The Criminal Entity of Jews Violates the Ummah's Spaces and Assassinations of Its Members in Capitals is a Crime of Cowardly Regimes before the Jewish Entity

(Translated)

In a treacherous and shameless attack, the criminal Jewish entity assassinated the head of the political bureau of Hamas in Tehran, where Brother Ismail Haniyeh was martyred at dawn today by an enemy of Allah, His Messenger, and the Ummah. We ask Allah for his mercy and forgiveness and to place him among the martyrs. Indeed, we belong to Allah, and to Him, we shall return.

The accursed hand of the wrathful entity has extended, its corruption has spread, and its crimes have exceeded the Blessed Land where it inflicts death, torture, and massacres on its people. Its aggression is widespread, with its planes roaming the skies of capitals in Muslim countries and their cities, killing as it wishes, destroying and burning as it wishes, and assassinating whenever it wants. There is no difference between Gaza and Yemen, or the southern towns and Tehran. Its message, both in word and deed, is that you Muslims have no sanctity in your blood and lives, land, and skies, and that you have no protected limits, no deterrent honor, and no red line! This situation has indeed become a reality, where there is no sanctity for any Muslim country that has not been violated by this entity, under the leadership of treacherous, conspiring, and cowardly rulers who have descended into such a state of degradation that they no longer care for lands that have been violated, dignity that has been insulted, or the neighboring lands of brothers in the land of Islam upon whom their enemy has transgressed. They are unmoved by the pure blood that has been shed, even if it is the blood of a guest who sought refuge with them or a Muslim who came to them fleeing the oppression of Jews.

The state of all the rulers, who have emboldened the most cowardly and humiliated creatures from the entity of Jews, whether they have openly declared treachery and normalization, or claimed resistance and defiance, is no different from the state of the silent, satisfied conspirator, or the cowardly, humiliated one who does not dare to respond even if attacked, who reserves the right to respond, or the one trembling with cowardice and fear of a strong response even though he is capable of it, hiding under America's roof while the enemy wreaks havoc, killing and destroying without limits!

What the Jewish entity is doing today proves that it is truly an enemy of the entire Ummah, not only in judgment but in action as well, as it now exercises its aggression against everyone. Its evil and malice are no longer confined to Palestine and its people, and it is likely to increase unless uprooted. Its aggression will remain as long as it exists, proving that no land in Muslim countries shelters them nor skies protect them, whether they are from the land's people or those who sought refuge with their brothers. This is under these cowardly rulers, and their land will remain violated, their honor and dignity breached, their blood shed, and their lives diminished as long as these rulers remain on their thrones. The Ummah's strength, capabilities, numbers, wealth, armies, and potentials, despite their abundance and magnitude, will be of no benefit as long as these treacherous regimes disable and constrain them. They are not a support or a backbone for the Ummah!

The issue of getting rid of these cowardly rulers who have squandered the Ummah, its Deen, and its blood, and betrayed Allah and His Messenger, is present in every event. It is indeed the foundation of all the calamities occurring in Muslim countries. The issue of having an Imam for the Muslims, who will be a shield and protection for them, establishing Deen and reviving jihad, preserving the land and its people, has become a necessity, as it is a duty and obligation. Then, the Jewish entity and its aggression will only be harm to be removed and an effect to be erased, by the will of Allah. Allah (swt) said: **﴿كَلَّمَا أَوْفَدُوا نَارًا لِّلْحَرْبِ أَطْفَالَهَا ۗ وَاللَّهُ وَيَسْعُونَ فِي الْأَرْضِ فَسَادًا ۗ وَاللَّهُ لَا يُحِبُّ الْمُفْسِدِينَ﴾** "Every time they kindled the fire of war [against you], Allah extinguished it. And they strive throughout the land [causing] corruption, and Allah does not like corrupters." [Al-Ma'ida:64].
