

Press Release

Security Services in Gadaref still Arrest the Dawah Carriers and Stand as an Obstacle in the Path of Allah

(Translated)

For the second time this week, the security authorities in Gadaref have arrested the brothers of Hizb ut Tahrir, not for an offense they committed, but because they carry out the duty of proclaiming the truth, and to remind Muslims of the obligation of working to establish the second righteous Khilafah (Caliphate) on the method of Prophethood, the latest action of the authorities was the arrest of Br Montassir Karrar, a member of Hizb ut Tahrir, from a wedding celebration.

This campaign carried out by the security authorities in the city of Gadaref, confirms the extent of the panic that is felt by the system, because of the campaign carried out by the Hizb ut Tahrir Wilayah of Sudan, during the current month of Rajab, to enlighten the Ummah of the obligation imposed on it by its Lord, and the source of its dignity, which was lost under the rule of these subservient and subjugated regimes, to the Kaffir West.

We say to the security services in Gadaref, and elsewhere, that the arrests will only increase members of Hizb ut Tahrir, in steadfastness, belief in the truth of their call, and certainty that they are on the right path. As we say to them, no matter what action you undertake to repel people from the path of Allah, and wish for matters to remain crooked; the dawn of the Khilafah began to loom on the horizon,

﴿إِنَّهُمْ يَرَوْنَهُ بَعِيدًا وَنَرَاهُ قَرِيبًا﴾

“Indeed, they see it [as] distant. But We see it [as] near” [Ma’arij: 6-7]

The righteous Khilafah on the Method of Prophethood will punish, Allah willing, all those who stand as an obstacle to the truth and follow the falsehood and are a support to the Shaiytan.

﴿وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ﴾

“And those who have wronged are going to know to what [kind of] return they will be returned” [Shu’ara: 227]
