

Congratulation from Hizb ut Tahrir on the Occasion of the Blessed Eid ul-Adha

Allahu Akbar, Allahu Akbar, Allahu Akbar, La Ilaha Ila Allah, Allahu Akbar,
Allahu Akbar, Wa lilah Alhamd

(Translated)

In the name of Allah Al-Rahman Al-Rahim... Praise be to Allah and peace and blessings be on the most honourable of Messengers of Allah, who was sent as a mercy to humankind, our master, the master of all creation and seal of Prophets Muhammad (saw) and upon his ancestors, the father of Prophets, Ibrahim and upon our master Ismail, the Prophet offered for sacrifice, and upon the family of Muhammad (saw) and all of his companions.

Al-Bayhaqi extracted in As-Sunan Al-Kubra on the authority of Saeed Ibn Jubair from Ibn Abbas that the Prophet (saw) said: «مَا الْعَمَلُ فِي أَيَّامٍ أَفْضَلُ مِنْهُ فِي عَشْرِ ذِي الْحِجَّةِ. قَالُوا: يَا رَسُولَ اللَّهِ، وَلَا الْجِهَادُ فِي سَبِيلِ اللَّهِ؟» «No good deeds done on other days are superior to those done on these (first ten days of Dhul Hijja).» Then some companions of the Prophet (ﷺ) said, "Not even Jihad?" He replied, "Not even Jihad, except that of a man who does it by putting himself and his property in danger (for Allah's sake) and does not return with any of those things."

The blessed Eid ul Adha have arrived, the day of rejoice of the believers for completing their obedient actions (Ta'at) during these ten days. So congratulations to those who performed Hajj to the House of Allah and congratulations to those who increased the obedient actions in these blessed days.

On this blessed occasion of Eid ul Adha, the Ameer of Hizb ut Tahrir, the eminent scholar Ata Bin Khalil Abu Al-Rashtah may Allah protect him, congratulates all the sons and daughters of this noble Islamic Ummah with the following message:

[بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ]

All Praise is to Allah, and prayers and peace upon the Messenger of Allah, and upon his family, companions and those who follow him, and thereafter:

To the honourable Islamic Ummah, to the pilgrims to the sacred House of Allah, to the honourable Dawah carriers, to the respected visitors of the Facebook page,

Assalamu Alaikum Wa Rahmatullah Wa Barakatuh, may Allah accept your obedient actions (Ta'aat), and may Allah make your Eid overflowed with good and blessings. May Allah accept the Hajj of the pilgrims, and may Allah make it a Hajj that is accepted, an effort which is received and that sins are forgiven. I also ask Allah (swt) to grant Tawfeeq (success) to those who did not perform the Hajj this year that they perform it in the following year with goodness upon goodness.

My honourable brothers and sisters, we glorify with Takbir and we praise Allah for the blessing of Islam, and we glorify and praise Him (swt) for the blessing of carrying the call with the ranks of Hizb ut Tahrir to re-establish the Khilafah (Caliphate). We glorify and praise Him Subhanahu wa Taala that this party stood its grounds despite the conspiracy of the colonialists and their agents, the rulers of the Muslim lands, and despite the plots of the hypocrites, whose hearts are diseased and the slanderers. Indeed, we glorify Allah with Takbir: **Allahu Akbar, Allahu Akbar, Allahu Akbar, La Ilaha Ila Allah, Allahu Akbar, Allahu Akbar, Wa lilah Alhamd.**

The Khilafah, that Hizb ut Tahrir seeks, gives the colonial Kuffar sleepless nights, and terrifies their agents the rulers of the Muslim lands, and disturbs the hypocrites and the spiteful whose hearts are diseased, who chase after the Kuffar for protection from what they claim will befall them. ﴿فَتَرَى الَّذِينَ فِي قُلُوبِهِمْ مَرَضٌ يُسَارِعُونَ فِيهِمْ يَقُولُونَ نَخْشَى أَنْ تُصِيبَنَا دَائِرَةٌ فَعَسَى اللَّهُ أَنْ يَأْتِيَ بِالْفَتْحِ أَوْ أَمْرٍ مِنْ عِنْدِهِ فَيُضْبِحُوا عَلَى مَا أَسْرَوْا فِي أَنْفُسِهِمْ نَادِمِينَ﴾ **“So you see those in whose hearts is disease hastening into [association with] them, saying, "We are afraid a misfortune may strike us." But perhaps Allah will bring conquest or a decision from Him, and they will become, over what they have been concealing within themselves, regretful.”** [Al-Ma’ida: 52]

My brothers and sisters, crisis have escalated over the Hizb since its inception. As a result of the action of many people whom Allah has blinded their vision, due to their disbelief, or because of their hypocrisy Allah removed the sensation from their hearts, so they co-operated in sin and aggression thinking that they can stop the return of the Khilafah. They were nations stunned by the word of Truth, and groups and individuals who fear the word of truth, and both groups are surrounded by their evil conspiracy, and Allah the Great is Truthful: ﴿وَلَا يَحِيقُ الْمَكْرُ السَّيِّئُ إِلَّا بِأَهْلِهِ﴾ **“... but the evil plot does not encompass except its own people”** [Fatir: 43].

