

Press Release**The Al-Jadida Massacre in the Jisr Al-Shughur Countryside Reveals the Secrets of What the Criminals Agreed Upon**

(Translated)

On Friday, 23rd of the sacred Dhul-Hijjah, the people of the town of Al-Jadida in the Jisr Al-Shughur countryside woke up to a heinous massacre committed by Russian spiteful planes, which resulted in the killing of seven civilians from the same family, including four children, in addition to wounding ten others, while targeting a poultry farm they were living in. This massacre comes one day after the end of the Tripartite Summit of Putin, Erdogan and Raisi, which united them in the Iranian capital, Tehran.

O Muslims in the blessed land of Ash-Sham: You have suffered from terrible successive massacres over the past years of the revolution, especially after every meeting held by the insidious “guarantors”. The number of massacres that took place amounted to more than two hundred massacres, most of them were either before or after a political meeting. The Al-Jadida massacre is not an exception to its sister massacres, in order to take revenge on you and subjugate you, and to send political messages between the conspiring countries.

Now you see what is being practiced against you; a massacre after massacre, all of which were carried out with a mean American green light, with an international cover and with an international mandate, and tools of guarantors including those whose hostility to you is clear. Some of them were hiding behind resonant terms that the years of the revolution shadowed toppling and exposing them, until they became in one place with their peers and in the right place that suits them.

O our people in Ash-Sham: It has become clear to you how these massacres are carried out. The linked leaders (to foreign powers) do not move a finger towards it, and you do not hear any whispers from them, as if they are propped-up pieces of wood. You have also experienced how their movements, if they occur, are only to deceive you, and to remove some of the blame and nothing more, for fear that you will move and uproot them from their alleged positions as a result of their negligence.

And it has become clear to you, **O our people in Ash-Sham;** how the leaders of this factional system are very keen to present their credentials to the kaffir West, and to make all concessions for this, what in the past was not allowed has become a necessity today! And for what? For the sake of imaginary positions, and their end will be the same as that of their peers before them, and this is the case of the agents and the followers; they will be discarded after completing the task.

O Muslims in Ash-Sham, the abode of Islam: The blood of our children will be avenged only by those whose hands were pure, not polluted, and were not stained. They are those who presented their credentials to Allah (swt), and were keen to gain Allah’s pleasure alone. The one who will avenge our sacrifices are those who are in control of their decisions and held fast to the rope of their Lord (swt). Our salvation would only be through men who sold themselves and their money to Allah (swt), and did not sell it to supporters and conspirators at a cheap price.

It was necessary for us to take an aware and sincere political leadership that we have tried in all situations, that has a clear project and a specific straight way, to walk together with it towards achieving our constants, goals, salvation and pride, and that is the only way to salvation. This way we abort the conspirators’ plots and their cunning back to them, to fill their hearts with remorse, regret and humiliation.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered” [Al-Anfal: 24]
