthquake, the Bab al-Hawa crossing – the only humanitarian aid corridor between Turkey and Syria was allowed to be opened. "How are roads okay for cars carrying bodies, but not for aid?" Mazen Alloush, Bab al-Hawa's frustrated spokesperson had asked CNN. Abu Muhammad Sakhour, a former merchant, is volunteering as a nurse in the rebel-held city of Idlib, dressing wounds for quake victims and checking up on the injured who have been discharged from crowded hospitals.

"The situation is catastrophic in every sense of the word," he said. "We are now healing our own wounds." For the vulnerable such as pregnant women, elderly, newborns and children, the hours spent in such conditions can be enough to cause death from exposure and weakness.

This matter of life and death is one that cannot be debated or left at the hands of votes casted by the enemies of Islam. What is actually happening here is the evil of nations voting whether people live to die. The Khilafah (Caliphate) and leader of Islam would never accept such as reality due to his accountability to send help to all in the region, including the non-Muslim citizens. No excuse can be given to not resume the Khilafah as a matter of immediate urgency before the next natural disasters occur and our Ummah are left with only dua' to Allah (swt)!

# The LGBTQ Agenda and its Gang are the Rotten Fruits of the Evil Secular Ideology

On 6th January this year, the body of Edwin Chiloba at the age of 24, a student of Eldoret University was found inside a box with some cloths covering his mouth and nose. His death led to an uproar both locally and internationally especially in the mainstream media and social media because Chiloba was a pro-LGBTQ activist. US State Department spokesperson, Ned Price announced on 10th January that US President Biden's administration would give support to the Kenyan government to investigate the said murder on the pretext of violation human rights.

Under the banner of human rights, the Western colonialists are promoting the decadence of LGBTQ (Lesbian, Gay, Bisexual, Transgender and Queer) gang. America, a country that approved the wickedness of same sex marriage in 1999, since the violent demonstrations in Stonewall of 1965/66 conducted by the homosexual community who wanted legal recognition and fought violently with police. One decade later, United Nations Council on Human Rights officially voiced its intention to recognize the rights of the LGBTQ gang. Amnesty International adopts the same position together with advocates' associations in numerous other countries in steadfastly protecting this evil.

By November last year, already 30 nations have officially permitted the evil that destroys generations. The African continent, where majority of its nations have not recognized or approved LGBTQ except South Africa, is under pressure from so called 'developed' secular nations that exploit political and socio-economic means to force upon them this immorality. It is disheartening to witness 'aid organizations' such as the United States Agency for International Aid (USAID) and Danish International Development Agency (DANIDA) conducting their activities that include spreading this evil in most African countries in the name of offering aid. LGBTQ curriculum, laws and propaganda including movies are being promoted and published like the film launched in 2020 which was banned in Kenya, "I am Samuel".

Promoting and encouraging this evil is a result of the fallacious concepts and liberal thoughts of the corrupt Western secular capitalist ideology that prioritized satiating of bodily desires at the expense of raising generations. Based on what they call personal freedom, they permit their societies to do anything as long as it will make them happy. It is in the same context that we are now here with the gross idea of same sex marriages! It is clear that the evil Western ideology protects and promotes the LGBTQ agenda.

**O Muslims!** Recognize that Western colonialists have already destroyed their generations and now are running fast to sabotage your families and make them like animals or worse than animals! The LGBTQ campaign is aiming at disintegration of morals and destroying good relations and cooperation between men and women that is essential for human society. The West directs its hostility and enmity upon you because of your steadfast position that the only marriage recognized by the Shari'ah is that between a man and a woman and not homosexuals or lesbians! The West and the movements it promotes like women movements and Feminists directly target you. Their objectives and innuendos against you is aimed at pushing you to swallow the kufr Western ideology as a whole or in bits including the LGBTQ agenda so that you accept and recognize their so called rights. Since the collapse of the weak communist ideology, the colonialist West finds no real ideological or intellectual rival except in Islam. Thus it is no surprise that Western propaganda brands you with evil names such as terrorists and extremists due to your opposition to the roots and fruits of their false ideas.

