## The Conclusion of the Campaign: “Upon the Centenary of the Destruction of the Khilafah ... O Muslims, Establish It!”

(Translated)

With the help of Allah (swt), today we conclude the [global campaign](#) launched by the Central Media Office of Hizb ut Tahrir, under the direction of the Ameer of Hizb ut Tahrir, the eminent scholar Ata Bin Khalil Abu Al-Rashtah, on the occasion of the 100th anniversary of the abolition of the second Khilafah Rashida (rightly guided Caliphate) around the world.

With the announcement of the start of the campaign, activities and media events were concentrated in several countries around the world. Since most of the countries, where the campaign activities took place, are still affected by the Coronavirus pandemic, these activities were carried out in accordance to the precautionary measures for public safety. There were pickets, video recordings of speeches, seminars and lectures, live interviews. Articles and press releases were published and broadcasted on websites and media stations.

The speeches and pickets were carried out in front of the historical landmarks of the Khilafah in the Islamic countries, to express the significance of this anniversary, and the extent of the Ummah's yearning and eagerness for its return, so that it reunites and gathers its diaspora and removes the causes of its division that the colonizer had planted among its sons, restores its glory, implements its Shariah law, takes care of its affairs in the best manner, and stops the enemies' united attacks and raises the banner of Tawheed over its lands, just as it was raised by the Messenger of Allah, may Allah's prayers and peace be upon him and his family, and his honorable companions, may Allah be pleased with them, on the day they established the first state for Muslims, by which they defeated the Persians and Romans, rulers of the world at that time, and they spread Islam and the call and were truly the best of a Ummah that was brought to humankind.

This campaign culminated with a speech by the [Ameer of Hizb ut Tahrir](#), may Allah protect him, of significant meaning directed to the Islamic Ummah; he reminded it of this great obligation, the obligation of the establishment of the Khilafah. He presented the Shariah evidences on that and the great importance of this matter to the Islamic Ummah and others alike.

The calls and invitations that came in speeches, conferences, pamphlets, and pickets, were in their entirety a direct call to the Islamic Ummah and its armies to return to that glory and pride that existed under the Khilafah and the rule of the true Shariah, and that Hizb ut Tahrir has shown the way to return to this great blessing, and it is still working with the Ummah to eliminate its dependence on the man-made kufr systems imposed by the kaffir colonial West.

Likewise, we in the Central Media Office of Hizb ut Tahrir, send a sincere appeal to every Muslim protective of Islam who works in the media to participate in spreading this effort exerted to please Allah (swt), and to contribute in turn to the call for the return of the glory of the Muslims, the call for the establishment of the second Khilafah Rashidah on the method of the Prophethood.
