Gilgit-Baltistan Status

Raheel-Nawaz Regime Prepares to Hammer another Nail in the Coffin of Occupied Kashmir

As every day passes, the Raheel-Nawaz regime supervises the undermining of Pakistan and Muslims, to ensure the dominance of India. Even whilst seeking to fragment and demoralize the Afghan Taliban in their efforts to eject the American crusaders, the Raheel-Nawaz regime works incessantly to give up Occupied Kashmir to the Indians. On 8th January 2016, local media reported that the regime is mulling upgrading the constitutional status of its northern Gilgit-Baltistan region, which is also claimed by India, in a bid to provide legal cover to a multi-billion-dollar Chinese investment plan. Sajjadul Haq, spokesperson for the chief minister of Gilgit-Baltistan Hafiz Hafeez ur Rehman said, "A high level committee formed by the prime minister is working on the issue, you will hear good news soon." It is inevitable that this lying deceiving leadership would dangle the Chinese CPEC as a justification for the move. However, the reality is that it is just another nail in the coffin of Kashmir. Including Gilgit-Baltistan in the constitution cements the current Pakistan control of Northern Kashmir. This will provide India with the justification to maintain the current status quo in occupied Kashmir, such that the LoC becomes a de-facto border or soft border, in accordance with the American plan for Kashmir that it began peddling in the time of Musharraf. Moreover, energy starved and geographically disadvantaged, India will be the biggest beneficiary of the CPEC, to ensure that its energy and trade transit requirements are met.

Our duty as Muslims is to eradicate all occupation of the Islamic Lands, dethrone the rulers who are supporting the occupiers and re-establish Islamic Khilafah state in their place. Only the Khilafah will unify the Muslims as one state under the rule of Islam, uproot the fake borders that the Kuffar have imposed between the Muslims and end the occupation of the Kuffar. We invite you to work with **Hizb ut Tahrir**, which is working with seriousness and perseverance for the re-establishment Khilafah (Caliphate) upon the method of the Prophethood, by the permission of Allah (swt), Al-Hadi, An-Nasir.

﴿فَلَا تَهِنُوا وَتَدْعُوا إِلَى السَّلَامِ وَأَنتُمُ الْأَعْلَوْنَ وَاللَّهُ مَعَكُمْ وَكُنْ يَتَرَكُمُ أَعْمَالَكُمْ﴾

“So be not weak and ask not for peace (from the enemies of Islam), while you are having the upper hand. Allah is with you, and will never decrease the reward of your good deeds”. [Muhammad: 35]
