## Has the Time Not Come for the Jordanian Army, the Achiever of Victory in the Battle of Al Karama

### to Mobilize in Support of Al-Aqsa Mosque and the People of Palestine?!

(Translated)

Despite the overwhelming rage that engulfs cities, villages, valleys and camps of Jordan in support for Al-Aqsa Mosque and the people of Palestine, despite the willingness of Muslims in Jordan to sacrifice in the way of Allah for the liberation of Al-Aqsa Mosque and the whole of Palestine... despite their repeated resounding appeals in demonstrations, marches and all events for Jihad and the mobilization of the army to liberate Al-Aqsa Mosque, the regime in Jordan deals with this grave and crucial matter with unequalled sensitivity and shameful humiliation in front of the Jewish entity as the regime closest to Al-Aqsa Mosque and the custodian of it. The custody which was placed by the Jewish entity in the garbage bin, by the Minister of Security of the Jewish entity who said, "Al-Aqsa is under the control of (Israel), it has the first and final say in opening and closing it." The regime in Jordan, instead of canceling the shameful and the disgraceful Wadi Araba Treaty, and declaring general mobilization and war against the Jewish entity in support of Allah's Deen, Al-Aqsa Mosque and the people of Palestine, we find it begging the Jewish entity with full humiliation to maintain on the status quo of Al-Aqsa Mosque under usurpation and occupation; and not taking unilateral measures in it and open it to the worshipers at a time when the spokesman for the Jewish Prime Minister Netanyahu said that the position of Jordan does not matter to them. What shame, humiliation and disgrace is this?!

The official Arab stance is worse. It did not stop at the point of abandoning Al-Aqsa and not supporting it, but instead it was a despicable stance entitled conspiracy. which was clearly manifested in the stance of the Arab League condemning the use of excessive force by the Jewish entity against the people of Palestine!! This means that non-excessive force is not condemned by them if used by the Jewish entity against Muslims in Palestine. It also means understanding what was done by the Jewish entity in Aqsa Mosque. This is one of the reaps of the last Arab treason conference held in the Dead Sea area in Jordan, whose final statement was a clear and official declaration of the disengagement of the Arab rulers from the Islamic Ummah and its issues, and an explicit declaration of the death of self-dignity and chivalry in hem, to satisfy the Kaffir colonist, hoping that they provide them with the ways for survival on the seats of government.

The stance of the rest of the regimes in the Muslim countries is no less despicable and conspiring, and among them who in his country armies in droves possessing the latest and all kinds of weapons and missiles and do not use them except to serve the countries of infidelity and colonialism!

In the face of this shameful and humiliating situation imposed by the Muslim rulers on the Muslim Ummah, has the time not come for the Jordanian army, which is the nearest to Al-Aqsa, the most cohesive among the Muslim armies in the region and the achiever of victory in the glorious Battle of Al-Karama, who defeated the Jews and shattered the illusion of the “invincible army”! Has the time not come for it to move in support of Allah’s Deen and the support of the people of Palestine and Al-Aqsa Mosque, which has been desecrated day and night with the feet of the Jewish herds until they prevented the prayer in it?! Has the time not come for the Jordanian army, which is the owner of the precedence in defeating the Jews to move in support of Masra (Journey) of the Messenger of Allah (saw), who described your land which you camp above it as the Land of Assembly (*al-Mahshar*) and Guardian (*Ribat*)?! Has the time not come for the Jordanian army, which the blood of its soldiers from the martyrs of Islam, have irrigated the soil of the Holy Land, to move?! Has the time not come for the Jordanian army to answer the call of the people of Palestine and the call of the Muslims in Jordan and the call of the Muslim Ummah?! Has the time not come for it to roar and move to liberate the captive Al-Aqsa and to sweep the Jewish entity from the whole of Palestine?! By Allah, you are worthy of that, you are worthy of the liberation of the Aqsa Mosque to be registered for you in sheets of light so you win this glory, which will keep your memory and the Duaa for you until the Hour.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ  
وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who believe! Answer Allah (by obeying Him) and (His) Messenger when he (saw) calls you to that which will give you life, and know that Allah comes in between a person and his heart (i.e. He prevents an evil person to decide anything). And verily to Him you shall (all) be gathered.” [Al-Anfal: 24].
