Raheel-Nawaz Regime Ensures Slavery to US

Despite Treacherous US Support for India, Raheel-Nawaz Regime Remains Loyal US Servant

On 23 June 2016, US Special Representative for Pakistan and Afghanistan Richard Olson said that India and Iran will be included in the Afghan peace process at a later stage. He further said that, “Pakistan does remain committed to the process of reconciliation and talks in Afghanistan”. After the infamous U-turn committed by Musharraf after 9/11, it was said that if Pakistan did not support America then America would have allowed India to play its role in Afghanistan. After Musharraf, the Kayani-Zardari regime and then the Raheel-Nawaz regime used the same justification for US support and allowed the US, an enemy of Islam and Pakistan, to establish itself on Pakistan’s door step, Afghanistan, and expended Pakistan’s economic and military resources to consolidate her occupation.

Hizb ut Tahrir from the very first day has been warning the Muslims of Pakistan and their armed forces that traitors in the political and military leadership have closed their eyes on the Indian intrusion in Afghanistan, as it is in the US interest, but this is a severe treachery. Now the US itself revealed that India will be included in the so-called “Afghan peace process.” Even though this process contradicts Pakistan’s interest as its purpose is to secure the US military footprint, the traitors have continued to support this US ploy. Even before this on 21st June 2016, the same Richard Olson claimed that Pakistan’s concerns over India’s role in Afghanistan were “overestimated”, while urging Pakistan to focus its attention on fighting terrorists, which means the US has no regard for Pakistan’s apprehensions.

The reality of Pak-US relations is that traitors in the political and military leadership of Pakistan have always accepted the US dictated role of “bait” to bring India into US domain. And now after the rise of BJP, when India has joined the US camp, the US is set on establishing Indian regional dominance. The US is not only working to make India a regional power, supporting her significant role in international affairs as well, but it has restricted Pakistan to fighting the resistance in tribal areas to secure US presence in Afghanistan and

establish the security of her cowardly soldiers in the face of the hardy and determined Afghan Mujahedin. On 27 June 2016, the US State Department Spokesperson Elizabeth Trudeau said in a briefing that the United States strongly supports India's role in global institutions, like the Nuclear Suppliers Group (NSG) and the United Nations Security Council. Now there is no room for doubt that the US is strengthening India, whilst burning Pakistan in a war of Fitna to weaken it. Yet still the Raheel-Nawaz regime remains loyal to the US.

Hizb ut Tahrir Wilayah Pakistan warns the Muslims of Pakistan, politicians, Ulema, intellectuals, journalists and officers of its armed forces that even though US treachery is obvious, the Raheel-Nawaz regime is still exploiting Pakistan to secure US interests in the region. In order to hide its severe treachery, this regime is using the China-Pakistan Economic Corridor to deceive the Muslims of Pakistan into thinking that it is trying to find a way out of slavery to the US.

Now there is no reason to give any benefit of the doubt to this treacherous regime, because no doubt is left. The Muslims of Pakistan and sincere officers in the armed forces must seize the hand of this regime before they destroy Pakistan completely. However, this can only happen when the Khilafah (Caliphate) on the Method of Prophethood is established because the Khaleefah Rashid is the true strong man who will expel the US from this region and destroy its plan to make India a regional power and international player. Thus the sincere officers in the armed forces must provide Nussrah to Hizb ut Tahrir for the establishment of the second Khilafah Rashida and eradicate this treachery.

“The likeness of those who take *Auliya*’ (protectors and helpers) other than Allah is as the likeness of a spider, who builds (for itself) a house, but verily, the frailest (weakest) of houses is the spider's house; if they but knew” [Al-Ankabut: 41].
