## Scared of the Ummah's Protests the Desperate Government is Trying to Silence School Students

### These Despicable Actions will Not Save Hasina's Regime and its Secular Ruling System

The Directorate of Secondary and Higher Education (DSHE) issued directives on Thursday, 8<sup>th</sup> of October, to students and teachers of the country, where they were ordered to refrain from uploading, commenting, liking or sharing any post, photo, video or audio on various social media platforms that tarnishes the image of the government or the state. They were also ordered to refrain from posting any defaming content about important people of the state, institutions or any profession on social media. And it was also warned that whoever disobeys this will be treated under law. This desperate measure is part of the regime's ongoing heavy clampdown to crush Ummah's voice by fear and intimidation. Even though the despotic Hasina regime has been successful in muzzling the news media and the press, it has failed to curb the people's voice in the social media. The government is now fearful seeing that they are not being able to stop particularly the emergence of the young brave faces like Abrar Fahad even after their nonstop arbitrary arrests, and state-sponsored persecution and murders for the social media posts against government's tyranny, corruption and against anti-state activities of serving Imperialist Kafir-Mushrik's interests. This is evident in this latest move of this autocratic regime which now considers even the school and college going teenagers as its opponent, who expressed their anger and distrust against the current secular system and its ruling classes in various social movements and social media platforms in "road safety movement", "anti-rape movement", etc. It is very also alarming for the regime's colonialist masters that people in Bangladesh are now totally disenchanted with the capitalist democratic system that is producing the likes of Awami-BNP regime, and are now passionately supporting the call of the Khilafah (Caliphate) ruling system. Now, the only option left for this bankrupt puppet regime to cling onto power is to heighten the intensity of fear, persecution and intimidation.

**O People**, Hasina's regime is trembling as it sees that people from every age cohort are now disillusioned with their ruling and the democratic system itself. With the increasing level of tyranny and atmosphere of fear, these western puppet regimes can only dare to delay the return of the only solution to your problems – the second Khilafah Rashida (rightly guided Caliphate) on the method of Prophethood – which will return soon, insh'Allah, RasulAllah (saw) gave this glad tidings: «ثُمَّ تَكُونُ خِلَافَةٌ عَلَىٰ مِثْلِهَا النَّبِيُّ» **“And then there will be Khilafah (Caliphate) on the method of Prophethood”** (Extracted by Ahmad). Therefore, neither fear nor despair, and stand beside the truthful party **Hizb ut Tahrir** that never lies to you about your true salvation, and speed up your effort to uproot this evil secular system along with its tyrant rulers. No matter how strong these regimes appear and how desperate they become to intensify their tyranny to hold onto the power, Allah Azza Wa Jal has described their nature as the weakest of the house: ﴿مَثَلُ الَّذِينَ اتَّخَذُوا مِنْ دُونِ اللَّهِ أَوْلِيَاءَ كَمَثَلِ الْعَنْكَبُوتِ اتَّخَذَتْ بَيْتًا وَإِنَّ أَوْهَنَ الْبُيُوتِ لَبَيْتُ الْعَنْكَبُوتِ لَوْ كَانُوا يَعْلَمُونَ﴾

**“The parable of those who take protectors other than Allah is that of the spider, who builds (to itself) a house; but truly the flimsiest of houses is the spider's house - if they but knew”**. [Surah Al-'Ankabut, Ayat 41].