As for the Kaffir colonial countries spiteful of Islam and the return of its state, hateful of the Khilafah like the crusaders, these countries and their agents have exerted every effort possible to draw malignant methods and manufacture the hideous means of prosecuting the workers for the Khilafah state, arresting them and torturing them to the point of martyrdom in their prisons, justifying this for themselves with the crime of terrorism at times, and the claim of being a conveyor belt for terrorism at other times. Recently they came up with the claim of online terrorism! And that the party fills the pages of its members with views and ideas of terrorism inciting violence, so they are harassing the members of the party in their pages and pursuing them with arrest and torture on the pretext of carrying out online terrorism! And every eye can see that the pages of the members of the party radiate the truth of the word and showing the reality, while the pages of these people are overflowing with fraud, deceit, lies and slander! May Allah destroy them, how are they deluded...

As for those with diseased hearts, the hypocrites and those who spread rumours: Their violations and fabrications did not start today but from before, however their criticism and false claim at first was focused against the leadership and officials while being deceptive by showing confidence in the party's idea and method... This is how they presented themselves and concealed their real objective, which is to shake the party's entity and not just the leadership. But in recent years they have started attacking the entity of the party, its idea and method. They have focused their attack on adoption, support (Nusra), leadership of the Ummah, accountability, the monthly session, etc., and thus exposed themselves before others expose them! The objective they were hiding, which is to shake the party's entity in its idea and method, had become clear for everyone who can see ... But the party remained firm, distinguished and good. ﴿كَشَجَرَةٍ طَيِّبَةٍ أَصْلُهَا ثَابِتٌ وَفَرْعُهَا فِي السَّمَاءِ تُؤْتِي أُكْلَهَا كُلَّ حِينٍ بِإِذْنِ رَبِّهَا﴾ **“... like a good tree, whose root is firmly fixed and its branches [high] in the sky? It produces its fruit all the time, by permission of its Lord.”** [Ibrahim: 24-25] Praise be to Allah the Lord of the Worlds.

Honorable brothers and sisters, the colonial Kaffir countries and their agents will not rest, but they will continue to manufacture malicious methods, one after the other because preventing the success of the party in establishing the Khilafah is a vital issue for them just as establishing the Khilafah is a vital issue for the party and all the believers. Islam's enemies will not stop their plots against the party and the Khilafah, and will continue. Although they are superior to us in means, yet there are four facts that gives us reassurance and strengthens our resolve and will not be shaken by crisis or weakened by strife by Allah's permission; but rather they will increase us in strength upon strength, and the evil plotting will turn against the plotters and will lead to their destruction. ﴿وَقَدْ مَكَرُوا﴾ **“And they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been [sufficient] to do away with the mountains”** [Ibrahim: 46].

And the Hizb continues to proclaim the truth and does not fear anyone's blame for the sake of Allah, until it re-establishes the Khilafah by Allah's permission, in spite of the will of those people.

Here are the four facts:

First Fact: With hardship comes ease, this is in the Book of Allah in more than one verse: ﴿حَتَّىٰ﴾ [They continued] until, when the messengers despaired and were certain that they had been denied, there came to them Our victory, and whoever We willed was saved. And Our punishment cannot be repelled from the people who are criminals” [Yusuf: 110].

This is confirmed by the Seerah of the Prophet (saw) that the victory was near with the increased hardship... In the Seerah of Ibn Hisham:

“Ibn Ishaq said: Khadijah bint Khuwaylid and Abu Talib perished in one year, and the calamities successively followed the Messenger of Allah (saw)... this was three years before the emigration... Ibn Ishaq said: When Allah Azza Wa Jal wanted to make His Deen dominant and strengthen His Prophet (saw) and fulfil His (swt) promise.... He (saw) received a group of Al-Khazraj ... He (saw) called them to Allah Azza Wa Jal ... they answered him and accepted from him ...”

The next season, the first pledge of Aqaba took place, then the second pledge, then the Hijra and the establishment of the state...thus when the working believers face hardship it is a forerunner of ease and victory by the permission of Allah Al Qawi, Al-Aziz, Al-Hakim.

Second Fact: Allah promised the succession (to authority), ﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ﴾ Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them” [An-Nur: 55].

The Prophet (saw) has given the glad-tiding of the Khilafah after the oppressive rule which we are living under: Extracted by Ahmad and Abu Dawoud on the authority of Hudhayfa that the Prophet (saw) said: «...ثُمَّ تَكُونُ جَبْرِيَّةً، فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعَهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَيَّ مِنْهَاجٍ...» «...then there will be oppressive rule (ملكًا جبرية) for as long as Allah wills, then he will remove it when He wills, and then there will be Khilafah upon the method of the Prophethood.’ Then he ﷺ was silent.”

