The Recent Political Chaos is a Power Struggle Between Competing Political Factions over a Throne of Humiliation, Treachery and Agency to America

The recent protest called the “Final Call”, began on 24 November 2024 and concluded at the D-Chowk square in Islamabad on the 27 November. In addition to the closure of roads, schools and internet networks, around a dozen people, including law enforcement agencies and civilians, were killed and several dozens were injured. However, whatever the outcome of the violent clashes, the plight of the people of Pakistan will remain the same. This political chaos is just a power struggle between different factions of agents of America. Real change for the people will only come when the armed forces grant their Nussrah for the establishment of the Khilafah Rashidah.

The various political factions in the present system have the same stance on all the major issues. The major issues are directed by the military leadership that is the agent of America. This includes burying the issue of Kashmir by asking for the resolutions of the United Nations to be implemented, submitting to normalization with India by increasing unannounced cooperation with India, refusing to mobilize the armed forces in support of Gaza, keeping the Taliban government under pressure in Afghanistan through border clashes, the destruction of the economy by implementing the conditions of the International Monetary Fund, suppressing the Dawah to Islam to ensure the dominance of the corrupt Western liberal values in the social system and British judiciary, alliance with the foremost enemy of Muslims, America, and ignoring the brutal persecution of the Muslims of Xinjiang (East Turkestan) in exchange for Chinese loans.

The visions, agenda and manifesto are the same for all the agents of America, with the exception of a few superficial differences. Thus the political chaos is nothing but a power struggle. Isn't our misery due to the wrong agendas and visions? Therefore, it is clear that this political chaos will not make any difference to the people, apart from their being crushed in the fight of these political elites! This protest has confirmed that comprehensive change cannot be brought about simply through public support. Change demands support from the armed forces as well. It has also confirmed that the people reject the current system and are calling for change. The most important factor for comprehensive change remains. It is convincing the sincere officers in the Pakistan's armed forces to grant their Nussrah for the establishment of the Khilafah Rashidah.

O Armed Forces of Pakistan! Allah (swt) has granted you the greatest military power of the Islamic Ummah, so do not betray your trust. What will it be like, when you mobilize to remove the agent leadership, ending the political chaos and agency to America. Grant your Nussrah to Hizb ut Tahrir for establishment of Khilafah (Caliphate) on the Method of Prophethood. The Khilafah will terminate all agreements with the colonialists, ending their dominance and influence over our lands. The Khilafah will close their bases, embassies and consulates and uproot all their colonialist programs. The Khilafah will mobilize you for the liberation of Gaza and Kashmir. The Khilafah will unify the brave and willing Muslims of Central Asia, the Gulf and other Muslim countries with the Khilafah, ending the humiliation at the hands of the treacherous rulers of Muslims. Commit to Islam, firm your resolve, fear none but Allah (swt), make Tawwakul on Allah (swt) and move for the Pleasure of Allah (swt). Allah (swt) said, ﴿إِنَّ اللَّهَ لَا يُغَيِّرُ مَا بِقَوْمٍ حَتَّىٰ يُغَيِّرُوا مَا بِأَنفُسِهِمْ﴾ **“Indeed, Allah does not change the situation of a people, until they change all that is within themselves.”** [TMQ Surah Al-Ra'd, 13:11].
