

Congratulation on the Blessed Eid al-Adha

(Translated)

It pleases **Hizb ut Tahrir / Wilayah of Sudan** to congratulate you and all of the Muslim Ummah on the arrival of the blessed Eid al-Adha, asking the Exalted Lord to accept the obedience and the righteous deeds and that He might resume these pleasant days in a state where the Ummah is unified under our Prophet's (saw) flag – the flag of La Ilaha Illa Allah Muhammadan Rasul Allah, and it is dressed in the garment of pride and honour in the shadow of our state – the Khalifah Rashida on the methodology of the Prophet (saw).

Eid comes while misfortunes darken the Muslim Ummah, to the extent that its day has become its night and its night has become even darker. The colonizing Kafir rules over all affairs in our lands, they even intervene in the Islamic Education in schools by deleting parts of the curriculum – more specific they delete the parts that should be kept and vice versa. The leaders' hope in Allah, the Almighty and Powerful, has ceased to exist, they have forgotten Allah so He made them forget themselves, so the gloomy faces turned to the White House, longing for the acceptance of Trump who prepares them only for disgrace or a mirage, confirming the Almighty's speech: ﴿يَعِدُّهُمْ وَيَمْنِيهِمْ وَمَا يَعِدُّهُمُ الشَّيْطَانُ إِلَّا غُرُورًا﴾ **“He [Shaitan (Satan)] makes promises to them, and arouses in them false desires; and Shaitan's (Satan) promises are nothing but deceptions”.** [Al-Nisaa: 120]

The voices of the senior ministers of the Sudanese Government are rising to normalize the relationship to the Jewish entity instead of working to remove them and to return Al-Aqsa to Islam's bosom. This is an honour they do not deserve and they will not achieve it because Allah does only assist the one that assists Him and He fails the one that fails Him. Victory will come inshallah by the hands of the true believers, the ones that love Allah (swt) and His Messenger (saw), who are hard on Kuffar and merciful amongst one other.

We ask Almighty to hasten the establishment of the second Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, where the believers are glorious and the Kuffar are lowly and the victory belongs to the Lord of the worlds.

May Allah (swt) accept our obedience.