When those deluded persons spreading this evil are told, 'Stop bringing harm into the society', their answer is like what Allah (swt) said, 'No, we are reformers of affairs!' In addition, when told to fear Allah (swt) by desisting from evil thoughts and dangerous sins, they deliberately continue to embolden people to commit such debauchery. The colonialist West is well aware that you reject their evil, and why should you not steadfastly oppose such evil when you recognize clearly that Allah (swt) destroyed the evil people of the noble Messenger Lut (as):

فَلَمَّا جَاءَ أَمْرُنَا جَعَلْنَا عَالِيَهَا سَافِلَهَا وَأَمْطَرْنَا عَلَيْهَا حِجَارَةً مِنْ سِجِّيلٍ مَنْضُودٍ

**"So when Our command came, We made the highest part of [the city] its lowest and rained upon them stones of layered hard clay. [TMQ 11:82].**

**O Muslim Men!** Never forget that you are the guardians of your families (wives and children). Allah (swt) says:

الرِّجَالُ قَوَّامُونَ عَلَى النِّسَاءِ بِمَا فَضَّلَ اللَّهُ بَعْضَهُمْ عَلَى بَعْضٍ وَبِمَا أَنْفَقُوا مِنْ أَمْوَالِهِمْ ۚ فَالصَّالِحَاتُ قَنَاطٌ حَافِظَاتٌ لِّلْغَيْبِ بِمَا حَفِظَ اللَّهُ

**"Men are in charge of women by [right of] what Allah has given one over the other and what they spend [for maintenance] from their wealth. So righteous women are devoutly obedient, guarding in [the husband's] absence what Allah would have them guard. [TMQ 4:34].**

Cont... page 9

Your leadership and guardianship is not dictatorial over your families but rather leadership based on clear roles in order to ensure the highest levels of morality and cohesiveness amongst family members. Such leadership exists only in Islam and not anywhere else in the invalid secular capitalist Western ideology that has deluded man to chase his desires like an animal and deliberately sabotaged the sensitive relationship between men and women. The outcome of this ideology is to see families disintegrated with no mercy between the father and son and disrespect between the wife and husband! Fulfill your duties to Allah (swt) and to your wives and families, and fight the evil of LGBTQ and the rotten Western ideology in order to succeed in this life and the Hereafter.

movement that is working for the resumption of the Islamic way of life via the reestablishment of the Islamic state of Khilafah (Caliphate) based on the Prophethood in one of the major Muslim countries. This Khilafah State is a distinguished state that will comprehensively implement the noble Islamic ideology in all spheres of life and protect the society against all evils.

يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life.” [TMQ 8:24]

**O Muslims!** It is our individual and collective duty to raise our voice to expose these evil ideas and oppose these malicious acts, explain the importance of the institution of marriage and the relationships between men and women; all on the basis of our Islamic ideological viewpoint. Let us unite with Hizb ut Tahrir, an Islamic

# O Muslims, Put an End to the Chaos in the World by Having Tawakkul in Allah (swt) and His Shariah and Work for the Khilafah

Written for the Central Media Office of Hizb ut Tahrir by

Sarah Mohammed – America

Since the destruction of the Khilafah (Caliphate) in 1924, every corner of the world has continually been in chaos. This is despite the fact that there has been progress in technology, medicine, agriculture, military, and seemingly progress in politics and in creating equal rights between the races and sexes. We have been hoodwinked into believing that the very system that tells us we do not need to look to the Quran and Sunnah (i.e., the separation of church and state), but rather to a man-made system (i.e., democracy) based on human desires, and an economic system (i.e., capitalism) based on riba that puts the majority of wealth in the hands of a few to guide all of our life's affairs. We should sit back and reflect on why all of these crises are perpetually happening and with each attempt to "solve" them, matters become worse, or new crises are created regardless of how much advancements we seem to make. On deep examination, it becomes obvious that these crises are not from nature, accidents, or organically occurring in society, but by design of those who took control over the world and forced the system of secular capitalism from East to West.

