Hizb ut Tahrir / Wilayah Sudan Organizes a Protest in Al-Qadarif to Demand an End to the War and the Bloodshed of Muslims

(Translated)

On Friday, August 2, 2024, Hizb ut Tahrir / Wilayah Sudan organized a protest in the city of Al-Qadarif following the Juma'a prayer near the Jami' Al-Atiq (Old Mosque) in Souq Al-Qadarif. The protest demanded an end to the war and the bloodshed of Muslims, enlightening the Ummah about the reality of Western conspiracy led by America and Europe to assert their control over power. The protest called on the sincere to adhere to Allah's commands rather than the whims of the kaffir West.

The Shabab carried banners with captions that read:

1. Hizb ut Tahrir calls for an end to the war and accountability for those conspiring against our people in Sudan.
2. "If two Muslims meet with their swords, both the killer and the killed are in the Fire."
3. Stop America's intervention in Muslim lands by establishing the second Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood.
4. The Khilafah guards the land and protects the honour; establish it, O Muslims.
5. Stop the war in obedience to the Rahman, not to the whims of the Americans.
6. The enemies of Islam would not ignite wars between Muslims if the Muslims had a Khalifah (Caliph).
7. The destruction of the Kaaba stone by stone is less significant to Allah than the blood of a Muslim.
8. Without the collusion of the rulers, forbidden blood would not be shed; with the Khilafah, Muslim blood is protected.
9. The war in Sudan is a power struggle between America and Europe, and the victims are the people of Sudan.

Our people in the city of Al-Qadarif interacted with the protest and praised the efforts of the Hizb's Shabab, praying for the victory and steadfastness of the Hizb.