Third Fact: The promise of Allah for succession and the glad-tiding of the Prophet (saw) of the return of the Khilafah is written in the Qadar of Allah, in His (swt) Knowledge in the Protected Decree (Al-Lawh al-Mahfoudh). Its appointed time is written by Allah Al-Aziz Al-Hakim and will not be delayed. And each day passes brings us closer to that decreed time, it does not distance us from it, and so our souls yearn and cling to this with hope.

Fourth Fact: Allah (swt) will not send down angels to establish the Khilafah for us, but it is Allah’s way (sunnah) to honour those from the people of the earth who are deserving to establish it by their own hands, with hard and serious work and being diligent and carrying out the work with commitment. Hizb ut Tahrir who is working for the Khilafah is by Allah’s permission deserving of it and worthy of it. We ask Allah (swt) to honour us with the victory and opening (*fatH*) and that we become the soldiers of the Khilafah and witness it, and our Takbirs of Eid join the Takbirs of the conquering soldiers in the battles of the clear victory ﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ﴾ “And that day the believers will rejoice * In the victory of Allah” [Ar-Rum: 4-5].

Allahu Akbar, Allahu Akbar, Allahu Akbar, La ilaha ila Allah, Allahu Akbar, Allahu Akbar, Wa lilah Alhamd

Your Brother

Ata Bin Khalil Abu Al Rashtah

Ameer of Hizb ut Tahrir

The eve of 10 Dhul Hijjah 1440 AH

corresponding 11/8/2019 CE]

The end of the speech of the Ameer of the Hizb, may Allah protect him.

It is also my pleasure to extend my congratulations and that of the Head of the Central Media Office of Hizb ut Tahrir and all its workers, to the Ameer of Hizb ut Tahrir, the eminent scholar Ata Bin Khalil Abu Al-Rashtah and to all the Muslims on this blessed Eid.

O Muslims:

This Eid has been called Eid Ul-Adha as a reminder for us of when our master Ibrahim carried out the command of Allah to sacrifice his righteous son Ismail (peace be upon them). When they believed in the vision, Allah (swt) praised their steadfastness and delivered a large sheep to replace our master Ismail.

The title of this sacrifice is in fact the title of the life of the world, it is a perishing abode and after it will be the eternal abode. The life of the world is an opportunity to sacrifice the perishing blessing in order to win the eternal bounties.

The Islamic Ummah are successive generations, each generation has a time and each time has a case seen as the number one issue that all the Ummah must sacrifice for. The issue of the Ummah's generation during the time of Salahuddin al-Ayyubi was the expulsion of the Crusaders from Ash-Sham, and the issue of the generation of the Ummah at the time of Qutuz was the kicking out the Mongols from the Muslim countries, and the issue of the generation of the Ummah at the time of Muhammad Al-Fatih (the Conqueror) was the conquest of Constantinople

But Salahuddin, Qutuz and Muhammad al-Fatih had an Islamic state to depend on to organize the ranks of the Ummah and to gather the energies to do what they did. Our generation at this time has no state to face the world with. Therefore the issue of this generation of the Islamic Ummah – our generation, is the re-establishment of the Islamic state, the Khilafah Rashidah State (the righteous Caliphate) on the method of Prophethood.

The return of the Khilafah will open for the Ummah the door of history once again as it has opened each time to the generations that preceded us. A chance for the Islamic Ummah to return to its role in the world by being the best nation that has been brought out to humankind, to bear the light and good for the people of the world, and to work with them to build the earth to be in its most beautiful condition as its Lord wants, rebuilding it based on a genuine revival that preserves the wealth of Muslims and preserves the chastity of young people, and removes the clouds of corruption that engulfed the whole earth.

O Muslims:

To those from the masses of the Ummah who are still hesitant or preoccupied to work to restore the rule of Islam, and to the people of power and protection and strength and authority, in this Eid, we remind you that life is a passing opportunity, and there is no opportunity after this opportunity. Take advantage of your age in that which pleases your Lord and spend your time in the number one cause of the Ummah, the issue of the re-establishment of the Islamic state, the second Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood.

O Muslims:

Hizb ut Tahrir, with its members, scholars and experts, extend to you their hands, to work with them to restore the ruling by Islam and to rebuild the Islamic state once again.

We call upon all Muslims to demand that the people of power and protection restore sovereignty to the law of Allah.

We call on the people of power and protection to change the situation of falsehood.

We invite you all to seize the opportunity.

We invite you to re-establish the second Khilafah Rashidah (righteous Caliphate) on the method of Prophethood.

Allahu Akbar, Allahu Akbar, Allahu Akbar, Allahu Akbar, Allahu Akbar, Allahu Akbar, Allahu Akbar

Eid Mubarak
