## Press Release

## Sudan's Rulers are Subjected to US Blackmail and Rode the Train of Betrayal of Normalization with the Usurper Jewish Entity of the Sacred Land

(Translated)

After days of misleading the people of Sudan, and the lies of Prime Minister Hamdok, who said that his government is not authorized to discuss the issue of normalization with the Jewish entity, and that he calls for the issue of normalization to be separated from removing Sudan's name from the list of countries sponsoring terrorism, the truth emerged: that there is no difference between al-Burhan and Hamdok, and other rulers of Sudan, who are submissive and subjected to American blackmail, which linked the removal of Sudan from the American blacklist with normalization with the Jewish monster entity.

What happened today, and is announced, of the normalization of relations between Sudan and the Jewish entity, is a stain on the transitional government, and a betrayal to Allah, His Messenger and the believers.

We in Hizb ut Tahrir / Wilayah of Sudan, regarding this submissiveness of the Transitional Government, its acceptance of Trump's conditions and its normalization of relations with the Jewish entity that usurped the land of Isra and Mi'raj, we confirm the following:

**First:** What happened today is considered a betrayal to Allah (swt) and His Messenger (saw), Islam and Muslims, and a deep stab on the back of the Ummah.

**Second**: This normalization does not represent the Muslim people of Sudan, but rather only those who carried it out, from the agents of the kaffir West, and their tails from the rulers and politicians, who sold their Deen to the world of others.
