The Palestinian Authority Follows the Devils' Methods to Justify its Crime in the Jenin Camp!

(Translated)

The Palestinian Authority (PA) gathered its media and mouthpieces of speakers and electronic flies (pro-government cyberbullies) to demonize the Jenin camp and its people and to justify the shedding of their blood. Then, it gathered its apparatuses and thugs in the city of Khalil al-Rahman, and a few of those called dignitaries who sold themselves to the PA for a vile benefit, and those whom it threatened from employees and teachers. It used ministries, closed schools, and rented buses so that the Khalil al-Rahman Governorate, city and district, would appear to be with it in shedding the blood of the people of the Jenin camp. This although it has the knowledge and those behind that Khalil al-Rahman, with its people and clans, cannot accept that it gives it half a word to shed a drop of Muslim blood. With this vile act, it wants to create a rift between the people of Palestine (north and south) under the false cover of its crime.

This rogue authority added another crime to its series of crimes, in order to silence the voice of the people of Palestine that rejects its crimes. It arrested a number of members from Hizb ut Tahrir this week, from different cities including Qalqilya, Salfit, Tulkarm, Ramallah and al-Khalil, just like those it arrested from the people of Palestine. It assaulted a number of them by beating them, and did not respect the sanctity of the homes, nor did it preserve the dignity of the people, nor was it deterred by the dignity of a venerable sheikh or the character of a noble young man. Rather, it went too far in its impudence and in violating the dignity of the people of Palestine, so it began to film a number of those it arrested while they were apologizing to the security services under the force of weapons and the threat of torture, thus breaking all the taboos of the blood, honor and money of the people of Palestine. Rather, it trampled their laws under its shoes that violated the Jenin camp under the pretext of fighting those who are outlawed! ﴿أَلَا سَاءَ مَا يَحْكُمُونَ﴾ **“Evil indeed is their judgment!”** [An-Nahl: 59]

The crimes of arrest, beating and torture against the people of Palestine, including the members of Hizb ut Tahrir, are expected from an authority that is perpetrating matters even more heinous than this in the Jenin camp. Whoever dares to burn houses, starve and besiege people, and use the RPG weapon - which the Jewish entity did not allow them to possess and use except against the people of Palestine - then kill young men and boys, and their snipers prevent the people from reaching those they killed, as the Jewish army does in Gaza, whoever dares to commit all these crimes will find no harm in arresting the people of Palestine, torturing them and violating their rights.

The Palestinian Authority, as a result of these arrests, only wants to silence every voice that rejects its crime, or rather its crimes, and to show that the people of Palestine agree with what its hands have committed, stained with treason and blood, and allegiance to the enemies of Allah and those who usurped the blessed land.

The most heinous lie is for the Palestinian Authority to say that it allows the blood of the people of the Jenin camp to be shed so that it does not become destroyed like Gaza. This calls for a set of questions that do not confuse the intelligent:

Does the Palestinian Authority besiege the people of Jenin, demolish their homes, starve their women and children, and deploy its snipers to kill them so that the Jews do not kill them?!

Does the Palestinian Authority want to disarm them and strip them of their weapons to protect them from the usurping occupier and its settlers, and then it protects the people of Palestine?!

Isn't the evocation of Gaza and its destruction consistent with the narrative of the criminal, usurping Jewish entity that justifies its crime in Gaza in the same way that the Palestinian Authority justifies its crime in Jenin?!

Are the mujahideen of Gaza to be blamed, or is the Palestinian Authority to be blamed, whose president denounced the October 7th, 2023 operation?! Or are the regimes and countries to be blamed for letting down the people of Gaza and its mujahideen, and even assisting the Jews against them, and provided them with everything they could to kill them?!

Or are the armies to be blamed for leaving the people of Gaza between the aggression of the Jews, the betrayal of the rulers, and the conspiracy of the Palestinian Authority, and not moving to support them, and liberate the land of Islam, the land of the Isra and Mi'raj?!

Does the Palestinian Authority blame the people of Algeria because they offered more than a million martyrs against the Kaffir French colonizer, or is it criminalizing Omar Mukhtar, the icon of jihad in the Arabic Maghrib?

Before this, the Palestinian Authority should tell us: Who do you blame for the destruction of Lebanon in the 1980's? Does it blame its origin (the PLO) and absolve the Jews of their crimes and massacres there?! Does the Palestinian Authority not see that the Jews and their settlers are eating up the West Bank, leaving no land untouched, no house undemolished, and no tree unburned? How can it gain the approval of the Jews, about whom Allah (swt) says: **﴿أَمْ لَهُمْ نَصِيبٌ مِنَ الْمُلْكِ فَإِذَا لَا يُؤْتُونَ﴾** **“Do they have control over shares of the kingdom? If so, they would not have given anyone so much as the speck on a date stone”** [An-Nisa: 53]. Or is it that the country and its people were sold out based on the illusion of Satan's promise? **﴿يَعِدُهُمْ وَيُمَنِّيهِمْ وَمَا يَعِدُهُمُ الشَّيْطَانُ إِلَّا غُرُورًا﴾** **“Satan only makes them ‘false’ promises and deludes them with ‘empty’ hopes. Truly Satan promises them nothing but delusion”** [An-Nisa: 120] This is the state of those who lose this world and the Hereafter. Unquestionably, this is the manifest loss.

We say to the members of the Security Services: The Jews will not live in this Blessed Land, when Allah (swt) has promised us, saying: **﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ أَوَّلَ مَرَّةٍ﴾** **“And when the second warning would come to pass, your enemies would ‘be left to’ totally disgrace you and enter that place of worship as they entered it the first time, and utterly destroy whatever would fall into their hands”** [Al-Isra: 7]

And His Messenger (saw) promised us the fight for liberation. No oppressor will live long in this country, neither the Jews nor the Authorities will remain in it. This is a promise that is not false. Don't you see that the greatest criminals fled and left the followers to meet their fate? For whose benefit do you betray Allah, His Messenger, and the believers? For whose benefit do you kill your brothers? For whose benefit do you become a tool in the hands of your enemies? How will save yourselves tomorrow from he who you killed his son, or beat his father, or arrested his brother? Is there no lesson for you in Bashar's regime?! We also remind you that injustice is darkness on the Day of Judgment, so what if the injustice is the shedding of the forbidden blood, which the demolishing the Ka'ba to Allah is a lesser injustice than it?! And what if the crime is betraying the land of Isra and Mi'raj and its people?!

We repeat it to you, stop your using your weapons and your power against Palestine and its people, that is better for you in this world and the Hereafter. Allah (swt) says **﴿إِنَّ الْمُجْرِمِينَ فِي ضَلَالٍ وَسُعُرٍ﴾** **“Indeed, the wicked are ‘entrenched’ in misguidance, and**
