Brutal Massacres Against Our People in Gaza Without Accountability! When Will We See the Muslim Armies Rise?!

(Translated)

The Ministry of Health in Gaza has announced that 79 martyrs and more than 289 injured, some in critical condition, have arrived at Nasser Medical Complex following the occupation's bombing of displaced persons camps in Mawasi Khan Yunis. This massacre comes after the occupation committed horrific massacres in the industrial area of Tel al-Hawa neighborhood, in the neighborhoods of Gaza City, and in the central region camps, resulting in more than 100 martyrs, rapidly increasing the number of casualties.

The brutality with which the Jewish entity acts against our people in Gaza is no longer hidden from anyone. They target children, women, and the elderly, as well as homes, schools, hospitals, shelters, and the tents of the displaced, in broad daylight and in front of media cameras. Bodies are scattered on the streets and sand, and corpses lie in the roads and houses among the rubble and under the dirt, as if it were a brutal battlefield in a third world war, without mercy, compassion, or ethics!

The one-eyed international community remains utterly silent, and sees through a microscope the slightest harm to the colonial infidels (kuffar), causing a global uproar. Institutions, organizations, presidents, and influential figures convene for their sake, forming alliances and treaties, and waging wars for a few of them. However, when it comes to the suffering of Muslims and the people of Gaza, it is treated as a mere passing event, warranting at most a few expressions of condemnation or innocent questions. This demonstrates that the international community is nothing but a tool for tyrants and pharaonic arrogance on Earth, with its institutions, laws, and alliances established solely to ensure the interests of colonialism, arrogance, and the perpetuation of tyrants.

As for America and all the kufr countries that rushed at the beginning of the war to support, endorse, and sympathize with the entity of Jews, they have testified against themselves that they are the root of evil in the world and the source of hatred and crime. America's blatant and shameless support for the entity of Jews, along with other kufr countries, by providing them with weapons, tons of bombs, and explosives, has exposed their true nature to Muslims in particular and the world in general. They have revealed themselves to be leaders and countries without morals or values, without principles or humanity. Their primary concern is their colonial interests and individual gains, even if it means the extermination of peoples or the burning of human beings.

Here is Biden and his administration, united by their deep-seated hatred for Islam and Muslims. They do nothing unless it serves them in the electoral battle, even if the streets of Gaza are filled with corpses and remains, and the blood of Gaza's people flows like rivers, caused by the bombs and weapons they send to the Jews. They have no problem with this, and it doesn't cause them a moment's hesitation.

As for the Jews, they are a people who no longer hide their Talmudic dreams and doctrinal goals, and their desire to kill all the people of Palestine so that no one but them remains in the Blessed Land of Palestine. So, how long, O Islam Ummah, will you leave your children and your blessed land to the usurping Jews, and behind them America and the colonial infidels, to spread corruption and crime, and to burn the green and the dry?

How long, O armies of the Ummah and its free officers, will you remain confined in your barracks without the valor of al-Mu'tasim or the zeal of al-Farooq?

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ اتَّقَلْتُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعَ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ﴾

“O you who have believed, what is [the matter] with you that, when you are told to go forth in the cause of Allah, you adhere heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a [very] little.” [At-Tawba:38].
