

Press Release

**Secular Rulers will Always Turn a Blind Eye to the Plight of the Rohingya Muslims  
The Brave Leadership of the Khilafah (Caliphate) is the Only Way to Bring  
a Permanent End to the Helplessness of the Rakhine Muslims**

The armed forces of Myanmar (Tatmadaw) have intensified attacks on the Rohingya Muslims of Rakhine over the last weekend. The military kept the said state under lockdown since last month and in the last five days at least 130 people have died horrifically during the onslaught and large numbers of our sisters have been reported to have been raped by the army. Myanmar army has unleashed an unimaginably frightful wave of horror by levelling entire village tracts with rockets and helicopter gunfire. Military gunboats are firing on fleeing civilians as they are trying to escape the brutal crackdown and being forced to return home before being killed by helicopter gunships, heavy machineguns and rocket launchers. Children and infant babies are being thrown into the fire after being grabbed from the mothers while their houses are being burnt.

On the other hand, secular Awami League government's border police have strengthened security along the frontier with Myanmar to stop Rohingya Muslims from entering Bangladesh and kept on pushing back large groups of Rohingya Muslims fleeing persecution, leaving them stranded at sea miserably. By not letting the helpless and terrified Rohingya enter Bangladesh, treacherous Hasina has once again proved that her calls for 'greater unity of Muslim Ummah and pursuit of the great Islamic values of fraternity, justice and inclusion' in the OIC summits are nothing but worst lies to deceive the Muslims.

**O Sincere Officers of Bangladesh Military!** O the successors of the noble Ansar (RA) and descendants of Salahuddin! We call upon you to rise against these traitorous rulers who kept you busy in protecting the colonial interests of their masters through the UN peace keeping missions, whereas they have been preventing you from waging Jihad to protect your brothers and sisters in Islam who are being subjected to brutal bloodbath by the enemies of Allah. We urge you to move now and fast to remove these secular agents of the kuffar and grant the material support (Nusrah) to Hizb ut Tahrir for the establishment of the promised second Khilafah Rashidah (Caliphate) upon the method of the Prophethood. Fear Allah, fear the plight and tears of blood of your fellow Rakhine Muslims, O the sincere sons of the armed forces! March forth in the cause of Allah and stop obeying these nation-state rulers who are leading you away from the mercy of Allah.

﴿يَوْمَ تَقَلَّبَ وُجُوهُهُمْ فِي النَّارِ يَقُولُونَ يَا لَيْتَنَا أَطَعْنَا اللَّهَ وَأَطَعْنَا الرَّسُولَ \* وَقَالُوا رَبَّنَا إِنَّا أَطَعْنَا سَادَتَنَا وَكُبْرَاءَنَا فَأَضَلُّونَا السَّبِيلَ﴾

**“The Day their faces will be turned about in the Fire, they will say, "How we wish we had obeyed Allah and obeyed the Messenger. And they will say, "Our Lord, indeed we obeyed our masters and our dignitaries, and they led us astray from the [right] way” [Surah Al-Ahzab: 66-67]**
