

Press Release

## The Rulers of the House of Saud Still Receive the Jewish Entity's Thugs in the Islamic Peninsula!

(Translated)

After public opinion in Muslim countries was outraged by the spread of a new video of a journalist from the Jewish entity's thugs wandering in Makkah Al-Mukarramah, the Saudi police announced the arrest of the citizen and his transfer to the Public Prosecution after facilitating the entry of this thug to Makkah Al-Mukarramah. The news report states: "On Friday, the Saudi police announced the arrest of a citizen and his transfer to the Public Prosecution after facilitating the arrival of a foreign journalist to Makkah and following the path of Muslims. This was about five days after the 'Israeli' Channel 13 published a report by its correspondent Gil Tamari, showing his secret entry to Makkah during the Hajj season. The police spokesman said that what the Saudi citizen did was a clear violation of the regulations that prohibit entry to Makkah for non-Muslims, and called on all those coming to Saudi Arabia to "respect the regulations and abide by what they stipulate; especially with regard to the Two Holy Mosques (the Grand Mosque and the Prophet's Mosque) and sacred sites." (The New Arab)

The rulers of the House of Saud are deceiving the Islamic Ummah and plotting against its sanctities. For years, they have been facilitating and even coordinating the visits of the Jewish entity's thugs to the land of the Two Holy Mosques, then they announce them in the media and observe the reaction of Islamic public opinion to it. Their goal is to sow despair in the hearts of Muslims, especially the people of the two Holy Mosques, that normalization with the Jewish entity is a reality and just needs to be announced!

From the strong relationship of the rulers of the House of Saud with the Jewish journalist Thomas Friedman, to the close relationship with the son-in-law of former US President Jared Kushner, about whom Trump said that his loyalty to the Jewish entity is stronger than his loyalty to America, to the pictures of the Jew Ben Tzion from inside the mosque of the Messenger of Allah (saw) in 2017, to the statements of the journalist Ahmad Al-Arfaj through the Rotana Channel (owned by Al Saud) about normalization with the Jewish entity, to the immorality of their young activist, Mohammed Saud, who paid a public visit to the Jewish entity, then he received two elderly Jews at his home in Riyadh and danced with them in his house and declared his love for them. Then he made a call with the Prime Minister of the Jewish entity, Benjamin Netanyahu, where he also told him that he loves him, then broadcasted a video from Riyadh wishing victory for the Jewish entity over the people of Gaza. to allowing the commercial flights of the Jewish entity to cross in the airspace of the land of the Two Holy Mosques, to the wandering of the military correspondent of the Jewish Channel 13 ... all the way to the entry of another reporter from the same Channel 13 to Makkah Al-Mukarramah during the Hajj season.

And every time the regime justifies it, and the result is the same. The prelude, the prelude, and the prelude to the return of the Jews to the Peninsula of Islam, after they were forbidden for more than 1,400 years!

This is in addition to America's hints about secret visits by the enemy of Allah, Netanyahu, and the talk about his meeting with the Crown Prince of the House of Saud, Muhammad bin Salman.

Allah (swt) says: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فَإِنَّهُ﴾  
«O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you - then indeed, he is [one] of them. Indeed, Allah guides not the wrongdoing people» [Al-Ma'ida: 51].

It is well known that Jews are cowards in general who love the life of the world. They would not dare to visit the Peninsula of Islam had it not been for the authority of the Al Saud family that reassured them and gave them guarantees that no harm would befall them.

That is why we say that the rulers of the House of Saud lie to the people; even their police statement limited the problem to the entry of kuffar to Makkah and Medina only, and did not object to their entry into the Peninsula of Islam in the first place. And the rulers of the House of Saud memorize the words of the Messenger of Allah (saw): «لَا يَجْتَمِعُ فِي جَزِيرَةِ الْعَرَبِ دِينَانِ»  
«Two deens shall not co-exist in the Arabian Peninsula.» But their love for the Jewish entity has blinded them from protecting Islam and its sanctities.

Thus, the rulers of the House of Saud, under the leadership of their Crown Prince, Muhammad bin Salman, have revealed their true face, which is hostile to the interests of Muslims, especially after the establishment of the Entertainment Authority, the arrest of scholars, and the opening of the country to debauchery parties and its explosion of the crisis of addiction to stimulants (drugs) among the youth groups.

The daggers of Muslim rulers are still treacherously working behind the back of the Islamic Ummah, and are becoming fiercer. This is because their master in the West has realized the power of putting pressure, inherent in the youth of the Islamic Ummah, and that the Islamic Ummah prefers unity over division, and that the Khilafah (Caliphate) is inevitably coming. So, they resorted to directing the rulers, the agents, to expedite the abominable process of normalization.

But the Ummah is on the lookout for them, grinding its teeth, waiting for announcing its victory, to pounce on the Jewish entity and its lovers, to make them history.

Allah (swt) says:

﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ أَوَّلَ مَرَّةٍ وَلِيَبْتِئَرُوا مَا عَلَوْا تَتْبِيرًا﴾

“Then when the final promise came, [We sent your enemies] to sadden your faces and to enter the temple in Jerusalem, as they entered it the first time, and to destroy what they had taken over with [total] destruction” [Al-Isra': 7].
