Modi is Committing Genocide of Muslims in Occupied Kashmir and India, Yet the Rulers of Pakistan Want Co-Operative Ties with the Butcher of Gujrat

Whilst the Muslims of Occupied Kashmir and India face brutal attacks by Modi and his Hindutva platform, Prime Minister, Shehbaz Sharif, tweeted to the Butcher of Gujrat, "Pakistan desires peaceful and co-operative ties with India." Thus, Democracy ensures a leadership that removes Pakistan as an obstacle to the rise of today's Raja Dahir as the brutal regional tyrant.

O Muslims of Pakistan! Under the banner of "regional connectivity" and "trade normalization," the close confidantes ('yaar') of Modi in Pakistan's leadership are herding us towards Akhand Bharat (Greater India), with the wholesale betrayal of the Muslims of Occupied Kashmir and India. Why must we abandon our brethren to make way for people of idolatry, bigotry and falsehood? We are an honorable people that are inheritors of a powerful Islamic legacy that began at the time of the Khilafah Rashidah, culminating in Islam's dominance of the Indian Subcontinent. The Islamic Indian Subcontinent's share of the world economy was 23 per cent, as large as all of Europe put together, rising to 27 per cent in 1700, in the time of Aurangzeb Alamgir. Centuries of Islamic ruling ensured prosperity and security for the region's inhabitants, regardless of their race or religion, earning their loyalty. It is not for us to make way for any regional order other than that imposed by the Khilafah (Caliphate) on the Method of Prophethood.

O Muslims of Pakistan's Armed Forces! How can you tolerate any leadership that is restraining you before the growing arrogance of Modi? You are the lions of the Ummah that must be unleashed, not restrained, chained and caged. It is no surprise that you strained restlessly at your restraints, as Modi fired a missile at you for the sake of his political standing, with no response from your spineless military leadership. And you strain at your restraints now as the confidantes of Modi, the Sharif brothers, side with General Bajwa in his wholesale surrender to India. Be as the military commander of the Ansar, Sa'ad ibn Mu'adh (ra), was during Ramadhan, before the Battle of Badr in 2 AH. When the Messenger of Allah (saw) sought counsel, Sa'ad ibn Mu'adh (ra) replied, وما نكره أن تلقى بنا عدونا غداً، إنا لصبرٌ، "We do not detest encountering the enemy. We are experienced in war and we are trustworthy in combat. Perhaps Allah will show you through us valor which will please your eyes. Kindly advance us to the battlefield, with the Blessing of Allah." So let Ramadhan witness your Nussrah for the re-establishment of the Khilafah on the Method of Prophethood, followed by your blessed advance to the battlefield, under the leadership of the Ameer of Hizb ut Tahrir, Sheikh Ata Bin Khalil Abu al-Rashtah.
