Narendera Modi, Butcher of Gujrat, Visits Pakistan

Is there no one in the Pakistan Army to Prevent Raheel and Nawaz from Betraying the Muslims of Kashmir and this Region?

On Friday, 25th December 2015, butcher of Gujrat, Indian Prime Minister Narendra Modi visited Pakistan, in a sudden, surprise visit. He was awarded with a red carpet welcome. After his arrival, Nawaz Sharif took Modi to his private home at Jati Umra, Raiwind, Lahore and introduced him as if Modi were a long-lost uncle that comes to visit, lighting up the whole house with joy.

Can any respectable man welcome a person who is an open enemy of the Ummah? Can any respectable man welcome a person whose every inch is drenched with animosity against Islam and Muslims? Can any respectable man welcome a person who commented on the massacre of the Muslims of Gijrat by saying that if a dog dies, even then a man feels sorrow? Can any respectable man welcome a person who admitted his open support to divide Pakistan? Can any respectable man welcome a person who has threatened Pakistan with surgical strikes? Can any respectable man welcome a person who spoke proudly regarding the capturing of ninety thousand Pakistani soldiers as prisoners of war in 1971, saying, "If we had a diabolic mindset, we do not know what decision we would have taken"? Can any respectable man welcome an enemy who still is killing Muslims and dishonoring our mothers and sisters in Kashmir and all over India?

By welcoming the enemy of Islam and Muslims, Narendra Modi, the Raheel-Nawaz regime has shown that it does not know anything about dignity, integrity and honor and would not hesitate to bow in front of India and sell the blood of thousands of martyrs of Kashmiri Muslims on American demand. Narendra Modi must not walk on red carpets, for he has walked on the blood of thousands of Kashmiri Muslims and only those are traitors to their people can allow such welcomes.

Is there no Khalid Bin Waleed, Muhammad Bin Qasim, Captain Sarwar Shaheed, Major Tufail Shaheed, Major Aziz Bhatti Shaheed, Major Shabbir Sharif Shaheed or Captain Karnal Shair Khan Shaheed in the Pakistan Army today, who listens to the cries of his brothers and sisters in Kashmir and responds to it, seizing the traitors in the political and military leadership and liberating the Muslims of Kashmir from the Hindu oppression? Will the sincere continue to watch these treacheries one after the other? Will sincere officers only move, when the water rises above the heads? This is the time that the sincere officers liberate their Ummah from the traitors in the political and military leadership and give Nusrath to **Hizb ut Tahrir** for the establishment of Khilafah upon the method of the Prophethood. Then the Khaleefah will destroy the colonialist borders that separate the Muslims of the region, unifying their human and material resources. Give your leadership to those who will only wish for martyrdom or success and liberate the Muslims and Non-Muslims from the oppression of the India's Hindu ruling elite.
