

Press Release

Let the Forces of Darkness be Despised ...

Hizb ut Tahrir Proceeds with Determination, Enlightening the sides of the Universe with the Light of Revelation

(Translated)

On Sunday, 19/11/2017, in Al-Obayid City, the capital of North Kordofan, the activities of the Dawah week for the resumption of the Islamic way of life was launched, and will continue, with Allah's permission, until Thursday, 23/11/2017 under the banner: "The Great Islam ... A Creed and Systems of Life" which aims to set up 20 lectures in nine mosques at the rate of 4 lectures per day, in which some of the imams of the mosques from the party leadership will participate in delivering speeches, as part of carrying this great obligation; the obligation of the Dawah to resume the Islamic way life to fill the lives of Muslims with the clear light of the Revelation, to return to be the best nation raised for the mankind.

But the forces of the obscurantists, who lived in the darkness, languishing in the mosques leading the direction of the Houses of Allah to please the possessor of the authority, and selling their religion for a little material of this world, their biggest concern is to satisfy the authority, whose greatest concern is to satisfy the Kafir West!

These obscurantists have thought and deliberated and then messed up and scowled, and they came out to us saying that one lecture in the Grand Mosque is enough for you after we invited people to five lectures!

Let these people of darkness know that what we sought from our completion of the requirements of organizing the lectures in the Grand Mosque is to organize, and not to get their permission. For the owner of the House, exalted is His Majesty, has judged and authorized, and made it obligatory for the Muslims to carry his Dawah. So, by what void authority do you control and prevent the name of Allah from being mentioned in His mosques?!

O People of Al-Obayid City:

Our lectures are in their scheduled time and place, with the permission of Allah, according to the tables that fill the roads. Let us be honored by your good presence, in obedience to Allah Almighty, and may Allah disgrace the obscurantists and the hypocrites, who incline to those who have wronged.

Allah (swt) says:

﴿وَمَنْ أَظْلَمُ مِمَّن مَّنَعَ مَسَاجِدَ اللَّهِ أَنْ يُذْكَرَ فِيهَا اسْمُهُ وَسَعَىٰ فِي خَرَابِهَا أُولَٰئِكَ مَا كَانَ لَهُمْ أَنْ يَدْخُلُوهَا إِلَّا خَائِفِينَ لَهُمْ فِي الدُّنْيَا خِزْيًا وَلَهُمْ فِي الْآخِرَةِ عَذَابٌ عَظِيمٌ﴾

"And who are more unjust than those who prevent the name of Allah from being mentioned in His mosques and strive toward their destruction. It is not for them to enter them except in fear. For them in this world is disgrace, and they will have in the Hereafter a great punishment." [Al-Baqara: 114]
