Statements of the Foreign Minister about Cooperating with the Usurping Jewish Entity...

Is there any treason other than this?!

(Translated)

Foreign Minister Ibrahim Ghandour, speaking at a symposium on Sudanese-American relations at the Mustaqbal Center for Studies on Thursday, 14th of January 2016, said, "Sudan 'open' to study normalising ties with Israel". The response from the Jewish entity came as a hard slap in the face of the grave government which had humiliation and shame leading it to begging stances and disgracing itself to an extent where it thought of a system which its politicians call it "Islamic" by normalizing relations with the Jewish entity. As such, the Jewish entity announced yesterday in an announcement coming from the Deputy Minister of Foreign Affairs Tzipi Hotovely where she refused normalisation with Sudan considering it an enemy to their monstrous entity, in response to statements of Foreign Minister Ibrahim Ghandour!

The hidden is now exposed, and the picture clear and the stance known, as the Jewish entity that occupies the Holy Land, kills our Muslim brothers in Palestine day and night, refuses direct normalisation with Sudan; while it is expected from the states of the Muslim world which is entrusted to, with others from the Muslim lands, to liberate the Blessed Aqsa from the defiling by the Jews. However after decades of deluding the Ummah, here they are bluntly announcing that they don't mind normalising the relationship with an entity living by a rope of the Muslim rulers; agents of the Kufr West.

We say to the rulers of Sudan, who separated the South of Sudan, and established in it an entity for the Jews. What shame! What disgrace for you to beg from America to accept the normalisation with its patron the Jewish entity. What have those who betrayed Allah (swt), His Prophet (saw), and the Muslims before you benefitted from normalisation with the Jews except disgrace and belittlement? Here is Egypt just next door which signed the disgraceful and shameful agreement with the Jews, but it has not enjoyed any rest or stability from that day!!

Yes, Sudan is an enemy state to the Jewish entity, as the Sudanese people is similar to the rest of the people of the Islamic Ummah; it is eager for Jihad against the Jews and to expel them from the Blessed Land, as what the Prophet (saw) did before and expelled them from Madinah Al-Munawwara and from Khaybar. However, the Ummah is also aware that the current rulers in all of the Muslim world are agents for the Kufr West and their agencies which they cannot expect good from them, as they are, quite honestly, either the protectors of the Jewish entity or hidden behind a screen. They are Ruwaibidat who have reached the power of ruling in the time of negligence and humiliation, rushing towards normalisation with the Jewish entity, and directing their weapons towards the chests of their people and their brethren.

We, at Hizb ut Tahrir Wilayah Sudan, renounce these statements that have been kneaded with the clay of treason and agency, the clay of the Muslim rulers before Allah (swt). We also assure what is already assured, that the Blessed Land will not be liberated from the defiling of the Jews except via the Khalifah of the Muslims when he gathers the separated Ummah, uniting it under one state, which is the state of the Second Khilafah Rashidah (Caliphate) upon the method of the Prophethood, in which its time has finally arrived,