In the Muslim world, when our shield was taken away, we were forced to live under brutal dictators, illegitimate monarchs, presidents, and prime ministers. We were forced to live under abject poverty, the wastage and theft of natural resources, the dissolving of educational and medical institutions that were once the centers of progress and superior healthcare, the disintegration of the relationships between husband and wife; parents and children with the introduction of feminism, individualism,

and LGBTQ+, the constant violence, and a never-ending refugee crisis that has plagued us since we were divided into nation states. They took away our lens on how to conduct our life's affairs by replacing halal and haram with the capitalist concept of benefit and harm.

Yet, even in the United States, with all its power, money, and ever-changing laws meant to be inclusive and progressive; the chaos and crises never end. Despite the outcry by the public and government officials over George Floyd, black people in America are still murdered and incarcerated at a greater number than any other race, or ethnic group. Despite the promises of Biden and Democrats to help those wishing to escape poverty and violence to live in the United States, migrants are still being locked in prisons facing deportation. Despite the feminist movement, women in America still face income inequality, are still objectified, face rampant sexual assault, and are at a greater risk of living in poverty with their children. Despite gun laws, the United States has the highest level of gun violence amongst other rich nations that just keeps getting worse, as is evident with one of the latest school shootings where a 6 year old boy shot his teacher. Despite being one of the richest countries in the world, food insecurity is the norm for 34 million Americans, as well as, some who do not have indoor plumbing, access to education, healthcare, and clean water! Despite being heralded as the beacon of equality and democracy, the nation witnessed the infamous insurrection of 2021 that exposed the deep dissatisfaction and divisions that existed within the society.

Is this who we should be looking at to guide us? Is this not a sign for us that living under man made laws will bring us nothing except disorder and trauma.

How can we continue to look towards democracy, capitalism, and secularism to solve our problems when Allah (swt) has given us the rulings and the blueprint on how to implement it as laid out by our beloved Prophet Muhammed (saw) when he established the state in Madinah? Though it may seem like a monumental task, we must take inspiration from our Prophet (saw) and the Sahaba (ra) when they went head to head with not only the small pagan tribes, but with the superpowers of the day; the Romans and the Persians, who were much better off in numbers and military technology. However, what the Muslims lacked in numbers and technology, they made up for with something much more powerful; Iman and Tawakkul in Allah (swt). And Allah (swt) granted them victory over the oppressors of their time. They looked at the world through the lens of Islam and what guided them in their decisions was seeking the pleasure of Allah (swt). This is how they were able to make great strides in spreading Islam through the implementation of the Shariah and jihad fisabilillah via the Khilafah state.

We must take heed of these lessons and just as the Sahaba (ra) did, conceptualize our belief in Allah (swt) and be convinced that it is only through our trust in Him that we will be able to make the real change required of us to bring order and stability to the world. Through the Shariah, sent to us by our Creator, we have the most perfect and sufficient laws to solve all our affairs and any attempt to seek judgment from anything outside His Shariah is a trap of the Shaitan to lead us astray. Allah (swt) has bestowed His blessings upon us by perfecting His Deen for us and making us witnesses to humankind just as Prophet Muhammed (saw) was a witness over us.

وَكَذَلِكَ جَعَلْنَاكُمْ أُمَّةً وَسَطًا لِتَكُونُوا شُهَدَاءَ عَلَى النَّاسِ وَيَكُونَ الرَّسُولُ عَلَيْكُمْ شَهِيدًا

**“We have made you [believers] into a just community, so that you may bear witness [to the truth] before others and so that the Messenger may bear witness [to it] before you.”**[TMQ: Al-Baqarah:143]

We need to look beyond ourselves as individuals and remember that Allah (swt) sent His Quran and His Shariah as a mercy to humankind. This requires the Ummah of Muhammed (saw) to revive itself through its firm conviction by resuming the Islamic way of life via the re-establishment of the Khilafah. The practical manifestation of the Shariah will undoubtedly serve as a beacon of light and a way out for a world that is surrounded by the darkness and chaos of Capitalism. Through the Khilafah state, standing behind a just Khalifah (Caliph), the Ummah will be ready to use all of its resources to take Islam to the world.
