

Press Release

The Houthis Claim Responsibility for the Killing of Abu Al-Yamamah in Aden

(Translated)

On Thursday, 01/08/2019, the commander of the support logistics forces, in the Security Belt forces, Brigadier General Munir al-Saadi, nicknamed Abu Al-Yamamah, was assassinated in a huge explosion that rocked the podium on which he was sitting with other military leaders during a military parade at al-Jala camp in the Directorate of Buriaqa of the province of Aden. Soon after, the Houthis claimed responsibility for his death by a missile fired from their areas of control.

How many are the modern military personnel who have appeared in the last few years across Yemen, so, their blood was shed and their bodies scattered as they participated in the proxy war inside Yemen – which they think it is their war but is not - and their bravery in combat has only appeared against their brothers, and they were only made for this purpose. They were armed with a false military doctrine, to fight among themselves, and were not armed with the correct military doctrine, that would stop them from fighting among themselves, and obligate on them to go to fight their enemies, the belligerent disbelievers.

Assassinations of military and political figures continue in various parts of Yemen and lives continue to be claimed in the bloody internal fighting between the people of Yemen away from those who they must fight from the enemies of Islam and Muslims who show hostility to Islam, publicize their enmity and await for it turns of misfortune. The Almighty says: **﴿قَدْ بَدَتِ الْبَغْضَاءُ مِنْ أَفْوَاهِهِمْ وَمَا تُخْفِي كَبَرُهُمْ أَنَّ لَهُم مَّن لَّهُمْ خَبْرٌ﴾** **“Hatred has already appeared from their mouths, and what their breasts conceal is greater”** [Al-i-Imran: 118].

They failed to confront it (Islam) after the Crusade which they launched in 2001, so they replaced it with provocation of Muslims to fight among themselves, and the former and current people of Yemen who say that they are preparing to test their missiles to fire at the Jews, the usurpers of Palestine, are lying.

No one will regret the murdered people on both sides of the deliberate and fabricated peripheral conflict, in which they have engaged and accepted for themselves to set aside the rules of Islam that they do not comply with, and are content to march in the wrong direction with both sides of the international conflict over Yemen.

Do Muslims not know who ignites the wars between Muslims here and there, and strives to blow them in order to keep their fire burning and lets nothing remain and leaves nothing unscathed, to distract them from the real enemies of the Islamic Ummah, and that their blood is wasted? Why is wisdom absent from the people of wisdom when they need it most?!

Are the people of Yemen not aware of the warnings of Hizb ut Tahrir, the frontrunner that does not lie to its people, which issues to them time and time again to avoid falling into the traps of the colonizers, and to rise to work with it to establish the second Khilafah Rashidah State (rightly guided Caliphate) on the method of the Prophethood, that takes care of their affairs by Islam and leads them to the obedience to Allah and His pleasure, and expels the influence of the colonists, the parties to the conflict, outside Yemen forever?!
