

Press Release

The Biggest Threat to the Fate of the Islamic Ummah is to prevent it from its Political Entity (the Khilafah State)

(Translated)

In the speech, delivered by his prime minister and his deputy for the Thirteenth Conference of the Organization of Islamic Cooperation in Istanbul, King Abdullah II said that the Ummah today faces challenges that threaten its Deen and fate.

How strange, by Allah, as if the challenges that threaten the Islamic Ummah, its Deen, and its fate are not the making of the rulers, and as if the Organization of the Islamic Conference, which became the Organization of Islamic Cooperation, did not originate in order to prevent the rise of the Islamic Ummah on the basis of Islam, and was not established in order to consolidate the division and fragmentation and pass what the head of Kufr and tyranny, America, wants!!

O Muslims:

The continuing and immediate threat to the Islamic Ummah and its Deen and its future is the subordination of the existing regimes in the Muslim world to the forces of disbelief and colonialism, and its involvement in their malicious imperialist projects, and the competing of the Muslim rulers and their dedication to implement them at the expense of Islam and the dignity and pride of Muslims and their wealth.

O Muslims in Jordan:

The biggest challenge facing your great Islamic Ummah, is the determination of the rulers to stop it from the re-establishment of its only legitimate political entity (the Khilafah state - Caliphate - on the method of Prophethood), which is the guarantee that it is a strong and trustworthy guard of the Deen and the guardian of the Ummah's present and future, and its good fate.

How strange, by Allah, as if the rulers of the Muslims are not partners with the West in shedding of the Ummah's blood, and the plundering of its resources, and in the manufacturing, feeding, and sponsoring of terrorism and using it to oppress and terrorize the Ummah, and using it to be a bridge to cross to their colonial projects in the Muslim countries, and the exploitation of its crimes to distort its Deen to be the gateway to discredit Islam and to change its concepts and misrepresentation of its rules under the so-called renewal of the religious discourse, to be in accordance to the specifications and standards of the enemies of Islam and those spiteful its people, under the pretext and lie of fighting terrorism.

O Muslims in Jordan:

The greatest and most serious threat to the Ummah and its Deen, and its present and future and its fate is the submission and surrendering by its rulers, who conspire to prevent its revival and insist on its oppression, by the exclusion of the Deen from the reality of life; so the great Islamic Ummah remains at the tail of the nations, and so that the Muslim countries remain the target of each spiteful treacherous greedy enemy.

O Muslims:

The rulers of the Muslims are meeting in Istanbul, but they have committed crimes against Islam and the Ummah:

﴿وَيَقُولَ الَّذِينَ آمَنُوا أَهَؤُلَاءِ الَّذِينَ أَقْسَمُوا بِاللَّهِ جَهْدَ أَيْمَانِهِمْ إِنَّهُمْ لَمَعَكُمْ حَبِطَتْ أَعْمَالُهُمْ فَأَصْبَحُوا خَاسِرِينَ﴾

“And those who believe will say, "Are these the ones who swore by Allah their strongest oaths that indeed they were with you?" Their deeds have become worthless, and they have become losers” [Al-Ma’ida: 53]
