Announcement of the Launching of the Campaign “The Light of Allah Will Never Be Extinguished”

(Translated)

In concurrence with the 95th anniversary of the calamity of the destruction and abolition of the Khilafah (Caliphate), that was followed by calamities and catastrophes befalling the Islamic Ummah from every place and direction. And do the pure blood of the Muslim flowed and still flows in rivers, the chaste honours were violated and still remain being violated, the lands were divided and continue to be divided further, and the resources were plundered and continue to be. The Islamic Aqeedah and its Ahkam (rulings) were targeted and continue to be targeted to distort its image, twist its Ahkam and thoughts and to create doubt amongst the Muslims.

In concurrence with this painful anniversary, we in Hizb ut Tahrir in the Wilayah of Jordan, announce our launching of a major campaign under the title: “**The Light of Allah will never be extinguished**”. That is to stand in confrontation to the colonial states of disbelief (Kufr); to expose their plans and styles to distort the thoughts of Islam and its rulings, to expose their conspiring against the Muslims and their Deen, to stand up intellectually and politically, from every Minbar and in all places, to the secular cronies of the forces of disbelief, oppression, tyranny and all those who assist them in their targeting of Islam in addition to their tools that they utilise to distort Islam and its thoughts. This campaign, will reach, by the permission of Allah, the general masses, all sectors and all of the political, tribal, economic, judicial, educational, media and rights based activities amongst others.

We ask Allah Al-‘Aliy ul-‘Azheem for Tawfeeq and assistance, coveting from Him Almighty reward and hoping that all those who hold their Deen dear to them and who adhere to the Book of Allah and the Sunnah of His Prophet (saw), that they will join us in the effort, work and reward in this campaign to stand up against the enemies of the Ummah and their assistants in our land; those who want to change Islam from the inside so that they are enabled to finish off this Ummah.

”They want to extinguish the light of Allah with their mouths but Allah will complete His Light even though the disbelievers hate (it).” [As-Saff: 8]
