Ramadan, Time for Unity!

Hamd is reserved for Allah. Prayers and Greetings Peace be upon RasulAllah *Sallallahu Aleyhi Wa Sallam*, and upon his family, friends, those who befriend him, those who follow his steps, those who make the Aqeedah of Islam the essence of their ideas and those who follow the Shariah when doing something.

On 26th of May Friday as a result of the observance of the Hilal (Crescent), it has been proven that the Hilal has been seen according to the Shariah. So the 27th of May Saturday is the first day of the month of Ramadan. On this occasion we as Hizb ut Tahrir / Wilayah Turkey ask from our Lord so that Ramadan will bring goodness in particular to the Muslims who live in Turkey and in general to the whole Muslim World. May Ramadan be good and Mubaraq for all Muslims. May Allah *Subhanahu wa Talla* let us be one of those who reach the night of Qadr and rejoice it. Ameen!

When we greet Ramadan, our hearts overflow with love of Allah, with asking for His blessing and help, and praising Him. Because Ramadan carries us to an atmosphere full of goodness (Khayr) and providence (Barakah). Ramadan is the month of the Quran that came to earth as a Noor (light) that dissipates darkness. Ramadan is the month of waking up from slumber and to differentiate right from wrong. Ramadan is the month of Rahmah (mercy), the month of Maghfirah (forgiveness), a month of saving yourself from fire and to double the hasanat, and a month to turn from our wrongs. Ramadan is the Sultan of the eleven months.

We as Muslims welcome Ramadan separate from each other. While Western Kuffar states and the Fajir systems-governments that rule over the Muslims have joined each other in the war against Muslims and to build coalitions. While colonialist Kuffar puke their hatred and anger on Islam, leaders who serve them unconditionally do not refrain from helping them in this. They are the leaders who changed the best thing with the lowliest. Instead of glory and honour beside Islam and Muslims, they became prisoners of humiliation beside Kufir and the Kuffar. They planted seeds of Fitnah and separation in order to ruin their unity.

We as Hizb ut Tahrir / Wilayah Turkey see Ramadan-i Shareef (honourable) which is a month of Rahmah (mercy) and Barakah (providence), as a means to unity of the Muslims. That is why we say Ramadan is the time for Unity. Unity in Imaan, unity in Islam. Unity in sadness, unity in happiness. Unity in fasting, unity in rise. We want unity in our beginning and breaking fasts, unity in our sadness and feasts (Eids). And most important of all in order to make this happen, unity in state. That state is the state of Khilafah Rashidah. Just like fasting is the shield of the Muslim, the Khilafah is the shield of all Muslims. We ask Allah to unite all Muslims under the banner of Khilafah Rashidah in this month of Ramadan. O my Lord of the skies and earth, Allah! Give us the honour of giving Bayah to the Khalif of the Muslims under the rule of second Khilafah Rashidah (Righteous Caliphate) following the method of the Prophethood soon. Ameen!
