

Press Release**Release the Dignified Women Members of Hizb ut Tahrir and Stop the War against Islam**

**Hizb ut Tahrir** organized Public Talks after Jumma prayers today outside several prominent mosques across Dhaka city demanding immediate release of two women members of the party who were arrested on 30 August (2015). It has been more than a month and they are still in detention. Furthermore, last Wednesday (07/10/2015) the tyrannical regime of Sheikh Hasina has carried out another outrageously shameful arrest of a sister of an activist of the party in Jessore. Tanzila Tamanna, the 23-year-old talented student of Michael Madhusudan College of Jessore, was detained and later sent to jail because her brother happens to be an activist of **Hizb ut Tahrir** who is already imprisoned by the despotic regime as a reaction to their failure to spoil the successful online political conference of the party on September 4, 2015. Not only that, this innocent Muslimah who is also a caring mother of a one and a half year old baby has been arrested preposterously. Hasina's terrorists have already charged Tanzila's two other sisters, one of whom is six months pregnant, along with their husbands under anti-terror law for which they are now homeless because of the fear of state-sponsored violence. It also came to our knowledge that these brutal thugs had been continuously threatening Tanzila's parents that they would detain all of their children one by one if they fail to hand over their two other daughters and their husbands to the police! Prior to this the father of an activist of the party, also in Jessore, was arrested on 26/09/2015 because he denied handing over his son to the police. **Hizb ut Tahrir** strongly condemns such arbitrary detention of family members of the party's members and activists and demands their immediate release.

All of these despotic acts reveal the Islam hating nature of the Hasina government that is serving the imperialist Kafir states in their War against Islam who are desperate to prevent the return of the Khilafah at any cost. However it is better for the masters and the agents to quickly come to the realization that they are fighting a losing war; the War against Islam has only one inevitable outcome decreed by Allah (swt) and that is the victory of Islam. There is no better sign of that than what they are witnessing of entire families and households adopting the call for Khilafah in a remote district. And the agent regime and its thugs should stop participating in the War against Islam before it is too late, because upon the return of the Khilafah upon the method of the Prophethood they will be seized and their masters can do nothing to save them.

﴿إِنَّ الَّذِينَ يُحَادُّونَ اللَّهَ وَرَسُولَهُ أُولَٰئِكَ فِي الْأَذَلِّينَ كَتَبَ اللَّهُ لَأَغْلِبَنَّ أَنَا وَرُسُلِي إِنَّ اللَّهَ قَوِيٌّ عَزِيزٌ﴾
