**The Fanfare of the Jordanian Foreign Minister is a Failure and a Shameful Fallacy
A Clear Difference Between Those who Cannot and Those who do not Want to
Stop the Attacks of the Jews**

(Translated)

In an interview with Al-Jazeera Channel on Thursday, 6/4/2023, Jordanian Foreign Minister Ayman Al-Safadi stated the following:

- "Jordan alone cannot end the occupation, and Jordan alone cannot stop these attacks."
- "Jordan presented the martyrs, and Jordan offered many martyrs at the walls of Al-Aqsa and in all parts of occupied Palestine when the conflict was military."
- Jordan continues to "employ all its relations and the agreement (peace with 'Israel' signed in 1994) in order to support the brotherly Palestinian people."
- "What is happening in Al-Aqsa is a result of a complete absence of political horizons, which should take us towards resolving the conflict on the basis of the two-state solution, and ensure the legitimate rights of the Palestinian people"

Despite the brutal and blatant attacks of the Jews on Al-Aqsa Mosque, the expulsion of the al-mu'takifeen (worshippers) after the attack on them, and the destruction of the masjid's furniture and belongings in scenes that were livestreamed on the media. The Jordanian Foreign Minister comes out to us, shamelessly and audaciously, in his justifications for the failure to stop the attacks on Al-Aqsa, despite the cracking of the heads of the Ummah with the Hashemite guardianship over it, as we do not understand any meaning of the guardianship less than protecting and defending it, saying that Jordan alone cannot stop this assaults!!

This justification is the most fallacious that can be said in the conflict of the regime in Jordan with the Jewish entity over the decades, so people can wonder in astonishment about what time the regime has ever shown, and the people of Jordan whom the minister speaks on behalf of are not innocent of his statements, a desire or a hint to take action to be calculated alongside the response to the Jewish aggressions and violations that the minister is talking about!!

- So who continues to implement the humiliating Wadi Araba Treaty - and please spare us from the same words of support the Palestinian people by employing the agreement - the situation worsened and the aggressions and arrogance of the occupation increased only after the Camp David, Oslo and Wadi Araba treaties, because it was the systems of subordination and submission that provided cover for the Jews in their attacks, after they had the cost of managing their own security, which cost them dearly...

Aren't you, minister, who used to demand a two-state solution as dictated by the regime, America and Europe, and now you admit that there is a complete absence of prospects that lead to a two-state solution?! So where was the insight of the regime that speaks in its name and these prospects are fading away with the actions of the Jews on the ground that undermine the sinful two-state solution, which is originally rejected by the Ummah, and has no practical existence that can be achieved?! Or do you know that the goal is to reach this miserable situation to accept the liquidation of the Palestinian cause as wanted by international law and as America wants?!

- Since when did the regime have the military will and preparation for it, or at least hinting at it, in front of the usurping Jewish entity known for its enmity and ambitions since its inception, as an alternative to political treaties if they fail, as do countries that have true and honest dignity and sovereignty in their policies? Those who have taken or dictated surrender and acquiescence in the

name of peace do not have a strategic solution, but they are there when the matter requires standing with the Kafir colonial countries in their war against Islam and Muslim countries?!

- Whoever claims that his country cannot stop the attacks of the Jews as an ugly justification for those who do not want it, must first have the intention, the will, and the preparation to match the best military capabilities, which we have and we are proud of their levels, but it is a shame to give in humiliation even out of dignity, magnanimity and diplomacy and using it as a justification for escaping from the option of war, especially in a Muslim country that most of its people, military forces, and army yearn for jihad in the way of Allah and the elimination of the Jewish entity faster than the best military experts can imagine. For the Jewish aggression and the justifications of the Ruwaibidah (incapable rulers) have been prolonged.

- And we can say with all boldness and sincerity that the Islamic nation, including the peoples of the region, believes with certainty that the survival of the Jewish entity and its boasting of its capabilities are nothing but illusions that would not have been possible had it not been for the means of strength and empowerment provided by the Palestinian Authority and the Arab countries that surround it which took upon itself the option of normalization with this illegitimate entity with economic, security and military treaties and agreements. It is the reason for its survival and its bragging about its blatant aggression, and it knows fully that it did not wage a real war with the Islamic Ummah that would make it a trace after an eye, and displaces those behind it, but it was waging theatrical wars in which the regimes of dependence conspire and make it a bogeyman to justify their failure to fight it in front of the Islamic Ummah.

- Finally, it is certain that when the real military confrontation and fighting with the Jews was imposed, victory in it was always the ally of the Muslims from the fighting armies and factions, defeating the Jewish forces and inflicting heavy losses on them, especially when the ruling regimes were absent from conspiring to stop the decision of war, and what is the battle of dignity, the withdrawal of the Jews from southern Lebanon and the Gaza Strip, and their losses in the Ramadan war, even if it was in its favor, and the commando operations in the occupied territories before the advent of the Palestinian Authority, are irrefutable evidence of the weakness of this monstrous entity.

O the People of Jordan...O Muslims:

The entity of the monstrous Jews will not disappear except through jihad in the way of Allah, and this is the Shar'i ruling for resolving the issue of Palestine, and saving Al-Aqsa from the criminal usurping Jews. Only the Muslim armies will stop the fury of the Jews and their tyranny under the shade of the Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood, led by the Khaleefah of the Muslims to liberate Palestine and Al-Aqsa from the usurping Jews, just as Salah al-Din liberated it on the day of Hattin. This is an honor that is not attained by the helpless conspirators and normalizers with the Jewish entity.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا عَدُوِّي وَعَدُوَّكُمْ أَوْلِيَاءَ تُلْفُونَ إِلَيْهِمْ بِالْمَوَدَّةِ وَقَدْ كَفَرُوا بِمَا جَاءَكُمْ مِنَ الْحَقِّ يُخْرِجُونَ الرَّسُولَ وَإِيَّاكُمْ أَنْ تُؤْمِنُوا بِاللَّهِ رَبِّكُمْ إِنْ كُنْتُمْ حَرَجْتُمْ جِهَادًا فِي سَبِيلِي وَابْتِغَاءَ مَرْضَاتِي تُسِرُّونَ إِلَيْهِمْ بِالْمَوَدَّةِ وَأَنَا أَعْلَمُ بِمَا أَخْفَيْتُمْ وَمَا أَعْلَنْتُمْ وَمَنْ يَفْعَلْهُ مِنْكُمْ فَقَدْ ضَلَّ سَوَاءَ السَّبِيلِ﴾

“O believers! Do not take My enemies and yours as trusted allies, showing them affection even though they deny what has come to you of the truth. They drove the Messenger and yourselves out of Mecca, simply for your belief in Allah, your Lord. If you truly emigrated to struggle in My cause and seek My pleasure, then do not take them as allies, disclosing secrets of the believers to the pagans out of affection for them, when I know best whatever you conceal and whatever you reveal. And whoever of you does this has truly strayed from the Right Way.” [TMQ Al-Mumtahanah:1]
