

### Press Release

## By Arresting the Dignified Women Members of Hizb ut Tahrir, Hateful Hasina and Her Police Thugs Not Only Invited the Wrath of Allah but Also Made Their Life to Be an Absolute Nightmare before the Court of The Emerging 2<sup>nd</sup> Khilafah Rashidah

On Sunday, 30 August, 2015, two women members of **Hizb ut Tahrir** were arrested by the shameless Detective Branch thugs of the police from Uttara, Dhaka. One of them is a dentist and the other is an engineer by profession. The only crime these two innocent and defenceless Muslimahs committed was to invite their acquaintances to participate in an Islamic online conference that **Hizb ut Tahrir** is set to hold on coming Friday (04 September, 2015) titled "Emerging Khilafah...The Inevitable Transformation of Bangladesh's Politics and Economy." What threat did the dignified daughters of the Ummah bring to the society other than winning people over with the words of Allah *azza wa jal* regarding the obligation of the Khilafah! When Allah praises those Muslims who invite people to Islam: ﴿وَمَنْ أَحْسَنُ قَوْلًا مِّمَّنْ دَعَا إِلَى اللَّهِ وَعَمِلَ صَالِحًا وَقَالَ﴾ **“And who is better in speech than one who invites to Allah and does righteousness and says, “I am one of the Muslims.”** [Surah Fussilat: 33], it is considered to be a criminal offense by the trembling evil regime of Sheikh Hasina who dares to stand against the wrath of Allah by having the courageous sisters detained by her thugs. This unjust arrest of these women of significance has opened another shameful chapter of the Fir'auni Hasina government to satiate her malicious hatred against Islam and the dawah carriers.

Oh Tyrant Hasina, daughter of the fallen tyrant! Don't you even think that you would be spared from the severe punishment of the court of the emerging Khilafah after such heinous act against our sisters whose status is a very noble and lofty one in the eyes of Shari'ah. Your government's days are counted and we very well sense your desperation and fear about the imminent rise of the second Khilafah Rashidah upon the method of the Prophethood under the sincere leadership of the Ameer of **Hizb ut Tahrir** Ata Bin Khalil Abu Al-Rashtah. Your demise is just a matter of time, no matter how vicious and sadistic you desperately become to hold onto the power. We will neither spare you nor the police thugs who carry out your order to humiliate and harm the sincere workers of the Khilafah.

May Allah (swt) fill the heart of our sisters with sabr and tranquillity, relieve them of their calamity and punish their oppressors and cover them with His Mercy, and raise them high in status in this Dunya and the Akhirah because of their patience and sacrifice. May Allah remove the tyrants of our lands and make us victorious to bring back the glory for Islam and the Muslims. By your Mercy, Oh the Most Powerful!

﴿وَتُرِيدُ أَنْ نَمُنَّ عَلَى الَّذِينَ اسْتُضِعُوا فِي الْأَرْضِ وَنَجْعَلَهُمْ أَئِمَّةً وَنَجْعَلَهُمُ الْوَارِثِينَ﴾

**“And We wanted to confer favor upon those who were oppressed in the land and make them leaders and make them inheritors”** [Surah Qasas: 5]
