The Bajwa-Imran Regime Bolsters Trump's Re-Election Campaign by Begging for His Help in Mediation with India and Stabilizing Afghanistan for His Exhausted Troops

On 22 July 2019, the Bajwa-Imran regime met with US President Trump to confirm its alliance with America, the foremost enemy of Islam and Muslims. Reflecting a wide-ranging alliance, the Prime Minister was accompanied by the Director-General of the ISI and the Chief of Army Staff, as well as the Finance Advisor. Imran Khan reposed his full trust in Trump to normalize relations between India and Pakistan, declaring, "There are over a billion and quarter people in the subcontinent, they are held hostage to the issue of Kashmir, and I feel that only the most powerful state, headed by President Trump, can bring the two countries together." Imran reposed trust in Trump, even though the US normalization plan is to ensure Pakistan makes substantial political, economic and military concessions to the Hindu State, so that India can rise as the dominant regional power, to counter China and control Muslims on behalf of the US. And whilst the US stares at certain, humiliating, military defeat in Afghanistan, like Soviet Russia before it, the Bajwa-Imran regime assured Trump that it would do its very best to ensure a political settlement, which the exhausted US desperately needs to maintain some of its forces within striking distance of the world's only Muslim nuclear power. Imran Khan loyally assured Trump that, "we will be able to urge the Taliban to talk with the Afghan government and come to a political solution."

O Muslims of Pakistan and their Armed Forces in Particular! The Bajwa-Imran regime embraces alliance with the US, even though the US is foremost in enmity to Islam and Muslims, as is evident from its own crusades in the Muslim World, as well as its full support for the Jewish entity and the Hindu State in their wars of occupation. As for the regime's attempt to bribe the Muslims to accept its treacherous alliance with America by promises of economic aid from US, its falsehood is clear from the economic ruin that the US has unleashed on Pakistan through its colonialist tool, the IMF. And having crippled Pakistan's agriculture and industry, the US now wants Pakistan to open its economic borders to India so that its goods may dominate Pakistan's markets. Allah (swt) warned, ﴿مَثَلُ الَّذِينَ اتَّخَذُوا مِن دُونِ اللَّهِ أَوْلِيَاءَ كَمَثَلِ الْعَنْكَبُوتِ اتَّخَذَتْ بَيْتًا وَإِنَّ أَوْهَنَ الْبُيُوتِ لَبَيْتُ الْعَنْكَبُوتِ لَوْ﴾
﴿كَانُوا يَعْمُونَ﴾ "The example of those who take allies other than Allah is like that of the spider who takes a home. And indeed, the weakest of homes is the home of the spider, if they only knew." [Surah Al-Ankabut 29:41]. Indeed, there is only one path to strengthen the Ummah, which is her practical unification by the Khilafah (Caliphate) Upon the Method of Prophethood. Allah (swt) declared, ﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ﴾
﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ﴾ "Those who take disbelievers for allies instead of believers, do they seek honor, power and glory with them? Verily, then to Allah belongs all honor, power and glory." [Surah an-Nisa'a 4:139].
