## Indian-US Alliance Against Muslims:

# Spineless Bajwa-Nawaz Regime Facilitates the US Plan for Akhand Bharat ("Greater India")

The Bajwa-Nawaz regime deserves immediate removal for its failure to counter the Indian-US nexus. So what of its working hand in hand with the US to ensure that India becomes the dominant regional power? The US President Donald Trump's meeting with Indian Prime Minister, Narendra Modi, at the White House on 26 June 2017, enhanced military cooperation. Trump enthusiastically thanked Modi for his substantial purchases of military equipment boasting, "Nobody makes military equipment like we make military equipment, so thank you very much." And to set the anti-Muslim mood for the alliance, following a bilateral meeting with senior members of both administrations, Trump said both the US and India have been affected by the "evils of terrorism" and the "radical ideology that drives them."

What an ungrateful master that the Bajwa-Nawaz regime has bound Pakistan to in slavery! Whilst the US demands that Pakistan sacrifices its troops and economy to further the US agenda, the US works actively to support India against Pakistan. As for the Bajwa-Nawaz regime, in blind slavery, it is fully assisting its master in his plans for Akhand Baharat ("Greater India"). Thus, the US is expanding India's nuclear capabilities, including the building of new nuclear reactors and the acquisition of sensitive missile technology through the Missile Technology Control Regime (MTCR), whilst the Bajwa-Nawaz regime's limits our ambitions to low-yield tactical nuclear weapons. The US is promoting the expansion of the Indian Kulbhashan Yadav network in Afghanistan, whilst the Bajwa-Nawaz regime works in co-ordination with the US agent in Kabul to create tensions with Afghanistan. Moreover, America demands the burial of the Kashmir issue and the declaration of those who are fighting for its liberation as "terrorists," whilst the Bajwa-Nawaz regime exercises "restraint" before open Indian hostility. As for the Deen of Muslims which is their most powerful possession, the US and Indian denounce it as "terrorism" and "radicalism," whilst the Bajwa-Nawaz regime works to forcefully stamp out Islamic political expression, including the call for the shield of the Ummah, the Khilafah. And the spineless Bajwa-Nawaz regime works to incapacitate us before the Western crusaders and hateful Hindu mushrikeen, even though Allah (swt) warned, ﴿مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ وَلَا الْمُشْرِكِينَ أَنْ يُنَزَّلَ عَلَيْكُمْ مِنْ خَيْرٍ مِنْ رَبِّكُمْ وَاللَّهُ يَخْتَصُّ بِرَحْمَتِهِ﴾ **Neither those who followed earlier revelation who deny the truth, nor the Mushrikeen like to see good bestowed upon you from your Sustainer; but Allah bestows grace upon whom He chooses - for Allah is limitless in His great bounty.** [Surah al-Baqara 2:105]

**O Sincere Officers of Pakistan's Armed Forces!** The spineless Bajwa-Nawaz regime is submitting to the US and India to establish an era of Akhand Baharat "Greater India." Expecting any real change and serious challenge from Bajwa and his hand picked men is a fool's expectation. It is clear that Bajwa is no less than Musharraf, who you curse at the very mention of his name. So that you do not regret the dark days of Bajwa in the future, end them now. Know that it is the Khilafah (Caliphate) on the Method of the Prophethood can alone effectively challenge the Indian-US nexus. It is the shield of the Ummah alone that will release Pakistan from the damaging alliance with US. It alone will work to ensure to prevent Pakistan from being weakened culturally, economically, politically and militarily through normalization with the Hindu State. It alone will work to motivate the entire Ummah on the basis of Islam, in the short path to ensure the unification of all the Muslim Lands as the single, most resourceful state in the world. The Ummah awaits her rescue at your hands and Hizb ut Tahrir demands the Nussrah for the re-establishment of the Khilafah on the Method of the Prophethood, so who will respond?
