

Press Release

End American Raj, Establish Khilafah Trump Screams Orders, Whilst Pakistan's Rulers Slavishly Strive to Save the American Raj

The US President Trump's 21st August Address confirms that Pakistan's leadership are busy digging our graves through their blind alliance with the despicable United States. Trump's *"path forward in Afghanistan and South Asia"* is about the Muslims of Central and South Asia submitting to the dominance of the Hindu State. The bigoted, treacherous Hindu State neither deserves such dominance nor could it ever achieve it, without Pakistan's rulers removing Pakistan's powerful armed forces as an obstacle to its rise upon Trump's orders.

Alliance with the US means that Trump is now working with Pakistan's rulers to herd the Afghan Taliban resistance into the maze of negotiations, so that the US secures for itself through talks, that which its cowardly troops could never secure on the battlefield in sixteen years. So, rather than leaving Trump to sink in the Afghan quagmire and retreat in humiliation, Pakistan's rulers are now busy in throwing him a political rope to secure the fragile, besieged US military footprint. And this is the practical outcome of Trump saying, *"We can no longer be silent about Pakistan's safe havens for terrorist organizations, the Taliban, and other groups that pose a threat to the region and beyond."*

Alliance with Trump means that once Pakistan's rulers stabilize Afghanistan, the gateway to Central Asia, India can fully share in its over \$1 trillion worth of mineral spoils, strengthening its ability to dominate the Ummah. So rather than urgently and practically leading the Ummah to effectively challenge the rise of Akhund Bharat ("Greater India") plan, Pakistan's rulers are maintaining "restraint" before India, whilst engaging in token exchange of fire, to bolster their weak standing in the eyes of Muslims. And this is the practical outcome of Trump saying, *"We appreciate India's important contributions to stability in Afghanistan, but India makes billions of dollars in trade with the United States, and we want them to help us more with Afghanistan, especially in the area of economic assistance and development."*

O Muslims of Pakistan! Our greatest burden are rulers that abandon the commands and prohibitions of Allah (swt) in their reckless pursuit to strengthen their masters in Washington. Allah (swt) prohibited alliance with the enemy, yet Musharraf opened our air corridors, bases and intelligence to the US, enabling it to violate our

region in the first place. Allah (swt) commanded fighting against the occupying enemy, yet, instead Kayani and Raheel undertook military operations to secure the US occupying forces in Afghanistan. Allah (swt) prohibited peace with those who fight us, yet, Bajwa is now working to trap the Afghan Taliban in the maze of negotiations, so that they lose that which they would never lose on the battlefield. And Allah (swt) prohibited for the Muslims to allow the disbelievers a way over them, yet, Bajwa is ensuring that the lions of our armed forces never strike at India in a way that would force it into retreat from its relentless mischief.

O Muslim Officers of Pakistan's Armed Forces! For too long you have been cursed by military leaders who defy the commands and prohibitions of Allah (swt) and His Messenger (saaw), blindly pursuing alliance with the US, whilst claiming that they are acting in the "national interest." The last sixteen years has turned our situation on its head and confirms that there is neither prosperity nor security through those who lead by misguidance, whether Musharraf, Kayani, Raheel or Bajwa.

Even now, **Hizb ut Tahrir Wilayah Pakistan assures you that the situation is redeemable, if you were to commit to Islam fully, as is your duty.** Grant the Nussrah to Hizb ut Tahrir now so that you are finally led in your affairs by a Khaleefah Rashid (Righteous Caliph), who will not depart one hand-span from that which has been revealed by Allah (swt), *Al-Hakeem* (All-Wise), *Al-Aleem* (All-Knowing). Only then will you have an Imaam who will mobilize all our considerable resources to force our enemies into retreat, on the way to raising Islam as a the dominant influence in South and Central Asia as it was for centuries before. Allah (swt) said, **يَا أَيُّهَا الَّذِينَ آمَنُوا** ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا﴾ **“O you who believe! If you support (in the cause of) Allah, He will support you, and make your foothold firm”** [Surah Muhammad 47:7]. And He (swt) said, **وَلَا تَهِنُوا وَلَا تَحْزَنُوا وَأَنْتُمُ الْأَعْلَوْنَ إِنْ كُنْتُمْ مُؤْمِنِينَ** ﴿وَلَا تَهِنُوا وَلَا تَحْزَنُوا وَأَنْتُمُ الْأَعْلَوْنَ إِنْ كُنْتُمْ مُؤْمِنِينَ﴾ **“So do not become weak, nor be sad, and you will be triumphant if you are indeed believers.”** [Surah Al-e-Imran 139]
