

Press Release

America is a Colonial and Belligerent State ... the One who Covers Himself with it is Bared... An Indisputable Fact

(Translated)

Addressing the celebrations of the 29th anniversary of the Popular Defense Forces (PDF) in the White Nile State on Tuesday 13/11/2018, President al-Bashir said: "**Sudan will not pledge its decision to anyone because it believes that livelihoods are in the hands of Allah alone.**" Adding, "**Let them hold their coffers and warehouses, and we say to those who seek strength in America and the West that the one who covers himself with America is bared.**"

These statements were made by al-Bashir and everyone knows that the pillars of al-Bashir regime are still rushing towards the White House, offering sacrifices after sacrifices. So, they give up for its sake some of the Shariah rules that leaked to the laws, waive the application of the legal punishments (Hudood), change the curricula of education and Islamic studies in Sudan, and participate with America in its war against Islam in the name of (fighting terrorism). All this to make America satisfied with them and lift the name of Sudan from its black list. Moreover, trips by state officials of politicians, thinkers, leaders in the army and security services and others are still heading day and night towards Washington.

These statements are for the media use and a propaganda for the elections, which is their main concern in light of the successive crises that strike the country, as they have been for three decades, which is the age of this regime. The people of Sudan have heard a lot of such statements from al-Bashir, but we have not seen any action from him. Al-Bashir stated before that it was America that separated the South, in his interview with Sputnik which was published on Saturday 25/11/2017, where he said:

"Sudan faces major pressure and conspiracy from the United States, and the cases of Darfur and South Sudan have found support and backing from America, and under its pressure, South Sudan has been separated," adding, **"We have information that the US aspiration is to split Sudan into five countries, if we do not find protection and security... America took the world leadership and devastated the Arab world ... and what happened in Sudan of division, this division was under American pressure and conspiracy. The plan is to destroy Sudan and divide it into five countries...."**

So, if al-Bashir is serious about what he says, then he should put his words into action and cut off relations immediately with America and with all the belligerent

countries that are in an actual state of war with the Muslims, and even sever dealings with all their colonial institutions, starting with the United Nations and its war council, falsely called the Security Council, and the riba-based financial institutions, which are the main causes of the economic crisis in Sudan. And let this be a sincere step from al-Bashir, of returning to the right and restitution of rights to its people, and taking care of people's affairs by the provisions of Islam, a step that pleases the Almighty and satisfies the breasts of the believers, and infuriates the disbelievers, and Allah likes aligning actions with words, and He hates hypocrisy, Allah (swt) says: **يَا أَيُّهَا الَّذِينَ آمَنُوا لِمَ تَقُولُونَ مَا لَا تَفْعَلُونَ** ﴿١﴾ **O you who have believed, why do you say what you do not do? * Great is hatred in the sight of Allah that you say what you do not do**” [As-Saff: 2-3].

America is a colonial and an actual warring state, and the one who covers himself with it is bared, this is an indisputable fact. Therefore, the Ummah must work hard for the real change, which is a promise from Allah (swt) and an obligation on the Ummah, by uprooting the colonial influence from our country and the establishment of Allah’s rule on his servants; by the declaration of the Khilafah Rashidah (Righteous Caliphate) on the method of the Prophethood; Khilafah, like the Khilafah of the Rashideen, may Allah be pleased with them, from the companions of the Prophet (saw). Khilafah, that will raise the banner of Islam, support the oppressed, and account the oppressors. This is the way out and there is no way out other than this, and Allah is the supporter of His sincere servants for He is the One who promised His servants the succession and empowerment on the earth. Allah (swt) says: **وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا وَمَنْ كَفَرَ بَعْدَ ذَلِكَ فَأُولَئِكَ هُمُ الْفَاسِقُونَ** ﴿١٠٥﴾ **Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them and that He will surely establish for them [therein] their religion which He has preferred for them and that He will surely substitute for them, after their fear, security, [for] they worship Me, not associating anything with Me. But whoever disbelieves after that - then those are the defiantly disobedient.**” [An-Nur: 55].
