To the leaders of the Sufi Orders...

Beware from becoming a Tool in the Hands of America in its War Against Islam!!

(Translated)

The US Embassy in Khartoum has revealed a visit of 12 leaders of the Sufi order to the United States of America, and that the delegation will meet US leaders, selected American society, academics and other officials, under the framework of stating peace and tolerance among religions.

America has a strategy to confront Islam, and this strategy is based on not creating enmity against Islam openly as the neoconservatives led by Bush Jr. It is based on following deception and evasion, and it is working in two directions, the first direction is what they call the war on terror, and to America terror is the implementation of Islam in all the affairs of life, political, economical and others, in the shade of one state for the Muslims, it is the state of the righteous Khilafah on the method of the Prophethood. To prevent the establishment of this state, America intends to instigate wars, and to ignite sectarian strife and others, and to have Muslims fight and shed the blood of each other, and destroy their own countries, and make themselves miserable until they give up and fall all in front of them or surrender themselves at their doorstep!

The second direction to confront Islam is the public diplomacy and participation, and that was what Obama said in his speech at Cairo University in 04/06/2009 CE, "We will not be sufficient to command from afar, and we will not be sufficient by relying on the governments, but we will intervene with the institutions and associations, and at all levels. We will also encourage the civil institutions of civil society at all levels". This is what is happening today, here we are witnessing an American official relations with Islamic movements, and US officials meetings with Sufi leaders movements. This meeting is in fact a traps and conspiracy...

So O you leaders of the Sufi order in Sudan, O you who love Allah's Messenger (saw), beware that you will not be a tool in the hands of America in its war against Islam and the Muslims. Do not let them fool you with their soft speech, Allah the Almighty has warned His Messenger (saw) from the conspiracy of Kuffar and their flattery, and the speech for the Muslims is until Judgement Day, the Almighty says: ﴿وَدُّوا لَوْ تُدْهِنُ فَيُدْهِنُونَ﴾ **"They wish that you would soften [in your position], so they would soften [toward you]."** [al-Qalam:9]

We in **Hizb ut Tahrir in Wilayah Sudan** have held a conference on the tenth of October 2015, under the title "The US strategy for the elimination of Islam... its slogans, tools and how to confront it". In the Zubair Martyr center for international conferences, we clarified the crux of America's strategy and tools to eliminate Islam, and warned of their distressing strategy from falling into the traps of Satan, and from following the Americans.

We reiterate through this statement our warning to all the people of Sudan with all their different courses, from slipping into falsehood, and walking in the footsteps of the enemies of Islam, and for everyone to work with Hizb ut Tahrir in order to establish the righteous Khilafah on the method of the Prophethood, that will demolish the plots of the Americans and other enemies of Islam and the Muslims.

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ ۗ يَنْصُرُ مَن يَشَاءُ ۗ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

"And that day the believers will rejoice * In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful." [Al-Rum: 4-5]
